

Bruce Lee's Wisdom for Daily Living

Bruce Lee: Artist of Life

Bruce Lee Letters of the Dragon

The Philosophical Art of Self Defense

Bruce Lee Jeet Kune Do is the iconic book presenting the martial art created by Bruce Lee as explained in the master's own words. In 1970, Bruce Lee suffered a back injury that confined him to bed. Rather than allowing this to slow his growth as a martial artist, he read feverishly on Eastern philosophy and Western psychology and self help books, constructing his own views on the totality of combat and life. It was during this time that Lee wrote 7 volumes containing his thoughts, ideas, opinions, and research into the art of unarmed combat, and how it applies to the everyday life. Some of this material was posthumously published in 1975, but much more existed. This landmark book serves as a more complete presentation of Bruce Lee's notes on his art of Jeet Kune Do. The development of his unique martial art form, its principles, core techniques, and lesson plans are presented here in Lee's own words. It also features Lee's illustrative sketches and his remarkable treatise on the nature of combat, success through martial arts, and the importance of a positive mental attitude in training. In addition, there are a series of "Questions Every Martial Artist Must Ask Himself," that Lee posed to himself and intended to explore as part of his own development, but never lived to complete. Jeet Kune Do: A Comprehensive Guide to Bruce Lee's Martial Way is a book every Bruce Lee fan must have.

In order to understand Bruce Lee, we must look beyond Bruce Lee to the artist's intricate cultural and historical contexts. This work begins by contextualising Lee, examining his films and martial arts work, and his changing cultural status within different times and places. The text examines Bruce Lee's films and philosophy in relation to the popular culture and cultural politics of the 1960s and 1970s, and it addresses the resurgence of his popularity in Hong Kong and China in the twenty-first century. The study also explores Lee's ongoing legacy and influence in the West, considering his function as a shifting symbol of ethnic politics and the ways in which he continues to inform Hollywood film-fight choreography. Beyond Bruce Lee ultimately argues Lee is best understood in terms of "cultural translation" and that his interventions and importance are ongoing.

Compiled from Bruce Lee's notes and writings, Bruce Lee Jeet Kune Do is the seminal book presenting the martial art created by Bruce Lee himself. Jeet Kune Do was a revolutionary new approach to the martial arts in its time and is the principal reason why Bruce Lee is revered as a pioneer by martial artists today, many decades after his death. The development of his unique martial art form—its principles, core techniques, and lesson plans—are all presented in this book in Bruce Lee's own words and notes. This book is the complete and official version of Jeet Kune Do which was originally published by Tuttle Publishing in cooperation with the Lee family in 1997. It is still the most comprehensive presentation of Jeet Kune Do available. This Jeet Kune Do book features Lee's illustrative sketches and his remarkable notes and commentaries on the nature of combat and achieving success in life through the martial arts, as well as the importance of a positive mental attitude during training. Also, there is a series of "Questions Every Martial Artist Must Ask Himself" that Lee posed to himself and intended to explore as part of his development, but never lived to complete. Bruce Lee Jeet Kune Do is the book every Bruce Lee fan must have in his collection. This Bruce Lee Book is part of the Bruce Lee Library which also features: Bruce Lee: Striking Thoughts Bruce Lee: The Celebrated Life of the Golden Dragon Bruce Lee: The Tao of Gung Fu Bruce Lee: Artist of Life Bruce Lee: Letters of the Dragon Bruce Lee: The Art of Expressing the Human Body

Bruce Lee: The Celebrated Life of the Golden Dragon

Tao of Jeet Kune Do

Skill in Techniques

Learn the secrets to obtaining Bruce Lee's astounding physique with this insightful martial arts training book. The Art of Expressing the Human Body, a title coined by Bruce Lee himself to describe his approach to martial arts, documents the techniques he used so effectively to perfect his body for superior health and muscularity. Beyond his martial arts and acting abilities, Lee's physical appearance and strength were truly astounding. He achieved this through an intensive and ever-evolving conditioning regime that is being revealed for the first time in this book. Drawing on Lee's notes, letters, diaries and training logs, Bruce Lee historian John Little presents the full extent of Lee's unique training methods including nutrition, aerobics, isometrics, stretching and weight training. In addition to serving as a record of Bruce Lee's training, The Art of Expressing the Human Body, with its easy-to-understand and simple-to-follow training routines, is a valuable source book for those who seek dramatic improvement in their health, conditioning physical fitness, and appearance. This Bruce Lee Book is part of the Bruce Lee Library which also features: Bruce Lee: Striking Thoughts Bruce Lee: The Celebrated Life of the Golden Dragon Bruce Lee: The Tao of Gung Fu Bruce Lee: Artist of Life Bruce Lee: Letters of the Dragon Bruce Lee: Jeet Kune Do

Gathers the thoughts of the famous martial arts expert and actor about zen and the practical aspects of self-defense.
