Research
Paper Ideas

Graduate research is a complicated process, which many undergraduate students aspire to undertake. The complexity of the

Online Library

Business

Research Paper

Ideas
process can lead to failures for even the most brilliant students. Success at the graduate research level requires not only a high level of intellectual ability but also a high level of project management skills. Unfortunately, many

Online Library

Business

Research Paper

Ideas

graduate students
have trouble
planning and
implementing their
research. Project
Management for
Research: A Guide
for Graduate
Students reflects the
needs of today's
graduate students.
All graduate
students need

Online Library
Business
Research Paper
Ideas

mentoring and management guidance that has little to do with their actual classroom performance.

Graduate students do a better job with their research programs if a self-paced guide is available to them.

This book provides

Online Library Business Research Paper Ideas

such a guide. It covers topics ranging from how to select an appropriate research problem to how to schedule and execute research tasks. The authors take a project management approach to planning and

Online Library
Business
Research Paper
Ideas

implementing
graduate research
in any discipline.

They use a
conversational tone
to address the
individual graduate
student. This book
helps graduate
students and
advisors answer
most of the basic
questions of

Online Library
Business
Research Paper
Ideas

conducting and presenting graduate research, thereby alleviating frustration on the part of both student and advisor. It presents specific guidelines and examples throughout the text along with more detailed examples in

Online Library
Business
Research Paper
Ideas

reader-friendly
appendices at the
end. By being more
organized and
prepared to handle
basic research
management
functions, graduate
students, along with
their advisors, will
have more time for
actual intellectual
mentoring and

Research Paper

Ideas

epistemology whose
relevance I argued
in my first edition
and continue to
emphasize in
Chapter 6 of the
present. The
appreciation of
qualitative
approaches to the
understanding of
organizational life
has increased

Online Library

Business

Research Paper

Ideas

during the last four years, approaches seen as complementary to quantitative analysis by many, a substitute by some. The appearance of the second edition of Miles and Huberman (1994) indicates the growing importance

Online Library
Business
Research Paper
Ideas

attached to qualitative analysis by many management researchers, and I have mentioned some of the techniques they advocate at relevant points in Part Three of this book, without attempting, or indeed being able,

Online Library

Business

Research Paper

Ideas

to replicate their magnificent work. Discourse analysis, biography and hermeneutic analysis are among the recent approaches to which pointers are provided in Part Three. Similarly, the value of arguing a case, rather than

Online Library

Business

Research Paper

Ideas

testing a thesis, has been emphasized for some forms of Diploma and MBA work: see section 6.4.

Despite the pharmaceutical industry's notable contributions to human progress, including the development of

Online Library

Business

Research Paper

Ideas

miracle drugs for treating cancer, AIDS, and heart disease, there is a growing tension between the industry and the public. Government officials and social critics have questioned whether the multibillion-dollar industry is fulfilling

Online Library
Business
Research Paper
Ideas

its social responsibilities. This doubt has been fueled by the national debate over drug pricing and affordable healthcare, and internationally by the battles against epidemic diseases, such as AIDS, in the developing world.

Online Library

Business

Research Paper Ideas

Debates are raging over how the industry can and should be expected to act. The contributions in this book by leading figures in industry, government, NGOs, the medical community, and academia discuss and propose

Online Library

Business

Research Paper

Ideas

solutions to the ethical dilemmas of drug industry behavior. They examine such aspects as the role of intellectual property rights and patent protection, the moral and economic requisites of research and clinical trials, drug

50 Best Business

Ideas from the past

50 years

The Innovator's

DNA

In recent years an extensive range of new research has been revisiting the topic of the location of international business

Online Library

Business

Research Paper

activities, from a variety of different perspectives and background interests. This work has been inspired in part by two apparently quite different but actually related contemporary trends: on the one hand, an

Online Library

Business

Research Paper

Ideas

emergence or revitalization of clusters of activities co-located in or around selected global city regions or fast growing metropolitan areas; and on the other hand, an increased global dispersion of

activities conducted within the value chains managed or coordinated by many large multinational enterprises and their business partners. The former trend has given rise to discussions of

Online Library

Business

Research Paper

Ideas

how the elite of the cultural-cognitive economy of the 21st century (in Allen Scott's terminology) or the creative class (Richard Florida's term) are now being drawn or brought back to major urban centers; while the

Online Library

Business

Research Paper

Ideas

latter trend is associated with debates over outsourcing, and the economic and social consequences of shifts in the ownership and location of distinct nodes of value chains once production

systems become more fragmented and the component parts of such systems become more geographically dispersed. An increased interest in the subject of international business location has been shown

Ideas

These are just some of the external challenges to labour law.

There is also an internal challenge, as labour lawyers themselves increasingly question whether their discipline is conceptually coherent, relevant to the new

Online Library

Business

Research Paper

Ideas

empirical realities of the world of work, and normatively salient in the world as we now know it. This book responds to such fundamental challenges by asking the most fundamental questions: What is labour law for? How can it be

Online Library

Business

Research Paper

Idea

justified? And what are the normative premises on which reforms should be based? There has been growing interest in such questions in recent years. In this volume the contributors seek to take this body of scholarship seriously and also

Online Library
Business
Research Paper
Ideas

to move it forward.

Its aim is to provide, if not answers which satisfy everyone, intellectually nourishing food for thought for those interested in understanding, explaining and interpreting labour laws - whether they are scholars,
