

Buenos Aires Like A Local

Questions increasingly dominant urban planning orthodoxies and whether they truly serve everyday city dwellers. What makes some cities world class? Increasingly, that designation reflects the use of a toolkit of urban planning practices and policies that circulates around the globe. These strategies—establishing creative districts dedicated to technology and design, “greening” the streets, reinventing historic districts as tourist draws—were deployed to build a globally competitive Buenos Aires after its devastating 2001 economic crisis. In this richly drawn account, Jacob Lederman explores what those efforts teach us about fast-evolving changes in city planning practices and why so many local officials chase a nearly identical vision of world-class urbanism. Lederman explores the influence of Northern nongovernmental organizations and multilateral agencies on a prominent city of the global South. Using empirical data, keen observations, and interviews with people ranging from urban planners to street vendors he explores how transnational best practices actually affect the lives of city dwellers. His research also documents the forms of resistance enacted by everyday residents and the tendency of local institutions and social relations to undermine the top-down plans of officials. Most important, Lederman highlights the paradoxes of world-class urbanism: for instance, while the priorities identified by international agencies are expressed through nonmarket values such as sustainability, inclusion, and livability, local officials often use market-centric solutions to pursue them. Further, despite the progressive rhetoric used to describe urban planning goals, in most cases their result has been greater social, economic, and geographic stratification. *Chasing World-Class Urbanism* is a much-needed guide to the intersections of culture, ideology, and the realities of twenty-first-century life in a major Latin American city, one that illuminates the tension between technocratic aspirations and lived experience.

If you attend a soccer match in Buenos Aires of the local Atlanta Athletic Club, you will likely hear the rival teams chanting anti-Semitic slogans. This is because the neighborhood of Villa Crespo has long been considered a Jewish district, and its soccer team, Club Atlético Atlanta, has served as an avenue of integration into Argentine culture. Through the lens of this neighborhood institution, Raanan Rein offers an absorbing social history of Jews in Latin America. Since the Second World War, there has been a conspicuous Jewish presence among the fans, administrators and presidents of the Atlanta soccer club. For the first immigrant generation, belonging to this club was a way of becoming Argentines. For the next generation, it was a way of maintaining ethnic Jewish identity. Now, it is nothing less than family tradition for third generation Jewish Argentines to support Atlanta. The soccer club has also constituted one of the few spaces where both Jews and non-Jews, affiliated Jews and non-affiliated Jews, Zionists and non-Zionists, have interacted. The result has been an active shaping of the local culture by Jewish Latin Americans to their own purposes. Offering a rare window into the rich culture of everyday life in the city of Buenos Aires created by Jewish immigrants and their descendants, *Fútbol, Jews, and the Making of Argentina* represents a pioneering study of the intersection between soccer, ethnicity, and identity in Latin America and makes a major contribution to Jewish History, Latin American History, and Sports History.

Based on Mr Hudson's identity, the book is featuring destinations for gays, but not

necessarily gay destinations. It is about travelling in style for everyone who is looking for something different and special - no matter if men or women, travelling solo or as a couple. Mr Hudson Explores shows that every part of a trip is an incredible experience. The core content of the book will consist of 20 cities in the Northern Hemisphere and showcases the very best the destination has to offer. Each guide will give a general introduction to the city and, if applicable, its relevance for the gay community. It showcases various locations on culture and art, the most inspiring museum to visit, traditional and upcoming food places, best shopping experiences, music and nightlife: Where to go out, which bars do have the best drinks, and clubs you can have the most fun at the city's best parties and concerts. Depending on the location, day trips and activities can be included. Luxury accommodations and places to stay complete the range. The book will not just give descriptions of the places but also background information, telling the story of the owner, history or anecdotes.

Best of Buenos Aires

28-year-old Cassie Moore has always played it safe, living life according to a meticulously organized Master Plan. But when she loses her Perfect Job and finds her fiancé in bed with his ex on the same day, it's clear that The Plan has failed her. She awakens the next day from a drunken stupor to discover that she's booked herself on a six-month trip to Buenos Aires. She speaks not a word of Spanish, but she's already emailed the news to everyone she knows, so there's no turning back. Once in Buenos Aires, Cassie is reluctantly seduced by this glorious city. Her exuberant landlady introduces her to the handsome but haughty Mateo, a man Cassie clashes with right from the start. She soon befriends other lovelorn travelers and together, they start a "Brokenhearts Club" at a local bar, attracting a cast of characters that includes Dan, a sweet handsome man who lives as carefully and predictably as Cassie. Before long, Cassie's making a new plan: 1. Learn Spanish. 2. Stop obsessing about impossible Mateo and fall for perfect-on-paper Dan. But staying on track isn't so simple anymore and Cassie finally realizes that sometimes life--and love-- defies her best-laid plans.

World-renowned 'tell it like it is' guidebook Discover Argentina with this comprehensive, entertaining, 'tell it like it is' Rough Guide, packed with comprehensive practical information and our experts' honest and independent recommendations. Synonymous with practical travel tips, quality writing and a trustworthy 'tell it like it is' ethos, the Rough Guides list includes more than 260 travel guides to 120+ destinations, gift-books and phrasebooks.

A trailblazing chef reinvents the art of cooking over fire. Gloriously inspired recipes push the boundaries of live-fired cuisine in this primal yet sophisticated cookbook introducing the incendiary dishes of South America's biggest culinary star. Chef Francis Mallmann—born in Patagonia and trained in France's top restaurants—abandoned the fussy fine dining scene for the more elemental experience of cooking with fire. But his fans followed, including the world's top food journalists and celebrities, such as Francis Ford Coppola, Madonna, and Ralph Lauren, traveling to Argentina and Uruguay to experience the dashing chef's astonishing—and delicious—wood-fired feats. The seven fires of the title refer to a series of grilling techniques that have been singularly adapted for the home cook. So you can cook Signature Mallmann dishes—like Whole Boneless Ribeye with Chimichuri; Salt-Crusted Striped Bass; Whole Roasted Andean

Pumpkin with Mint and Goat Cheese Salad; and desserts such as Dulce de Leche Pancakes—indoors or out in any season. Evocative photographs showcase both the recipes and the exquisite beauty of Mallmann's home turf in Patagonia, Buenos Aires, and rural Uruguay. *Seven Fires* is a must for any griller ready to explore food's next frontier.

The masterpiece of travel writing that revolutionized the genre and made its author famous overnight An exhilarating look at a place that still retains the exotic mystery of a far-off, unseen land, Bruce Chatwin's exquisite account of his journey through Patagonia teems with evocative descriptions, remarkable bits of history, and unforgettable anecdotes. Fueled by an unmistakable lust for life and adventure and a singular gift for storytelling, Chatwin treks through "the uttermost part of the earth"—that stretch of land at the southern tip of South America, where bandits were once made welcome—in search of almost-forgotten legends, the descendants of Welsh immigrants, and the log cabin built by Butch Cassidy. An instant classic upon publication in 1977, *In Patagonia* is a masterpiece that has cast a long shadow upon the literary world. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

A Guide to Eat Your Way Authentically Through Argentina

Buenos Aires ... Like a Local

Lonely Planet's Argentina is your most up-to-date advice on what to see and skip, and what hidden discoveries await you. Watch enormous icebergs calve from Glaciar Perito Moreno, tour wineries and enjoy the finished product around Mendoza, and hike the rugged Fitz Roy Range for stunning mountain views -all with your trusted travel companion.

*Ever since Ernest Hemingway popularized the fiesta de San Fermín with the publication of *The Sun Also Rises* in 1926, the world has been enthralled with the concept of running with the bulls. For millions, running with the bulls remains on their bucket list, and for Hemingway fans it is a lifelong dream. For Peter N. Milligan, it is a way of life. Part memoir and part travel guide, *Bulls Before Breakfast* recounts Milligan's many adventures in Pamplona, Spain. In his dozen years of visiting the fiesta de San Fermín, Milligan has run with the bulls over 70 times and accumulated stories both thrilling and terrifying. *Bulls Before Breakfast* is the definitive guide to Pamplona, its famed fiesta, and the surrounding Kingdom of Navarra. It is also a memoir of two brothers running with the bulls and exploring every corner of the city, the countryside, the mountains, the beaches, and the famed restaurants of the*

Basque hinterland. The book focuses on local knowledge, and the hidden mysteries of this closed, private culture and community. Milligan has slowly pried open this trove of secrets over the past twelve years, all while refining the art of getting between the horns of a massive, perfect Spanish killing machine, el toro bravo, and running for his life.

While many visitors to Argentina are seeking the urban vibe of Buenos Aires, complete with a reasonably priced first-class steak and a chance to experience tango or soccer at its ultimate, the country offers a wide range of scenery and vacation choices. From the hippy hangout in the valley of El Bolson to the brash busy beach scene at Mar del Plata to Bariloche, one of the main tourist destinations where lakes and mountains offer an array of outdoor sports, Time Out's local journalists cover it all. Embrace your inner gaucho and saddle up in the Argentinian pampas or choose from peaceful isolated pine-fringed sands or seaside city resorts, all covered in this guide. We help you navigate the region as a local would, sharing insider tips on dining, shopping and where to find the best local artisans.

Experience the Life of the City The rhythm of tango, the scent of Jacaranda, the sizzle of grilled steak... Once you fall in love with Buenos Aires, you'll find it hard to leave. Explore the City: Navigate by neighborhood or by activity with color-coded maps, making it easy to find what you want to do and where you need to be. See the Sights: Follow guided walks through the liveliest neighborhoods. Pop in and have a drink at the bar notables. Visit archaeological sites like El Zanjón de Granados, or marvel at the dramatic architecture of Teatro Colón and the serene beauty of the Reserva Ecológica Costanera Sur. Get a Taste of the City: Savor Argentina's best at local churrasquerías or parillas (or better yet, snag an invite to a backyard asado!), or sample the booming fine dining scene of Buenos Aires. Bars and Nightlife: Find where to watch (or dance!) the sultriest tango, and visit the clubs with the best music and the bars with the best views. Trusted Advice: Local expert, fútbol fan, and tango aficionado Nicholas Mills guides you through the exuberant city he calls home. Itineraries and Day Trips: All accessible by bus, train, or public transit, head out to Tigre and the Paran Delta or Iguaz Falls, or follow itineraries like Best of Buenos Aires, A Day of Culture, and Buenos Aires with Kids. Maps and Tools: Moon provides background information on the landscape, history, and culture of Buenos Aires, as well as vibrant, helpful photos and an easy-to-read foldout map to use on the go, packaged in a book light enough to toss in your bag. With Moon Buenos Aires practical tips, myriad activities, and an insiders view on the best things to do and see, you can plan your trip your way. Includes coverage of the following neighborhoods: Centro, Puerto Madero, San Telmo, La Boca, Retiro, Recoleta, Palermo, Almagro, and Balvanera Covers day trips to: Tigre and the Paraná Delta, San Antonio de Areco, Iguazú Falls, and Colonia, Uruguay Looking to explore more world-class cities? By combining storytelling with local information, this is the perfect guide for food travelers today. With Authentic Food Quest Argentina, get ready for your most delicious and memorable trip ever

This open access book revisits the theoretical foundations of urban planning and the application of these concepts and methods in the context of Southern countries by examining several case studies from different regions of the world. For instance, the case of Koudougou, a medium-sized city in one of the poorest countries in the world, Burkina Faso, with a population of 115.000 inhabitants, allows us to understand concretely which and how these deficiencies are translated in an African urban context. In contrast, the case of Nueve de Julio, intermediate city of 50.000 dwellers in the pampa Argentina, addresses the new forms of spatial fragmentation and social exclusion linked with agro export and crisis of the international markets. Case studies are also included for cities in Asia and Latin America. Differences and similarities between cases allow us to foresee alternative models of urban planning better adapted to tackle poverty and find efficient ways for more inclusive cities in developing and emerging countries, interacting several dimensions linked with high rates of urbanization: territorial fragmentation; environmental contamination; social disparities and exclusion, informal economy and habitat, urban governance and democracy.

What are the world's greatest destinations? Where are the best places to travel solo? From airport fashion to road trip rules, professional traveller Brooke Saward shows us where to go, what to do and how to get that holiday feeling without even leaving home. Full of beautiful photographs that will ignite the imagination and featuring enduring favourites like Paris, New York, and London, this is the book that will inspire you to make every day an adventure.

Take a fresh approach to Buenos Aires with this brand new Explore guide. Lavishly illustrated in full colour, this book features 14 fantastic self-guided routes, written by a local expert and packed with great insider tips. Whether you are new to the city or a repeat visitor, whatever your interests, and however long your stay, this book is the perfect companion, showing you the smartest way to link the sights and taking you beyond the beaten tourist track. All the routes come with clear, easy-to-follow full-colour maps. A 'Key Facts' box at the start of each tour highlights the recommended time

needed to enjoy it to the full, plus the distance covered and a start and end point; all this makes it simple to find the perfect tour for the time you have to spare. Try some of the hand-picked places to eat and drink and sleep, or refer to the clearly organised A-Z of practical information to get to grips with the city. Misztal and Shupe bring together theoretical and empirical studies that focus on fundamentalist social movements in North and Central America and Eastern Europe and that examine the role religion plays in determining the direction of social evolution. Each chapter emphasizes a common set of processes at work: how religious identities arise or reemerge to confront the globalization trend, how various social movements cope with pressures to conform their identities, and how the globalization trend sets in motion the antithetical reaction of the nationalistic/religious dialectic that it was thought to have eliminated. Part memoir and part philosophical look at why we travel, filled with stories of Matt Kepnes' adventures abroad, an exploration of wanderlust and what it truly means to be a nomad. "Matt is possibly the most well-traveled person I know...His knowledge and passion for understanding the world is unrivaled, and never fails to amaze me." —Mark Manson, New York Times bestselling author of The Subtle Art of Not Giving a F*ck Ten Years a Nomad is New York Times bestselling author Matt Kepnes'

poignant exploration of wanderlust and what it truly means to be a nomad. Part travel memoir and part philosophical look at why we travel, it is filled with aspirational stories of Kepnes' many adventures. New York Times bestselling author of How to Travel the World on \$50 a Day, Matthew Kepnes knows what it feels like to get the travel bug. After meeting some travelers on a trip to Thailand in 2005, he realized that living life meant more than simply meeting society's traditional milestones, such as buying a car, paying a mortgage, and moving up the career ladder. Inspired by them, he set off for a year-long trip around the world before he started his career. He finally came home after ten years. Over 500,000 miles, 1,000 hostels, and 90 different countries later, Matt has compiled his favorite stories, experiences, and insights into this travel manifesto. Filled with the color and perspective that only hindsight and self-reflection can offer, these stories get to the real questions at the heart of wanderlust. Travel questions that transcend the basic "how-to," and plumb the depths of what drives us to travel — and what extended travel around the world can teach us about life, ourselves, and our place in the world. Ten Years a Nomad is for travel junkies, the travel-curious, and anyone interested in what you can learn about the world when you don't have a cable bill for a decade or spend a month not wearing shoes living on the beach in Thailand.

How to Think and Do Better Cities in the Global South

A Quiet Flame

'A highly original, piercingly beautiful work, full of beautiful shocks... I felt like a door had been kicked open in my brain' Johanna Thomas-Corr, Observer
A woman searches Buenos Aires for the paintings that are her inspiration and her refuge. Her life -- she is a young mother with a complicated family -- is sometimes overwhelming. But among the canvases, often little-known works in quiet rooms, she finds clarity and a sense of who she is . . . 'I was reminded of John Berger's Ways of Seeing, enfolded in tender and exuberant personal narratives' Claire-Louise Bennett
'This woman-guide, who goes from Lampedusa to The Doors with crushing elegance, is unforgettable' Mariana Enriquez
'A dazzling combination of memoir, fiction and art book, like nothing you've ever read before' Elle

This book examines the emerging and shifting issues in the field of gay tourism, how these relate to significant societal and technological changes and the implications of these changes for theory, policy and practice. It addresses the political and sociocultural discourses evident within gay tourism consumption and explores the conceptualisations of gay tourism within the contexts of tourist profiles and identities. While gay travel research has been dominated by Western perspectives and traditions, this book incorporates voices from non-Western perspectives and cultures. The volume investigates the value of gay tourism that facilitates our engagement with tourism experiences, leisure opportunities and pleasure. It will be a useful resource for

students, lecturers and researchers in tourism, human geography, cultural studies and sociology.

Sophisticated and sexy, Buenos Aires really is the Paris of South America . Buenos Aires Like a Local is an invaluable guide to tango, futbol, shopping, gourmet cuisine and beautiful architecture. Peter Greenberg, America s well-respected travel expert and Chief Contributing Editor of the series, shares insider insights and touring tips gleaned from his extensive experience in the travel industry, while Michelin star ratings point out the most interesting sights for every neighborhood, atmospheric places to stay, elegant cafes, established milongas (dance halls), in vogue nightspots and the very best designer boutiques."

A funny and poignant account of life in Buenos Aires, by a young prize-winning writer. In 1993 Miranda France moved to South America, drawn to Buenos Aires as the intellectual hub of the continent, with its wealth of writers and its romantic, passionate and tragic history. She found that it was all these things, but it was also a terrible place to live. The inhabitants of Buenos Aires are famously unhappy. All over South America they are known for their arrogance, their fixation of Europe and their moodiness. Very soon, Miranda France encounters 'bronca' - the simmering and barely controllable rage that is a staple feature of life in the Argentinian capital. She finds that 'bronca' has deep roots: the violence and racism of the first European settlers; the dictatorships, especially in the 1970s when so many 'disappeared'; even Evita Peron, for there was no rage to rival Evita's.

Third Edition: Travel Cheaper, Longer, Smarter

Essays that explore new ways of living with technological change Every year since 1968 the Socialist Register has offered a fascinating survey of movements and ideas from the independent new left. This year's edition asks readers to explore just how we need to live with new technologies. Essays in this 57th Socialist Register reveal the contradictions and dislocations of technological change in the twenty-first century. And they explore alternative ways of living: from artificial intelligence (AI) to the arts, from transportation to fashion, from environmental science to economic planning. Greg Albo - Post-capitalism: Alternatives or detours? Nicole Aschoff and Pankaj Mahta - AI-deology: Science, capitalism and the dream of a 'people's AI' Hugo Radice - There is nothing artificial about AI: Labour, class, utopia, socialism Larry Lohman - Interpretation machines: Contradictions of digital mechanization in twenty-first century capitalism Robin Hahnel - Democratic socialist planning: Against, with and beyond the new technologies Tanner Mirrlees - Platform socialists in the age of digital capitalism Derek Hrynyshyn - Imagining information socialism Bryan Palmer - Capitalism and the clock: Time's meaning in the struggle for socialism S. Sweeney and John Treat - Shifting gears: Labour strategies for low-carbon public transport mobility Adam Greenfield - Smart cities, technological traps, democratic possibilities Christoph Hermann - The consequences of commodification: Contours of a post-capitalist society Joan Sangster - The surveillance of service labour: Conditions and possibilities of resistance Jeronimo Montero Bressan - Beyond neoliberal fashion: Imagining clothing

production as a human need Massimiliano Mollona - Art/Commons: Art collectives and
post-capitalist imagination Ingar Solty - The world of tomorrow: Scenarios for our future
between demise and hope

Sprawling and strange, magical and melancholy, continually veering between triumph and
disaster, Buenos Aires is an alluring city. Written entirely by residents, Time Out Buenos
Aires casts an independent and critical eye on the places, people and culture that have
made this metropolis great and the contemporary trends that are conspiring to make it great
again. Looking beyond the 'Paris of South America' clichés, we make sense of the confusing jumble
of influences that is Buenos Aires' trademark: its century-old cafés and world-famous
squares; its word-of-mouth bars and backstreet bistros; its late night tango salons and
cutting-edge all-night clubs; its prestigious cultural landmarks and improvised warehouse galleries
where the comforts of tradition rub up against the shock of the new. Honest, detailed and
informative, Time Out Buenos Aires is the perfect companion for the modern traveler.

Are you excited about planning your next trip? Do you want to try something new? Would you like some guidance from a local? If you answered yes to any of these questions, then this Greater Than a Tourist book is for you. Greater Than a Tourist-Buenos Aires, Argentina by Arnoldo Rodriguez offers the inside scoop on Buenos Aires. Most travel books tell you how to travel like a tourist. Although there is nothing wrong with that, as part of the Greater Than a Tourist series, this book will give you travel tips from someone who has lived at your next travel destination. In these pages, you will discover advice that will help you throughout your stay. This book will not tell you exact addresses or store hours but instead will give you excitement and knowledge from a local that you may not find in other smaller print travel books. Travel like a local. Slow down, stay in one place, and get to know the

people and the culture. By the time you finish this book, you will be eager and prepared to travel to your next destination. Inside this travel guide book you will find: Insider tips from a local. A bonus book 50 Things to Know About Packing Light for Travel by bestselling author Manidipa Bhattacharyya. Packing and planning list. List of travel questions to ask yourself or others while traveling. A place to write your travel bucket list.

Buenos Aires, Argentina, recognized for its European-style architecture and lively theater scene, is a truly special place. The second-largest city in South America, it has been the home of such renowned cultural and historical figures as Jorge Luis Borges and Astor Piazzola, Che Guevara and Eva Peron. Like every truly great city, New York, London and Prague; Buenos Aires is its own universe, with its own center of gravity, its own scents and flavors, its own architectural signature-in short, its own way of being. From San Telmo's oak-paneled restaurants and brightly tiled apothecaries from 1900, and the phantasmagoric Beaux Arts palaces along Avenida Alvear and Plaza San Martin, to the parks of Palermo and the bustling bars and cafes along Corrientes and LaValle, Buenos Aires is steeped in exotic culture and history. In Buenos Aires, Art and culture critic James Gardner offers a colorful biography of the "Paris of the South," from its origins and time as a colonial city, through its Golden age, the rise of Peron, and the Falklands War, to the present day. With entertaining asides about art, architecture, literature, food and dance, as well as local customs and colorful personalities, this is a rich and unique historical narrative of Buenos Aires.

The Rough Guide to Argentina

The Rough Guide to Argentina is the definitive guide to this staggeringly diverse country. This updated fourth edition will effortlessly guide you through the country with in-depth coverage on eating and drinking, accommodation and transportation, plus the clearest maps available of any guide. The introductory section introduces Argentina's highlights from the sparkling emeralds and turquoise waters of the seven lakes, to climbing Acongagua and dolphin-spotting at Puerto Deseado. All areas are covered; from cosmopolitan Buenos Aires to the remote Argentine archipelago of Tierra del Fuego. The Rough Guide to Argentina also includes informed descriptions of the country's varied landscapes, from the pampas to Patagonia, plus practical advice on the best places for hiking, climbing, ski and rafting. Finally, the guide explores the country's rich history and culture; including detailed information on everything from the ascendancy of Eva Peron to its Jesuit architecture. Make the most of your time with The Rough Guide to Argentina.

***UPDATED 2017 EDITION* New York Times bestseller! No money? No problem. You can start packing your bags for that trip you've been dreaming a lifetime about. For more than half a decade, Matt**

Kepnes (aka Nomadic Matt) has been showing readers of his enormously popular travel blog that traveling isn't expensive and that it's affordable to all. He proves that as long as you think out of the box and travel like locals, your trip doesn't have to break your bank, nor do you need to give up luxury. How to Travel the World on \$50 a Day reveals Nomadic Matt's tips, tricks, and secrets to comfortable budget travel based on his experience traveling the world without giving up the sushi meals and comfortable beds he enjoys. Offering a blend of advice ranging from travel hacking to smart banking, you'll learn how to:

- * Avoid paying bank fees anywhere in the world**
- * Earn thousands of free frequent flyer points**
- * Find discount travel cards that can save on hostels, tours, and transportation**
- * Get cheap (or free) plane tickets**

Whether it's a two-week, two-month, or two-year trip, Nomadic Matt shows you how to stretch your money further so you can travel cheaper, smarter, and longer.

Buenos Aires is a city of fascinating contrasts. The most southerly of the world's great metropolises, it absolutely dominates the Argentine urban system, but is relatively isolated from the rest of Latin America and the global economic and political system. The archetypal elegance and social sophistication of "the Paris of the South" is set against problems of poor housing, social deprivation and suburban sprawl. As Argentina struggles to maintain a democracy, the future stability of the region depends on how this vital, varied and vulnerable city comes to terms with the need to restructure in the face of economic, environmental and demographic crises. The examination of restructuring processes in Buenos Aires is organised around four major themes: economic change, accessibility and mobility, environmental impacts and cultural adjustments. The book begins with an overview of the city's four hundred year history which forms the basis for an examination of the contemporary urban landscape. This leads to an analysis of local politics in relation to planning and housing policies which is followed by a consideration of changes in the city's economic structures and an examination of Buenos Aires' national, regional and global transport links. The book then turns to a detailed look at the city's urban transport networks and surveys the city's green spaces, environmental problems and health care systems. It also provides a detailed analysis of the cultural geography of Buenos Aires and the implications for the "Latin-Americanizing" of a city that was traditionally the most European of the South American cities. The book concludes with some suggestions for future planning policies in Buenos Aires. David J. Keeling provides a highly illustrated and authoritative portrait of a major World City. It is essential reading for students of urban and regional geography, Latin American specialists of all disciplines and social scientists

interested in urban issues.

Discusses the best places to visit in Buenos Aires from a cultural and historical point of view, and identifies the best shopping centers, nightlife spots, restaurants, and accommodations the city has to offer.
