Hemodynamics and Cardiology, a volume in Dr. Polin's Neonatology: Questions and Controversies Series, offers expert authority on the toughest cardiovascular challenges you face in your practice. This medical reference book will help you provide better evidence-based care and improve patient outcomes with research on the latest advances. Reconsider how you handle difficult practice issues with coverage that addresses these topics head on and offers opinions from the leading experts in the field, supported by evidence whenever possible. Find information quickly and easily with a consistent chapter organization. Get the most authoritative advice available from world-class neonatologists who have the inside track on new trends and developments in neonatal care. Stay current in practice with coverage on issues such as the clinical implications of near-infrared spectroscopy in neonates, MRI imaging and neonatal hemodynamics, and hybrid management techniques for congenital heart disease.

The Alcalde

Wallace's Year-book of Trotting and Pacing in ...

Well known for his sketches, paintings, and sculptures of the Old West, Charles M. Russell (1864-1926) was also an accomplished author in the humorous genre known as "local color." Raphael Cristy sorts Russell's writings into four general categories: serious Indian stories, men encountering wildlife, cattle range characters, and nineteenth-century westerners facing twentieth-century challenges. Russell's art is often misinterpreted as mere longing for a fading open-range west, but his writings tell a different story. Cristy shows how Russell amused his peers with stories that also delivered sharp observations of Euro-American suppression of Indians and humorous treatment of wilderness and range issues plus the emergence of women and urbanization as bewildering agents of change in the modern West. "A welcome departure from the usual biographies and coffee table volumes on Russell and his art. . . . [Cristy] deals with an important, yet relatively unexplored, aspect of the career of one of the most influential interpreters of the American West." --Byron Price, Director, C. M. Russell Center for the Study of Art

A Bibliography of the Published Works of Charles M. Russell

This first comprehensive biography of Charles M. Russell examines the colorful life and times of Montana's famed Cowboy Artist. Born to an affluent St. Louis family in 1864, young Russell read thrilling tales of the West and filled sketchbooks with imagined frontier scenes. At sixteen he left home and headed west to become a cowboy. In Montana Territory he consorted with cowpunchers, Indians, preachers, saloon keepers, and prostitutes, while celebrating the waning American frontier's glory days in some 4,000 paintings, watercolors, drawings, and sculptures. Before his death in 1926, Russell saw the world change dramatically, and the West he loved passed into legend. By then he was revered as one of the country's ranking Western artist with works displayed in the finest galleries, his romantic vision of the Old West forever shaping our own. Tallafiero reveals the man behind the myth in his multifaceted complexity: extraordinarily gifted, self-effacing, charming, mischievous, and playful, a friend to rough frontier denizens and Hollywood stars alike. The author also explores Russell's controversial partnership with his fiery young wife, Nancy, whose ambition and business savvy helped establish Russell as one of America's most popular artists.

The CMR Book

From boudoirs to brothels, historian Michael Rutter takes you into the intimate world of the Wild West's women of the night. Eighteen richly researched biographies reveal the tricks and torments of the trade, with fascinating sidebars on venereal diseases (and dire "cures"), children of prostitutes, a floating brothel, and hog ranches.

Boudoirs to Brothels

As the magazine of the Texas Exes, The Alcalde has united alumni and friends of The University of Texas at Austin for nearly 100 years. The Alcalde serves as an intellectual crossroads where UT's luminaries - artists, engineers, executives, musicians, attorneys, journalists, lawmakers, and professors among them - meet bimonthly to exchange ideas. Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater. The magazine's unique name is Spanish for "mayor" or "chief magistrate"; the nickname of the governor who signed UT into existence was "The Old Alcalde."
