straight-to-the-point manner. It outlines

the basic principles of writing a  
marketing plan and presents an  
overarching framework that  
encompasses the plan's essential  
components. A distinct characteristic  
of this book is its emphasis on  
marketing as a value-creation process.

Because it incorporates the three  
aspects of value  
management—managing customer  
value, managing collaborator value,  
and managing company value—the  
marketing plan outlined in this book is  
relevant not only for business-to-  
consumer scenarios but for business-
