Hacking Secret Ciphers with Python not only teaches you how to write in secret ciphers with paper and pencil. This book teaches you how to write your own cipher programs and also the hacking programs that can break the encrypted messages from these ciphers. Unfortunately, the programs in this book won't get the reader in trouble with the law (or rather, fortunately) but it is a guide on the basics of both cryptography and the Python programming language. Instead of presenting a dull laundry list of concepts, this book provides the source code to several fun programming projects for adults and young adults.

ACRES OF HUSTLE. EMPIRES OF LIES.Humboldt County, California: A distant and beautiful hinterland once propped-up by gold rush era timber barons. Now, since the counterculture revolution, it's the weed capital of America; the primary producer of high-quality grass for the entire nation. But now its 2011 and the price of weed in Humboldt has been falling rapidly for years as California and the rest of the nation aims to legalize it. Lucas was a young street-urchin who works now on a cannabis plantation in the heart of Humboldt grow country. Raised on the streets in southern California, he managed to stumble into the Redwood Empire on his way up the Pacific Crest Highway. It all seemed like a hippie paradise until new Lucas's boss, Rainbow, decided to hedge his bets against legalization and put the farm up for sale. Faced with becoming homeless again, he realizes his only chance to make everything back is to turn to the local hippie mafia.

Lucas quickly finds himself battling double-crossing hippies, local mafias, and inner demons to achieve the life he was promised... will he be able to stay alive long enough to make it rich growing weed, before Cannabis is legal and worth less than cigarettes? (Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.
