This is a 22-chapter, abbreviated version of **Business Law Today: Text, Summarized Cases, Legal, Ethical, Regulatory, and International Environment, 4e**. This version, however, uses hypothetical examples instead of cases to illustrate legal issues as they apply to business. Many features focus on the global, political, ethical, social, environmental, and cultural context of business law. The **Guide to Personal Law**, included as an appendix, covers practical aspects of law such as family law, jury duty, housing law, and other topics. Two new pedagogical features emphasize technology and the Internet. Key content changes include the integration of material on lease contracts and Article 2A throughout all sales chapters, as well as the revision of negotiable instruments material to reflect law based on Revised Articles 3 and 4.

BUSINESS LAW TODAY: COMPREHENSIVE immerses students in the excitement of cutting-edge business law with a wide selection of intriguing new cases and thorough coverage of the latest developments in the field. The Ninth Edition of this successful textbook makes the study of business law appealing and relevant for today's students without sacrificing the legal credibility and comprehensive coverage that have made the text a trusted favorite among instructors. Each chapter's visually engaging, time-tested learning tools illustrate how law is applied to real-world business problems and how landmark cases, statutes, and other laws are having a significant impact on the way businesses operate both within the United States and across the globe. **Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.**
