Marty Strauss, a gambling addict recently released from prison, is hired to be the personal bodyguard of Joseph Whitehead, one of the wealthiest men in the world. The job proves more complicated and dangerous than he thought, however, as Marty soon gets caught up in a series of supernatural events involving Whitehead, his daughter (who is a heroin addict), and a devilish man named Mamoulian, with whom Whitehead made a Faustian bargain many years earlier, during World War II. As time passes, Mamoulian haunts Whitehead using his supernatural powers (such as the ability to raise the dead), urging him to complete his pact with him. Eventually Whitehead decides to escape his fate after a few encounters with Mamoulian and having his wife, former bodyguard, and now his daughter Carys taken away from him. With hope still left to save Carys, Marty Strauss, although reluctant to get involved in the old man Whiteheads deserved punishment, decides to get involved and attempt to save the innocent gifted addict from being another victim to the damnation game

Best-selling horror novelist Clive Barker’s 1987 film Hellraiser has become an undisputed horror classic, spawning a movie franchise that to date includes eight films. Exploring not only the cinematic interpretations of the Hellraiser mythos but also its intrusion into other artistic and cultural forms, this volume begins by identifying the unconventional sources of Barker’s inspiration and following Barker from his pre-Hellraiser cinematic experience through the filming of the horror classic. It examines various themes (such as the undermining of the traditional family unit and the malleability of the flesh) found throughout the film series and the ways in which the representation of these themes changes from film to film. The religious aspects of the films are also discussed. Characters central to the franchise—and the mythos—are examined in detail.

One of the greatest horror franchises of all time returns, now under the control of its original creator! Clive Barker has touched Hellraiser only twice: once to write The Hellbound Heart, and once more to write and direct the original Hellraiser film. Now witness Barker’s long-awaited return to tell a new chapter in the series’ official continuity – a trajectory that will forever change the Cenobites and Pinhead! Volume 1 collects issues #1-4, Volume 2 collects issues #5-8.

The story with more fame of Clive Barker. A great novel, as a great film.

There is a price to be paid, of course, but young Harvey Swick, bored with his life and beguiled by Mr. Hood’s wonders, does not stop to consider the consequences. It is only when the House shows it’s darker face — when Harvey discovers the pitiful creatures that dwell in its shadows — that he comes to doubt Mr. Hood’s philanthropy. The House and its mysterious architect are not about to release their captive without a battle, however. "Maggie understands that splatter for splatter’s sake is boring. Psychopathy is boring. Coldness is boring. She’s interested in feeling, and when her stories turn violent (as they frequently do), it’s with a surreal emotional barbarity that distorts the entire world. You can mop up blood with any fabric. Maggie’s concern is with the wound left behind, because the wound never leaves-it haunts. As a result, each of these stories leaves a wound of its own. Some weep, watching as you try (and fail) to recover. Others laugh. But never without feeling."

-B.R. Yeager, author of Negative Space "And once finished, I felt like my tongue had been misplaced, guts heavy and expanded ... gums numb with a tongue that’d been put elsewhere, my mouth clean around a pipe weaving up through pitch and shadow ... and well past ready, primed for delight, waiting but knowing I had already been filled to skin; crying shit, hearing piss, fingernails seeping bile, pores dribbling blood, soles stopping off and out to meet a drain mid-floor ..." -Christopher Norris, author of Hunchback '88

Visions Of Heaven And Hell is a message of meditation based on the Bible and written by John Bunyan (November 30, 1628 – August 31, 1688) was an English writer and Puritan preacher best remembered as the author of the Christian allegory The Pilgrim’s Progress. In addition to The Pilgrim’s Progress, Bunyan wrote nearly sixty titles, many of them expanded sermons. Bunyan came from the village of Elstow, near Bedford. He had some schooling and at the age of sixteen joined the Parliamentary Army during the first stage of the English Civil War. After three years in the army he returned to Elstow and took up the trade of tinker, which he had learned from his father. He became interested in religion after his marriage, attending first the parish church and then joining the Bedford Meeting, a nonconformist group in Bedford, and becoming a preacher. After the restoration of the monarch, when the freedom of nonconformists was curtailed, Bunyan was arrested and spent the next twelve years in jail as he refused to give up preaching. During this time he wrote a spiritual autobiography, Grace Abounding to the Chief of Sinners, and began work on his most famous book, The Pilgrim’s Progress, which was not published until some years after his release. Bunyan’s later years, in spite of another shorter term of imprisonment, were spent in relative comfort as a popular author and preacher, and pastor of the Bedford Meeting. He died aged 59 after falling ill on a journey to London and is buried in Bunhill Fields. The Pilgrim’s Progress became one of the most published books in the English language; 1,300 editions having been printed by 1938, 250 years after the author’s death. He is remembered in the Church of England with a Lesser Festival on 30 August, and on the liturgical calendar of the United States Episcopal Church on 29 August. Some other churches of the Anglican Communion, such as the Anglican Church of Australia, honour him on the day of his death (31 August).
