**"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.**

*Lo Moving to River's Edge was supposed to be a fresh start. Away from chaos. Away from bad influences and worse relationships. All I wanted was to give my little brother more of a chance than I ever had. It should've been simple. I didn't count on my transgressions following me. And I definitely didn't count on meeting Dare. Tall, tortured, and tattooed. A Lost Boy through and through. Falling for someone like him was asking for heartache. But I was a sucker for punishment. Dare I had a routine. Eat, work, sleep, repeat, only ever doing the bare minimum to keep up appearances. I kept my circle small and my guard high. I spent years making sure I didn't repeat the mistakes of my past, forming an impenetrable layer of ice around my heart. Then Logan showed up in my town, in my tattoo shop, testing my patience along with my self-control. She was fire and I was ice. I should've stayed away. But I had been cold for far too long.*

*For Oscar, life is good. Living and working with his cousins in Dodge City, Kansas, he is living what one might call the American Dream. After many years Oscar finally receives his permanent resident card (green card), and opens a business, a house-painting company. The work is steady and honest. In fact, it is so constant that Oscar looks to buy a new vehicle to support the business. He is offered a truck at an incredible price, but he has to travel to San Antonio in order to pick it up. What should be a quick two-day trip, turns into one of panic when Oscar loses something he has worked so hard to achieve. Michelle is also living a good life. She and her husband, Marcos, live in Las Cruces, New Mexico. Michelle and Marcos work hard - she as a delivery driver and he as a restaurant manager - in the hopes of bringing the rest of the family to live with them in New Mexico. Marcos is originally from Mexico and has two daughters who still live there with his mother. What the couple lacks, however, is the money needed to secure a lawyer to help with legal paperwork. On one particular trip to San Antonio, though, Michelle's luck seems to turn when she finds a large sum of cash - a perfect solution to her problem. Or is it? Learn how the lives of two people on separate journeys intersect in San Antonio, one of the colonial cities of the southwest United States.*
