Letters of the Dragon: Correspondence, 1958-1973 is a fascinating glimpse of the private Bruce Lee behind the public image—a man with the patience and concern to dedicate as much effort to crafting a thoughtful personal answer to the letter of a young fan as to those from his old friends and associates; an extremely active man never too busy to make time for an old family friend in need of simple companionship; a man who never wrote without careful thought, and never thought from the heard alone, but always from the head and heart together. The letters in this inspiring book track Bruce Lee's career and development from his decision, made while he was still in secondary school, to move to the US to further his education, through the many setbacks, redirected efforts, and triumphs of life that shaped his martial art and humanity, all the way to the last letter he ever composed, just hours before his sudden death. After absorbing the letters in this volume, the reader will inevitably find that the private Bruce Lee was every bit as great as the public Bruce Lee, and deeper and broader by far. **Letters of the Dragon: Correspondence, 1958-1973** is conclusive evidence that a life lived well is never too short a life. The Philosophies of Bruce Lee

"The first noteworthy treatment of its subject—and a definitive one at that...Fascinating narrative threads proliferate” (The New York Times Book Review). The most authoritative biography—featuring dozens of rarely seen photographs—of film legend Bruce Lee, who made martial arts a global phenomenon, bridged the divide between Eastern and Western cultures, and smashed long-held stereotypes of Asians and Asian-Americans. Forty-five years after Bruce Lee’s sudden death at age thirty-two, journalist and bestselling author Matthew Polly has written the definitive account of Lee’s life. It’s also one of the only accounts; incredibly, there has never been an authoritative biography of Lee. Following a decade of research that included conducting more than one hundred interviews with Lee’s family, friends, business associates, and even the actress in whose bed Lee died, Polly has constructed a complex, humane portrait of the icon. Polly explores Lee’s early years as a child star in Hong Kong cinema; his actor father’s struggles with opium addiction and how that turned Bruce into a troublemaking teenager who was kicked out of high school and eventually sent to America to shape up; his beginnings as a martial arts teacher, eventually becoming personal instructor to movie stars like James Coburn and Steve McQueen; his struggles as an Asian-American actor in Hollywood and frustration seeing role after role he auditioned for go to a white actors in eye makeup; his eventual triumph as a leading man; his challenges juggling a sky-rocketing career with his duties as a father and husband; and his shocking end that to this day is still shrouded in mystery. Polly breaks down the myths surrounding Bruce Lee and argues that, contrary to popular belief, he was an ambitious actor who was obsessed with the martial arts—not a kung-fu guru who just so happened to make a couple of movies. This is an honest, revealing look at an impressive yet imperfect man whose personal story was even more entertaining and inspiring than any fictional role he played onscreen.

Compiled from Bruce Lee's notes and writings, Bruce Lee Jeet Kune Do is the seminal book presenting the martial art created by Bruce Lee himself. Jeet Kune Do was a revolutionary new approach to the martial arts in its time and is the principal reason why Bruce Lee is revered as a pioneer by martial artists today, many decades after his death. The development of his unique martial art form—its principles, core techniques, and lesson plans—are all presented in this book in Bruce Lee's own words and notes. This book is the complete and official version of Jeet Kune Do which was originally published by Tuttle Publishing in cooperation with the Lee family in 1997. It is still the most comprehensive presentation of Jeet Kune Do available. This Jeet Kune Do book features Lee's illustrative sketches and his remarkable notes and commentaries on the nature of combat and achieving success in life through the martial arts, as well as the importance of a positive mental attitude during training. Also, there is a series of "Questions Every Martial Artist Must Ask Himself" that Lee posed to himself and intended to explore as part of his development, but never lived to complete. Bruce Lee Jeet Kune Do is the book every Bruce Lee fan must have in his collection. This Bruce Lee Book is part of the Bruce Lee Library which also features: Bruce Lee: Striking Thoughts Bruce Lee: The Celebrated Life of the Golden Dragon Bruce Lee: The Tao of Gung Fu Bruce Lee: Artist of Life Bruce Lee: Letters of the Dragon Bruce Lee: The Art of Expressing the Human Body

Bruce Lee's daughter illuminates her father's most powerful life philosophies—demonstrating how martial arts are a perfect metaphor for personal growth, and how we can practice those teachings every day. "Empty your mind; be formless, shapeless like water." Bruce Lee is a cultural icon, renowned the world over for his martial arts and film legacy. But Lee was also a deeply philosophical thinker, learning at an early age that martial arts are more than just an exercise in physical discipline—they are an apt metaphor for living a fully realized life. Now, in Be Water, My Friend, Lee's daughter Shannon shares the concepts at the core of his philosophies, showing how they can serve as tools of personal growth and self-actualization. Each chapter brings a lesson from Bruce Lee's teachings, expanding on the foundation of his iconic “be water” philosophy. Over the course of the book, we discover how being like water allows us to embody fluidity and naturalness in life, bringing us closer to our essential flowing nature and our ability to be powerful, self-expressed, and free. Through previously untold stories from her father's life and from her own journey in embodying these lessons, Shannon presents these philosophies in tangible, accessible ways. With Bruce Lee's words as a guide, she encourages readers to pursue their essential selves and apply these ideas and practices to their everyday lives—whether in learning new things, overcoming obstacles, or ultimately finding their true path. Be Water, My Friend is an inspirational invitation to us all, a gentle call to action to consider our lives with new eyes. It is also a testament to how one man's exploration and determination transcended time and place to ignite our imaginations—and to inspire many around the world to transform their lives.

Bruce Lee was a Chinese American action film star, martial arts instructor, filmmaker, and philosopher. His Hong Kong and Hollywood-produced films elevated the traditional martial arts film to a new level of popularity and acclaim. Through such films as Way of the Dragon and Enter the Dragon, Lee helped to change the way Asians were presented in American films and, in the process, he became an iconic figure known throughout the world. Although he died at the young age of 32, Bruce Lee is widely considered to be the one of the most influential martial artists of all time.

In the months leading up to his death, Bruce Lee was working on this definitive study of the Chinese martial arts—collectively known as Kung Fu or Gung Fu. This book has now been edited and is published here for the first time in its entirety. Bruce Lee totally revolutionized the practice of martial arts and brought them into the modern world—by promoting the idea that students have the right to pick and choose those techniques and training regimens which suit their own personal needs and fighting styles. He developed a new style of his own called Jeet Kune Do—combining many elements from different masters and different traditions. This was considered heretical at the time within martial arts circles, where one was expected to study with only a single master—and Lee was the first martial artist to attempt this. Today he is revered as the “father” of martial arts practice around the world—including Mixed Martial Arts. In addition to presenting the fundamental techniques, mindset and training methods of traditional Chinese martial arts, this martial art treatise explores such esoteric topics as Taoism and Zen as applied to Gung Fu, Eastern and Western fitness regimens and self-defense techniques. Also included is a Gung Fu “scrapbook” of Bruce Lee's own personal anecdotes regarding the history and traditions of the martial arts of China. After Lee's death, his manuscript was completed and edited by martial arts expert John Little in cooperation with the Bruce Lee Estate. This book features an introduction by his wife, Linda Lee Cadwell and a foreword from his close friend and student, Taky Kimura. Bruce Lee Jeet Kune Do is the iconic book presenting the martial art created by Bruce Lee as explained in the master's own words. In 1970, Bruce Lee suffered a back injury that confined him to bed. Rather than allowing this to slow his growth as a martial artist, he read feverishly on Eastern philosophy and Western psychology and self help books, constructing his own views on the totality of combat and life. It was during this time that Lee wrote 7 volumes containing his thoughts, ideas, opinions, and research into the art of unarmed combat, and how it applies to the everyday life. Some of this material was posthumously published in 1975, but much more existed. This landmark book serves as a more complete presentation of Bruce Lee's notes on his art of Jeet Kune Do. The development of his unique martial art form, its principles, core techniques, and lesson plans are presented here in Lee's own words. It also features Lee's illustrative sketches and his remarkable treatise on the nature of combat, success through martial arts, and the importance of a positive mental attitude in training. In addition, there are a series of "Questions Every Martial Artist Must Ask Himself," that Lee posed to himself and intended to explore as part of his own development, but never lived to complete. Jeet Kune Do: A Comprehensive Guide to Bruce Lee's Martial Way is a book every Bruce Lee fan must have.

Letters of the Dragon: Correspondence, 1958-1973 is a fascinating glimpse of the private Bruce Lee behind the public image. So much has been written about Bruce Lee—the martial arts superstar whose combination of strength, agility and charisma are legendary—but seldom are we able to see beneath the veneer of Lee's public image to view his inner self. Bruce Lee Letters of the Dragon does just that—offering a highly personal view of the man through the letters he wrote to his close friends and family from his teenage years right up until his untimely death in 1973 at the tender age of 32. This unparalleled collection of Bruce Lee's personal correspondence begins with his high school days in Hong Kong and continues throughout the period when he was working as a successful actor in America and Hong Kong, right up until the time he died. During this period he was also developing radically new concepts about Asian martial arts—including his own Jeet Kune Do martial arts system. In these letters, we can see all the optimism, tenacity, integrity and intense loyalty for which Bruce Lee is known and adored by millions of fans today. More than a fascinating chronicle of his rise to superstardom, these letters offer intimate glimpses of the artist, husband, father and friend behind the legend. A Comprehensive Guide to Bruce Lee's Martial Way

A Way of Spiritual Experience

Compiled from Bruce Lee's own notes and writings, Bruce Lee Jeet Kune Do is the seminal book presenting the martial art created by Bruce Lee himself. Jeet Kune Do was a revolutionary new approach to the martial arts in its time and is the principal reason why Bruce Lee is revered as a pioneer by martial artists today, many decades after his death. The development of his unique martial art form—its principles, core techniques, and lesson plans—are all presented in this book in Bruce Lee's own words and notes. This is the complete and official version of Jeet Kune Do which was originally published by Tuttle Publishing in cooperation with the Lee family in 1997. It is still the most comprehensive presentation of Jeet Kune Do available. This Jeet Kune Do book features Lee's illustrative sketches and his remarkable notes and commentaries on the nature of combat and achieving success in life through the martial arts, as well as the importance of a positive mental attitude during training. In addition, there are a series of "Questions Every Martial Artist Must Ask Himself" that Lee posed to himself and intended to explore as part of his own development, but never lived to complete. Bruce Lee Jeet Kune Do is the book every Bruce Lee fan must have in his collection. This Bruce Lee Book is part of the Bruce Lee Library which also features: Bruce Lee: Striking Thoughts Bruce Lee: The Celebrated Life of the Golden Dragon Bruce Lee: The Tao of Gung Fu Bruce Lee: Artist of Life Bruce Lee: Letters of the Dragon Bruce Lee: The Art of Expressing the Human Body
