

C S Lewis On Love

Provides three complete works and selections from Lewis's autobiography, adult fiction, religious and philosophical writings, criticism, poetry, and letters

A classic study of the allegorical power of love in literature, traced through the medieval and Renaissance periods.

Published in 1919 when Lewis was only twenty, these early poems give an insight into the author's youthful agnosticism. The poems are written in various metrical forms, but are unified by a central idea, expressing his conviction that nature was malevolent and beauty the only true spirituality. Preface by Walter Hooper.

Part memoir and part guidebook, *Share Your Stuff. I'll Go First.* is the invitation you've been waiting for to show up with your whole self and discover the intimate, meaningful friendships you long for. In spite of the hyper-connected culture we live in today, women still feel shamed for oversharing and being publicly vulnerable. And no matter how many friends we seem to have, many of us are still desperately lonely. Laura Tremaine, blogger and podcaster behind *10 Things To Tell You*, says it's time for something better. Openness and vulnerability are the foundation for human growth and healthy relationships, and it all starts when we share our stuff, the nitty-gritty daily details about ourselves with others. Laura has led the way in her personal life with her popular blog and podcast, and now with lighthearted self-awareness, a sensitivity to the important things in life, and compelling storytelling, Laura gives you the tools to build and deepen the conversations happening in your life. Laura's stories about her childhood, her complicated shifts in faith and friendships, and her marriage to a Hollywood movie director will prompt you to identify the beautiful narrative and pivotal milestones of your own life. Each chapter offers intriguing and reflective questions that will reveal unique details and stories you've never thought to tell and will guide you into cultivating the authentic connection with others that only comes from sharing yourself. So let's get started! *Share Your Stuff. I'll Go First.*

C. S. Lewis' Letters to Children

The Screwtape Letters (Enhanced Special Illustrated Edition)

Weight of Glory

Surprised by Joy

Reflections on the Psalms

The Love Story of C. S. Lewis and Joy Davidman

Compares and contrasts the beliefs of two famous thinkers, Sigmund Freud and C.S. Lewis, on topics ranging from the existence of God and morality to pain and suffering.

C.S. Lewis wrote many great words, but not everything you see with his name on it is from the famed author of the Narnia books. Seventy-five quotations are presented that have an association in one way or another with a host of names, including: Ryan Seacrest, Anthony Hopkins, Max Lucado, Rick Warren, and Tim Allen! Learn the three most common ways Lewis is misrepresented: 1.Falsely Attributed Quotes: Expressions that are NOT by him. 2.Paraphrased: Words that are ALMOST what he said. 3.Out of Context: Material he wrote, but are NOT QUITE what he believed. This book doesn't stop there. Also discover what Lewis actually said that is related to the presented misquotes. Those new to Lewis and the more serious reader of his

works will grow in their appreciation of a writer that is not only quotable, but obviously misquotable!

"Broadcast Talks" by C. S. Lewis. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. Seven Spiritual Masterworks by C. S. Lewis This classic collection includes C. S. Lewis's most important spiritual works: Mere Christianity The Screwtape Letters The Great Divorce The Problem of Pain Miracles A Grief Observed The Abolition of Man Rhyming text and colorful illustrations enhance a charming bedtime picture book based on a popular spiritual. By the author of Cha-Cha Chimps.

A revised and amplified edition, with a new introduction, of the three books "Broadcast Talks," "Christian Behaviour," and "Beyond Personality" by the acclaimed author of "The Chronicles of Narnia."

We were created by an infinitely creative God to reflect his love and character to the world. One way we do that is by continuing his creative work. In this energizing book, serial entrepreneur and bestselling author Jordan Raynor helps artists, entrepreneurs, writers, and other creatives reimagine our work as service to God and others, addressing such penetrating questions as - Is my work as a creative really as God-honoring as that of a pastor or missionary? - What does it look like to create not to make a name for myself but to glorify God and serve others? - How can I use my work to fulfill Jesus's command to create disciples? - Will what I make today matter in eternity? To answer these questions, Raynor shares compelling stories from an eclectic group of 40+ Christian entrepreneurs, including the founders of TOMS Shoes, Charity: Water, Chick-fil-A, In-N-Out Burger, Guinness, HTC, and Sevenly, as well as nontraditional entrepreneurs such as C. S. Lewis, Johann Sebastian Bach, and J. R. R. Tolkien. Raynor's "show" rather than "tell," story-driven style makes you feel as if you are sitting at the feet of some of the godliest and most successful entrepreneurs of all time. Perfectly poised to reach today's growing creative class, this unique work restores God's position as the first entrepreneur, helping readers see the eternal value in the work they do today.

The Shape of My Early Life

A Biblical Invitation to Create, Innovate, and Risk

What He Didn't Say, What He Actually Said, and Why It Matters

Hunting Magic Eels

A repackaged edition of the revered author's spiritual memoir, in which he recounts the story of his divine journey and eventual conversion to Christianity. C. S. Lewis—the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and bestselling author of Mere Christianity, The Screwtape Letters, The Great Divorce, The Chronicles of Narnia, and many other beloved classics—takes readers on a spiritual journey through his early life and eventual embrace of the Christian faith. Lewis begins with his childhood in Belfast, surveys his boarding school years and his youthful atheism in England, reflects on his experience in World War I, and ends at Oxford, where he became "the most dejected and reluctant convert in all England." As he recounts his lifelong search for joy, Lewis demonstrates its role in guiding him to find God.

"Lewis struck me as the most thoroughly converted man I ever met," observes Walter Hooper in the preface to this collection of essays by C.S. Lewis. "His whole vision of life was such that the natural and the supernatural seemed inseparably combined. "It is precisely this pervasive Christianity which is demonstrated in the forty-eight essays comprising God in the Dock. Here Lewis addresses himself both to theological questions and to those which Hooper terms "semi-theological," or ethical. But whether he is discussing "Evil and God," "Miracles," "The Decline of Religion," or "The Humanitarian Theory of Punishment," his insight and observations are thoroughly and profoundly Christian. Drawn from a variety of sources, the essays were designed to meet a variety of needs, and among other accomplishments they serve to illustrate the many different angles from which we are able to view the Christian religion. They range from relatively popular pieces written for newspapers to more learned defenses of the faith which first appeared in The Socratic Digest. Characterized by Lewis's honesty and realism, his insight and conviction, and above all his thoroughgoing commitments to Christianity, these essays make God in the Dock very much a book for our time.--Amazon.com.

This beautifully illustrated selection draws together some of his reflections on joy and shows the qualities of intelligence, honesty, and humility which made him such a respected teacher.

This collection brings together the best of C.S. Lewis's letters, many published for the first time. Arranged in chronological order, this final volume covers the years 1950 - the year 'The Lion, the Witch and the Wardrobe' was published - through to Lewis's untimely death in 1963. C.S. Lewis was a most prolific letter-writer and his personal correspondence reveals much of his private life, reflections, friendships and feelings. This collection, carefully chosen and arranged by Walter Hooper, is the most extensive ever published. In this great and important collection are the letters Lewis wrote to J.R.R. Tolkien, Dorothy L. Sayers, Owen Barfield, Arthur C. Clarke, Sheldon Vanauken and Dom Bede Griffiths. To some particular friends, such as Dorothy L. Sayers, Lewis wrote over fifty letters alone. The letters deal with all of Lewis's interests: theology, literary criticism, poetry, fantasy, children's stories as well as revealing his relationships with family members and friends. The third and final volume begins with Lewis, already a household name from his BBC radio broadcasts and popular spiritual books, on the cusp of publishing his most famous and enduring book, 'The Lion, the Witch and the Wardrobe', which would ensure his immortality in the literary world. It covers his relationship with Joy Davidman, subject of the film 'Shadowlands', and includes letters right up to his death on 22 November 1963, the day that John F. Kennedy was assassinated.

The Allegory of Love

A personal story of learning to trust our heavenly Father when you feel your earthly father has let you down. Blair Linne's personal story of growing up without a father at home reflects the experiences of millions. She weaves her personal story with thoughtful theological reflection, inviting readers to learn from God what "father" really means and to trust him, even if they feel their earthly father has let them down. This book will help readers to shift their eyes from what they do not have in their earthly fathers (who, whether present or absent, loving or the opposite, can never be perfect) to what they do have in their eternal Father, who will never disappoint, reject or abandon them. Readers will see that the gospel promises not just forgiveness but also a place in God's family, experienced in a local church, where they can enjoy the fullness of his fatherly joy, care, wisdom, provision, protection and security. Also includes a chapter by Blair's husband, the Christian hip-hop artist Shai, on his own story of fatherlessness and faith.

On the night in which He was betrayed, Jesus gathered with His disciples in an upper room. During those final hours with His faithful disciples, Jesus spoke words of comfort and hope, bequeathing precious gifts that would soon be theirs. This book invites you to take a seat at the table with Jesus and His disciples. Listen as Jesus speaks the words of His Last Will and Testament, and learn about the Will, the Executor, the witnesses, and the seven gifts that Jesus gives to all who come to Him in faith. As a Christian, you have already received these gifts. This book will encourage you to remember all the gifts you have received from the One who gave His all for you. Learn to live in the riches that He has given you.

A USA Today bestseller! "These well-chosen Lewis quotes will inspire readers and prompt them to make their own spiritual reflections." —Publishers Weekly
Novelist, poet, critic, lay theologian, and best-selling author of the 'Narnia' series, C. S. Lewis' works have become timeless classics for adults and children around the world. Here in one concise volume is the essence of his thought on subjects ranging from love and faith to ethics and morality and myth and literature that will throw open the windows of the soul and provide readers with bite-sized nuggets of wisdom and inspiration from one of the best-loved writers of the 20th century. This lovely little gift book will provide sustenance, wisdom, and hope for both believers and seekers. And, most importantly, it will provide an entry point for those unfamiliar with Lewis that will make them want to explore his fiction and nonfiction works. Selections from C.S. Lewis' Little Book of Wisdom: "If God had granted all the silly prayers I've made in my life, where should I be now?" "Surely arrested development consists not in refusing to lose old things, but in failing to add new things..." "Do not dare not to dare." "We are mirrors whose brightness is wholly derived from the sun that shines upon us." "I didn't go to religion to make me happy. I always knew a bottle of Port would do that. If you want a religion to make you feel really comfortable, I certainly don't recommend Christianity."

The book is concerned with questions about love: questions about its many forms, strands and aspects, and the relation in which they stand to each other. It is concerned with the way different aspects of sexual love conflict with each other, with the way self-regard and self-interest can corrupt love, and with spiritual love and its difficulties. It seeks the views of some writers who have suggested some distinctive solutions to the existential problems that love poses in the face of its obstacles: Plato, Proust, Sartre, Freud, D.H. Lawrence, Erich Fromm, C.S. Lewis, Kierkegaard, Simone Weil and Kahlil Gibran.

Now a USA TODAY and Publishers Weekly bestseller! Meet the brilliant writer, fiercely independent mother, and passionate woman who captured the heart of C.S. Lewis and inspired the books that still enchant and change us today. When poet and writer Joy Davidman began writing letters to C. S. Lewis—known as Jack—she was looking for spiritual answers, not love. Love, after all, wasn't holding together her crumbling marriage. Everything about New Yorker Joy seemed ill-matched for an Oxford professor and the beloved writer of The Chronicles of Narnia, yet their minds bonded over their letters. Embarking on the adventure of her life, Joy traveled from America to England and back again, facing heartbreak and poverty, discovering friendship and faith, and against all odds, found a love that even the threat of death couldn't destroy. In this masterful exploration of one of the greatest love stories of modern times, we meet a brilliant writer, a fiercely independent mother, and a passionate woman who changed the life of this respected author and inspired books that still enchant us and change us. Joy lived at a time when women weren't meant to have a voice—and yet her love for Jack gave them both voices they didn't know they had. At once a fascinating historical novel and a glimpse into a writer's life, *Becoming Mrs. Lewis* is above all a love story—a love of literature and ideas and a love between a husband and wife that, in the end, was not impossible at all. Praise for *Becoming Mrs. Lewis*:
“*Becoming Mrs. Lewis* deftly explores the life and work of Joy Davidman, a bold and brilliant woman who is long overdue her time in the spotlight. Carefully researched. Beautifully written. Deeply romantic. Fiercely intelligent. It is both a meditation on marriage and a whopping grand adventure. Touching, tender, and triumphant, this is a love story for the ages.” —Ariel Lawhon, *New York Times*
bestselling author of *I Was Anastasia* “Patti Callahan Henry breathes wondrous fresh life into one of the greatest literary love stories of all time . . . The result is a deeply moving story about love and loss that is transformative and magical.” —Pam Jenoff, *New York Times*
bestselling author of *The Orphan's Tale* “It's novel. And it's a very good one. . . extraordinarily accurate. . . more accurate than most biographical essays that have been written about my mother.” —Douglas Gresham, son of Joy Davidman, wife of C.S. Lewis
This expanded edition includes: Map of Oxford Expanded discussion guide with 20+ questions for book clubs Timeline of Jack's and Joy's Lives Joy's (imagined) letter to Jack 10 Things You May Not Know About Joy Davidman and C. S. Lewis's Love Story Behind-the-scenes essay: Oxford—The City
We live in a secular age, a world dominated by science and technology. Increasing numbers of us don't believe in God anymore. We don't expect miracles. We've grown up and left those fairytales behind, culturally and personally. Yet five hundred years ago the world was very much enchanted. It was a world where God existed and the devil was real. It was a world full of angels and demons. It was a world of holy wells

and magical eels. But since the Protestant Reformation and the beginning of the Enlightenment, the world, in the West at least, has become increasingly disenchanted. While this might be taken as evidence of a crisis of belief, Richard Beck argues it's actually a crisis of attention. God hasn't gone anywhere, but we've lost our capacity to see God. The rising tide of disenchantment has profoundly changed our religious imaginations and led to a loss of the holy expectation that we can be interrupted by the sacred and divine. But it doesn't have to be this way. With attention and an intentional and cultivated capacity to experience God as a living, vital presence in our lives, *Hunting Magic Eels*, shows us, we can cultivate an enchanted faith in a skeptical age.

No one ever told me that grief felt so like fear. I am not afraid, but the sensation is like being afraid. The same fluttering in the stomach, the same restlessness, the yawning. I keep on swallowing. At other times it feels like being mildly drunk, or concussed. There is a sort of invisible blanket between the world and me. I find it hard to take in what anyone says. Or perhaps, hard to want to take it in. It is so uninteresting. Yet I want the others to be about me. I dread the moments when the house is empty. If only they would talk to one another and not to me.

The Psalms were written as songs and should be read more in the spirit of lyric poetry than as doctrinal treatises or sermons. C.S. Lewis then shares, with his characteristic grace and lucidity, reflections on both the form and the meaning of select passages.

Angels Watching Over Me

A Grief Observed

C. S. Lewis' Little Book of Wisdom

The Great Divorce

Finding My Father

Broadcast Talks

Examines human love, including affection, friendship, erotic love, and the love of God, and uses sources ranging from Jane Austen to St. Augustine to argue that none of the types of love can prosper without the love of God.

Contains the text of letters that the famed author wrote to children, as he shared his feelings about school, writing, and animals, among other topics, and demonstrated his deep understanding of young people. Reprint.

In time for the 2005 release of *The Chronicles of Narnia* movie, Sibley provides the full story behind the movie *Shadowlands*.

Reveals the complex friendship between the two literary figures, noting their shared academic experiences at Oxford University, Lewis's influence on Tolkien's completion of *The Lord of the Rings*, and the differences in their temperaments and spiritual beliefs. Original.

How the Gospel Heals the Pain of Fatherlessness

10 Questions to Take Your Friendships to the Next Level

A Cycle of Lyrics

Meditations on Faith, Life, Love, and Literature

The Last Will and Testament of the Lord Jesus Christ

Becoming Mrs. Lewis

Why must humanity suffer? In this elegant and thoughtful work, C. S. Lewis questions the pain and suffering that occur everyday and how

this contrasts with the notion of a God that is both omnipotent and good. An answer to this critical theological problem is found within these pages.

A collection of essays, letters, and writings offers insights and raises questions on love, God, life, and death

Selected from sermons delivered by C. S. Lewis during World War II, these nine addresses offer guidance and inspiration in a time of great doubt. These are ardent and lucid sermons that provide a compassionate vision of Christianity.

In compelling prose, readers are drawn into an intimate encounter with the harsh realities of infidelity, of how and why it occurs and led transparently through a pathway of awakening. Decisions are made to change, and recreate, and ultimately a transformation of a broken marriage ending in divorce becomes a new relationship. Readers are inspired with hope and possibility. Life altering truths about love and modern marriage including the gifts and hidden dangers are explored. This is anchored in the compelling story of two people who choose to triumph over their individual and relationship failures. Plus, a step by step guide to dealing with infidelity and restoring a relationship completes this tale of love lost and love restored.

The Four Loves

How Great Books Shaped a Great Mind

The Problem of Pain

Recovering an Enchanted Faith in a Skeptical Age

One Couple's Journey from Infidelity to True Love

A repackaged edition of the revered author's classic work that examines the four types of human love: affection, friendship, erotic love, and the love of God—part of the C. S. Lewis Signature Classics series. C.S. Lewis—the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and bestselling author of *Mere Christianity*, *The Screwtape Letters*, *The Great Divorce*, *The Chronicles of Narnia*, and many other beloved classics—contemplates the essence of love and how it works in our daily lives in one of his most famous works of nonfiction. Lewis examines four varieties of human love: affection, the most basic form; friendship, the rarest and perhaps most insightful; Eros, passionate love; charity, the greatest and least selfish. Throughout this compassionate and reasoned study, he encourages readers to open themselves to all forms of love—the key to understanding that brings us closer to God.

Many readers know C. S. Lewis as the fantasy writer of the Chronicles of Narnia or the apologist of Mere Christianity. But few know how deeply Lewis was formed by medieval authors like Dante and Boethius and how he saw their worldviews' relevance to the challenges of the modern world. Here, readers will encounter Lewis the medievalist to guide them in their own journey.

In the classic Mere Christianity, C.S. Lewis, the most important writer of the 20th century, explores the common ground upon which all of those of Christian faith stand together. Bringing together Lewis' legendary broadcast talks during World War Two from his three previous books The Case for Christianity, Christian Behavior, and Beyond Personality, Mere Christianity provides an unequalled opportunity for believers and nonbelievers alike to hear this powerful apologetic for the Christian faith.

The Four Loves HarperCollins

How Stories Really Work

A Medical Investigation

The Improbable Love Story of Joy Davidman and C. S. Lewis

Its Forms, Dimensions and Paradoxes

The Medieval Mind of C. S. Lewis

Called to Create

Written after his wife's tragic death as a way of surviving the "mad midnight moment," A Grief Observed is C.S. Lewis's honest reflection on the fundamental issues of life, death, and faith in the midst of loss. This work contains his concise, genuine reflections on that period: "Nothing will shake a man -- or at any rate a man like me -- out of his merely verbal thinking and his merely notional beliefs. He has to be knocked silly before he comes to his senses. Only torture will bring out the truth. Only under torture does he discover it himself." This is a beautiful and unflinchingly honest record of how even a stalwart believer can lose all sense of meaning in the universe, and how he can gradually regain his bearings.

This book is a powerful tool for understanding fiction and for transforming creative writing and taking it to new levels of clarity, energy and effectiveness. Learn what a story really is and what it is actually doing to and for readers, how all successful fiction follows universal patterns to attract and grip readers, the magnetic power that draws readers into a work of fiction even before the introduction of any character, what the thing called a 'character' actually is, and the secrets of how to rapidly build a convincing one that attracts readers, the

things called 'plots', what they are and how they are actually made (rather than how you might suppose they are made). Find out about the writing model which, if followed, will create a machine generating unimaginable numbers of readers and heightened reader satisfaction for you, based on some of the most successful pieces of literature in the English-speaking world.

This book is enhanced with content such as audio or video, resulting in a large file that may take longer to download than expected. The Deluxe Illustrated Edition of a Timeless Classic Now with this enhanced edition, readers can gain additional insight through video interviews, audio excerpts and letters from C. S. Lewis. First published in 1942, The Screwtape Letters has sold millions of copies world-wide and is recognized as a milestone in the history of popular theology. A masterpiece of satire, it entertains readers with its sly and ironic portrayal of human life and foibles from the vantage point of Screwtape, a highly placed assistant to "Our Father Below." At once wildly comic, deadly serious, and strikingly original, The Screwtape Letters is the most engaging account of temptation—and triumph over it—ever written.
