

## Buffy The Vampire Slayer Omnibus Vol 2 Joss Whedon

The definitive comics collection of all things Buffy starts here. This first massive volume begins at the beginning—The Origin, a faithful adaptation of creator Joss Whedon’s original screenplay for the film that started it all. The newly chosen Slayer’s road to Sunnydale continues in Viva Las Buffy and Slayer, Interrupted. Next, Sunnydale, the Scoobies, and an English librarian lead the way into Season 1 continuity. Plus, The Goon creator Eric Powell provides pencils to All’s Fair, featuring Spike and Drusilla at the 1933 World’s Fair. The smash TV hit Buffy the Vampire Slayer led to nearly a decade of comics at Dark Horse—including multiple specials, one-shots, and guest miniseries. This omnibus series is the ultimate compilation of the Buffy comics Dark Horse has published, and runs along the TV series’ timeline. A fitting companion to Whedon’s comics-based relaunch of the show.

On a summer vacation with Willow and Tara, Buffy’s younger sister Dawn finds herself drawn into a bitter argument between locals and loggers over the destruction of a nearby forest. But when a logger is found dead - in extremely mysterious circumstances - Willow and Tara realise that there’s magic at work, and resolve to investigate.....leading them deep into the woods, and to a terrifying encounter with a forest demon who’s decided it’s time to fight back against the tree-cutters Now Willow and Tara will need to use all their wits - and their magical abilities - to prevent all out war, not to mention looking after Dawn This collection also includes the one-shot story WannaBlessedBe and a short story from Dark Horse Extra

Buffy’s emotions run high after the tragic loss of her mother, but she still fights. She struggles with blood-starved vamps from another dimension and swarms of green demon children with a penchant for nibbling on faces, and, as barriers between alternate realities erode, nightmare versions of friends and long-dead enemies must be dealt with. Then Buffy’s own death — having sacrificed herself for Dawn — takes a toll on the Scoobies, as they deal with demons and crazed forest creatures in a tale by Amber Benson (“Tara”) and Christopher Golden. When Buffy is restored to life, she undertakes a secret mission with Angel, and all the loose ends are tied up with Buffy’s trip to hell, bringing an end to an amazing four-year run of Buffy comics.
\* The Buffy Omnibus books collect the earliest Buffy comics and are an excellent precursor to Joss Whedon’s Buffy the Vampire Slayer Season Eight series.
\* “There’s plenty of humor and action here. Lots of strange (and strangely fun) violence. And, for Slayer fans, Omnibus is an opportunity to run down memory lane and relive those early, exciting Slayer days.” — comicbookbin.com

This is the Buffy Summers you know, who wants what every average teenager wants: friends at her new school, decent grades, and to escape her imposed destiny as the next in a long line of vampire slayers tasked with defeating the forces of evil...only this time around, her world looks a lot more like the one outside your window. Eisner Award-Winner Jordie Bellaire (Redlands), along with series creator Joss Whedon (Marvel’s The Avengers), bring Buffy into a new era with new challenges, new friends, and a few enemies you might already recognize. But the more things change, the more they stay the same as the Gang faces brand-new Big Bads, and the threat lurking beneath the perfectly manicured exterior of Sunnydale High confirms what every teenager has always known: high school truly is hell.
