## Call Sign Dracula My Tour With The Black Scarves April 1969 To March 1970

A classic novel of adventure, drawn from London's own experiences as a Klondike adventurer, relating the story of a heroic dog caught in the brutal life of the Alaska Gold Rush. Note.

Call Sign Dracula: My Tour with the Black Scarves: April 1969 to March 1970 - provides an outstanding, valuable and worthy in-depth look into the life of a US Army Infantry soldier serving with the famed 1st Infantry Division (The Big Red One) in Vietnam. It is a genuine, firsthand account of a one-year tour that shows how a soldier grew and matured from an awkward, bewildered, inexperienced, eighteen year-old country "bumpkin" from Kentucky, to a tough, battle hardened, fighting soldier. You will laugh, cry and stand in awe at the true life experiences shared in this memoir. The awfulness of battle, fear beyond description, the sorrow and anguish of losing friends, extreme weariness, the dealing with the scalding sun, torrential rain, cold, heat, humidity, insects and the daily effort just to maintain sanity were struggles faced virtually every day. And yet, there were the good times. There was the coming together to laugh, joke, and share stories from home. There was the warmth and compassion shown by men to each other in such an unreal environment. You will see where color, race or where you were from had no bearing on the tight-knit group of young men that was formed from the necessity to survive. What a "bunch" they were ... then the return to home and all the adjustments and struggles to once again fit into a world that was now strange and uncomfortable. Call Sign Dracula is an excellent and genuine memoir of an infantry soldier in the Vietnam War. 220 pages w/over 60 vintage photos.

If a Hall of Fame existed for Pennsylvania criminals, 19th century outlaw Red Nose Mike would have been inducted with the greatest of ease. After he was hanged in 1889, the blood-thirsty killer with the curious nickname became part of Luzerne County legend. Red Nose Mike is just one of many infamous characters who have left a dark stain on the pages of Pennsylvania history. Residents of Fayette County may recall 'Eatabite' Tibbs, the eccentric bandit -- and alleged cannibal -- who once struck terror into the hearts of men and women throughout western Pennsylvania. Pike County was the home of Herman Schultz, who might've lived to a ripe old age had it not been for his sons, whose testimony sent him to the gallows in 1897 for a crime long forgotten. And then there's Hetty Good, the sweet Mennonite spinster whose deathbed confession revealed her true identity as one of the most ruthless murderers Lancaster County has ever seen. Every part of the state harbors its share of dark secrets. In Pennsylvania Oddities, Vol. 2, author Marlin Bressi takes the reader on a macabre tour through the Keystone State in search of the strange, gruesome and bizarre.

I lived in a world of darkness, never to see the light again. It's been eleven years since my father cursed Crystal City, since he condemned me to a life of loneliness and misery. By taking away everything that my mother loved, he took everything that I knew and cared for. Everything, but the throne. Only what good was being a queen in a city of mindless killers? A city that would never see the sunlight until the day of my death. I truly had nothing to live for... ...Or so I thought. The night that Wolfe was dragged into my palace, I knew that my life would never be the same. We were childhood friends once, but we went our separate ways. He became captain of the pirates, and I ascended to the diamond throne. My once sworn protector had become my enemy, but we were both alone, and the connection we felt was almost unbearable to ignore. My heart only cracked after my father abandoned me, but Wolfe would completely shatter it. For someone that hasn't felt anything for years, that wasn't such a bad thing.

My Overdue Book: Too many stories not to tell: spells out the varied episodes in the life of a man who spent decades working in Hollywood. He began as a little boy in Cincinnati impressed early on by the broadcasting magic of radio and then TV in the middle of twentieth century America. His drive to get into broadcasting culminates in an early success that gets interrupted by an unexpected sidebar in The US Army and a subsequent tour as an Infantryman in Vietnam in the late 1960's. His yearlong excursion in "Fun City East," with its repeated life and death experiences, had lifelong effects on this soldier-ofmedia. Following his wanderings through the jungles of Vietnam, Bright's interactions with many of America's top public figures throughout his decades in radio and television come to life with intriguing stories that are personal, professional, positive and negative. It's life without a filter! Readers across generations will share and co-experience numerous real life feelings and emotions with writer Bright as his winding trail of life opens in front of them. book endorsement for peter bright; i always thought that peter bright and i had many things in common; we both grew up in ohio, we both had careers in the live event and variety side of television, and the few times we had times to talk i thought we shared a mutual philosophy toward the ups and downs of life. but it wasn't until i read his "overdue" book that i realized just what a rich and storied life peter has had and how much more deeply he had experienced the highs and lows, particularly during his years in the military, than i ever could have imagined. it really amazes me just how much more we appreciate who they are when we are fortunate enough to have that background filled in by someone as articulate and able to express both facts and feelings as peter has in this book, when i started to read it, i thought all of those common events that we shared would be an interesting parallel track to my life and as such i would have a great frame of reference, but as i read on, i realized just what an amazing story peter has to tell and just how well he tells it. ken ehrlich, executive producer, the grammy awards

Working as a spirit talker is as dangerous as it is underpaid and that is just the start of Jack Worthington's problems in the urban fantasy, Old Haunts. Jack is behind on the rent, terminally single, and is greeted every morning by the ghost of an eighty-year-old woman with a bad memory. But things are about to get worse. In saving the life of a client, Jack is forced to break one of the fundamental laws of existence, a crime that carries with it the punishment of death. Knowing that his days or hours are numbered, he races to forestall his inevitable death sentence, but in his travels unwittingly stumbles upon a potential catastrophe in the making. Now he has to figure out why the ghosts of London City are sowing fear and paranoia into the minds of police and ordinary citizens, and what it all has to do with the anniversary of the infamous citywide riots that occurred one year ago to the day. His search eventually leads him to a haven for the city s underworld denizens, where he must face a vampire with whom he shares a terrible link to the past, all while trying to stay alive just long enough to avert the apocalypse. Some days saving the world kinda sucks."

Carol Tyler has been a professional (and highly acclaimed) cartoonist for over 20 years, appearing in such venues as Weirdo, Wimmen's Comix, and Drawn & Quarterly magazine. But over the years her status as a working mother has drastically curtailed her ability to set aside time for her cartooning. Thus each rare new story from her pen has been greeted with hurrahsas well they should be, because she's one of the most skillful, caustic, and emphatic cartoon storytellers of her generation. This new book presents the biggest, richest and most delightful collection of Tyler's work to date featuring many new and previously unpublished works. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 13.9px Arial; color: #424242}

The undead are everywhere. They're not just in movies and books, but in commercials, fetish clubs, and even in your breakfast cereal. Bloodsuckers have become some of the most recognizable bad guys in the modern world, and Eric Nuzum wanted to find out why. He was willing to do whatever it took —even drinking his own blood—in his quest to understand the vampire phenomenon. And he found the answer in Goth clubs, darkened parks, haunted houses, and . . . chain restaurants. In The Dead Travel Fast, Nuzum delivers a far-reaching look at vampires in pop culture from Bram to Bela to Buffy, and at what vampires and vampirism have come to mean to us today. And the blood? Let's just say it doesn't go with eggs.

This whopping big McFarland Classic brings together 43 interviews with horror and science fiction movie writers, producers, directors and the men and women who saved the planet from aliens, behemoths, robots, zombies, and other sinister, stumbling threats--in the movies, at least. The interviewees reminisce about some of their great (and not so great!) films and tell their stories. This classic volume represents the union of two previous volumes: 1994's Attack of the Monster Movie Makers ("anecdotes are frank and revealing"--Video Watchdog); and 1995's They Fought in the Creature Features ("a fun book for all SF film enthusiasts"--Interzone). Together at last, this combined collection of interviews offers a candid and delightful perspective on the movies that still make audiences howl and squeal (though fear has long been replaced with sweet nostalgia).

Destiny's Call brings to life scenes, stories and characters from the Book of Genesis. In captivating fictional short stories, Destiny's Call gives a glimpse of the struggles of the Patriarchs and Matriarchs, the birth and conflicts of the Tribes of Israel, and a deeper exploration of some of the colorful characters depicted in the Bible. Destiny's Call relies heavily on biblical and archeological sources. The book includes questions for discussion, detailed hand-drawn maps of the ancient world, recreated genealogical records and timeline, an index of biblical references, and a glossary of biblical terms. Ben-Tzion Spitz is the author of the Torah Shorts blog (at ben-tzion.com), where he has published dozens of biblical fiction stories and biblical analysis based on ancient, medieval and contemporary sources. Spitz has been exploring and researching biblical stories and archeological findings for over two decades. He is also the creator and lecturer of the Biblical Fiction series in Jerusalem, Israel.

Olongapo was an extraordinary part of our world known to millions. This tiny section of the Far East served as playground for Vietnam. An amusement park for the American Seventh Fleet, contractors and other service members from around the world. Rides in this park featured people's lives, creating impassioned experiences. Written with deepest respect for those with their names etched into The Vietnam Veterans Memorial Wall. Many who experienced joy for the last time while in Olongapo. The Olongapo experience was a true phenomenon, a saturation of life. During the peak of Vietnam, the area grew from a population of 40,000 in 1964 to a bulging 138,000 plus by 1969. The undisputed king of liberty ports in Asia, Olongapo's nightclubs bloomed from 35 to over 300. Pay by play girls increased to over 8,000 while pay by the hour hotels zoomed to more than 200. All of this amazing expansion crammed into just over one acre of frenzy. Men who had been off the coast of Vietnam and people shore based made up the 9 to 14 thousand visitors to the city every night of the year. Most were on brief liberty passes after months at sea and others awaited transfer to Vietnam. The combination created a free spending environment that poured millions of dollars into Olongapo every month. My novel is not just for the millions who miss such a unique concentration of life, it is for those who never knew the Olongapo experience.

What do you do after life has handed you a wake-up call? Author Brian Seth Hurst experienced a significant professional setback, but, rather than "soldier on," he recognized it as a profound opportunity to acknowledge a deeper foundation at work in his life. It is the affirmation that there is sheer power in what one believes, and, for better or worse, those beliefs are the foundation for the reality we create. The question of "Why?" began a thirty-day inquiry and adventure for Hurst into the unknown. The result is the book W H O L E - a collection of powerful essays that examine how beliefs serve, or do not serve, us in our lives, how those beliefs can be transformed to change our circumstances, and the power of the ultimate connection to Source. What do you do after life has handed you a wake-up call? If you decide to remain awake, then you begin looking at your life. WHOLE is your companion as you review the past, balance all areas of your life, and begin to create anew.WHOLE prompts a very personal, progressive, and conscious examination of concepts and belief systems in every area of your life, ranging from relationships, work and time, to money, the environment, morality and your purpose. It asks provocative and thoughtful questions that lead to understanding. How do your reconcile everything that has happened and is happening in your life with the one you truly want? The good and the bad, the joy and the hurt, the wins and the losses - all those parts form the experience of your life and your identity. Yet, you are much greater than the sum of all those parts. WHOLE allows you to make sense of the pieces of your life as part of the greater being that is You. WHOLE presents you with the opportunity to reconcile the past, arrive wholly connected in the present, and create your future. WHOLE literally answers the question, "What was I thinking?" "To know "whole" in the duality of your reality, you must know broken. To know broken is to recognize that you are, always have been, and always will be WHOLE."

The "I'm Going..." series deals with the uncomfortable trips children need to make sometimes: going to the dentist, getting a haircut, the first day of school and other events. In the first volume we meet the little kid who doesn't like to do anything new, but in this story they are facing the frightening reality of having to go to the hospital. Hospitals are no fun for grown-ups, but for kids it can be really strange and scary. "I'm Going to the Hospital" is fun to read, but perfect for the little kid if your life should they ever need to visit a hospital. This book will prepare a child for what a hospital is like and hopefully ease some of those fears in addition to letting them know that what they are feeling is normal. Low Level Hell

When the name Dracula is spoken, what image comes into your mind? Do you think of a bloodthirsty monster made up by an Irish story-teller who never stepped foot on Romanian soil? Or, do you think of a legendary fifteenth century hero of Romania who risked his life and fought courageously to take on the Ottoman empire to protect his land, his people, all of Europe, and all of Christianity? Since the age of 13, Amelia Justine Kari had a quest. Her quest was to one day take a trip to the beautiful lands of Romania, in search of the truth behind the mysterys of the real Prince Dracula. Once on Romanian soil, Amelia would find other forces already at work in search of her. Because of her career choice as a medical technician and her overwhelming fascination with the green eyed, black haired man called Prince Vladislaus Dracula, Amelia was always misunderstood. But, what if Vlad Dracula was also misunderstood? What if the pamphlets and documents written about him, were only made up to control him, use his power, and condemn him to prison? Amelia was determined to find the truth, but she'd have to search deep in her soul to find all the answers.

Synopsis Rest Stop is a 250 page realistic novel based on real characters I knew while I served my time in prison. It is about the convicts I lived with on a daily basis. The book starts off in prison and gives insight of the living conditions. It tells of the games that are needed in order to survive. It explains the brotherhood that forms between cell mates and the cliques you become part of, not by choice but out of necessity. Following a fight and a stabbing, the four inmates who are held responsible are being transported from a minimum security location to the main prison when they escape. The escape convicts come up with a plan to take over a rest-area on Interstate 15. It was just a few miles from Las Vegas. They figured that the people going to Vegas would have lots of cash on them. Their plan was to rob them and use the money to get out of the country. It is a long way from Oregon State Penitentiary to Las Vegas. A big part of the story takes place on the trip to get to the rest stop, with robbery, murder and rape along the way. The driving force behind the story is the dialog and vivid thought process, not only from the convicts but from the victims. Each chapter gives insight to the mind set and words of the escaped convicts, along with the Warden, the State Police and the Federal agent who is always just one step behind the inmates. The novel begins with a thrilling, fast paced opening. It holds the excited pace up to an unforgettably tense conclusion. Each chapter ends in a poem I wrote while in prison and coincides with the story. The epilogue leaves room for a sequel for a second book. "Call Sign Dracula" provides an outstanding, valuable and worthy in-depth look into the life of a US Army Infantry soldier serving with the famed 1st Infantry Division (The Big Red One) in Vietnam. It is a genuine, firsthand account of a one-year tour that shows how a soldier grew and matured from an awkward, bewildered, inexperienced, eighteen-year-old country "bumpkin" from Kentucky, to a tough, battle hardened, fighting soldier. You will laugh, cry, and stand in awe at the true-life experiences shared in this memoir. The awfulness of battle, fear beyond description, the sorrow and anguish of losing friends, extreme weariness, dealing with the scalding sun, torrential rain, cold, heat, humidity, insects, and the daily effort just to maintain sanity were struggles faced virtually every day. And yet, there were good times. There was the coming together to laugh, joke, and share stories from home. There was the warmth and compassion shown by men to each other in such an unreal environment. You will see where color, race, or where you were from had no bearing on the tight-knit group of young men that was formed from the necessity to survive. What a "bunch" they were! ... then the return to home and all the adjustments and struggles to once again fit into a world that was now strange and uncomfortable. "Call Sign Dracula" is an excellent and genuine memoir of an infantry soldier in the Vietnam War.

The aeroscouts of the 1st Infantry Division had three words emblazoned on their unit patch: Low Level Hell. It was then and continues today as the perfect concise definition of what these intrepid aviators experienced as they ranged the skies of Vietnam from the Cambodian border to the Iron Triangle. The Outcasts, as they were known, flew low and slow, aerial eyes of the division in search of the enemy. Too often for longevity's sake they found the Viet Cong and the fight was on. These young pilots (19-22 years old) "invented" the book as they went along. Praise for Low Level Hell "An absolutely splendid and engrossing book. The most compelling part is the accounts of his many air-to-ground engagements. There were moments when I literally held my breath."—Dr. Charles H. Cureton, Chief Historian, U.S. Army Training and Doctrine (TRADOC) Command "Low Level Hell is the best 'bird's eye view' of the helicopter war in Vietnam in print today. No volume better describes the feelings from the cockpit. Mills has captured the realities of a select group of aviators who shot craps with death on every mission."—R.S. Maxham, Director, U.S. Army Aviation Museum

Air Evac 1492 is the collective Air Force call sign for the flight. But each person on board has an individual story of hopes, dreams, fears, and regrets as the aircraft wings its human cargo through bad weather, flashbacks, and in flight emergencies. "Everybody who goes to war gets shot," one soldier says. "Some in the head. Some in the head. Some in the heart." This inspiring debut novel by Dave McIntyre (Ret COL USA) combines compelling technical descriptions of flying, combat, and medical care in-flight to drive the story through a rollercoaster ride of emotions as thirty-one "souls on board" travel through pain, loss, a killer storm, and the demons of the past to make it home for Christmas. Destiny Salem and Alexis have regained their mortality, but at a grave cost. Disregarding Hannah's warning of a dark and terrible future, the now human couple is wed. Planned celebrations are cut short when Desmond gives his daughter and new son-in-law the opportunity for a relaxing honeymoon, with one catch. Now Alexis and Salem must travel to Romania to meet a mysterious man who is offering an irresistible opportunity. Every opportunity has a cost, however, and some are too high to bear. Will Alexis be willing to risk all in order to get what she has always wanted? For better or worse, one thing is certain--Alexis will come face-to-face with her destiny.
