

Btec Level 2 First Health And Social Care Student Book Level 2 Btec First Health And Social Care

This title contains many features to aid learning and teaching. Activities and reflections provide additional ideas for lessons and homework tasks, case studies and theory in practices add the important real-world focus, so you don't have to spend time looking for your own examples, and assessment zones and assessment practices guide learners through internal and external assessment, with practice questions to help them achieve their potential.

Take the guesswork out of BTEC assessment with sample student work and assessor feedback for all pass, merit and distinction criteria. By focusing on assessment this compact guide leads students through each pass, merit and distinction criterion by clearly showing them what they are required to do. - Provides a sample student answer for every single pass, merit and distinction criterion, together with detailed assessor's comments on how work can be improved, so that students know exactly what their work needs to show to hit their grade target - Saves you time - realistic model assignments are included and provide an opportunity to generate all evidence, with each criterion and grade clearly indicated, so there is no need to rewrite yet more assignment briefs - Use instead of a textbook - detailed revision-style summaries of all the learning aims from the unit support students, allowing them to quickly find the facts and ideas they will need for their assessment - Enables you to customise your course - combine this guide with others in the series so you only pay for the units you deliver

This CACHE-endorsed textbook presents all the mandatory elements of the qualification, as well as three popular optional units, in an easy-to-understand format. It also extends learning with specially created features designed to encourage students to explore each topic further. In this book you'll find:

- Clearly outlined specific learning outcomes for each unit with 'Check Your Understanding' short questions to test knowledge - 'Key Terms' that highlight and clarify relevant important terms - 'Command Words' included to give guidance on the what the command words in the mark scheme are asking for - 'Case Scenarios' that contextualise knowledge and ask further questions Activities throughout asking students to explain, describe, evaluate and discuss - 'Read About It' suggestions for further topic-related reading The optional units covered in this book are: HSC 03: Creative activities in health and social care HSC 09: Mental health and well-being HSC 010: Nutrition for health and social care
