were they?

Inspired by a true  
story, Cipher

the lives of twin  
sisters Lucy and  
Darcy, piecing  
together their lives  
from family stories,  
legends, and pure  
conjecture. We

can only learn  
about them from  
stories of people  
who met them in  
passing, knew  
them well, crossed

This is a collection  
of tales about two  
lives in abstract,  
filled with love,  
dedication, anger,

nobody, decides to

it, he will have to forge a shady alliance with both the politicians of the City of New York and some of its less savory entrepreneurs. But all of his back-alley dealing may amount to nothing if he can't stave off the fast-moving

Times Adjustment Day is an ingenious darkly comic work in which Chuck Palahniuk does what he does best: skewer the absurdities in our society. Geriatric politicians bring the nation to the brink of a third world war to control the

With the success of  
Fight Club, his novel-

Palahniuk has  
become noticed for  
accurately capturing  
the exploitation of  
power in America in  
the 21st century.  
With cynicism and  
skepticism, he  
satirizes the

manipulative aspects of ideologies and beliefs pushing society's understanding of the norm. In this work, Palahniuk's characters are analyzed as people who rebel against the systems in control. Mikhail Bakhtin's theory is
