The bonds of his love transformed me, even as I prayed that the torment of our pasts didn't tear us apart... Reflected in You Gideon Cross. As beautiful and flawless on the outside as he was damaged and tormented on the inside. He was a

bright, scorching flame that singed me with the darkest of pleasures. I couldn't stay away. I didn't want to. He was my addiction... my every desire...mine. My past was as violent as his, and I was just as broken. We'd never work. It was too hard, too painful... except when it was perfect. Those moments when the driving hunger and desperate love were the most exquisite insanity. We were bound by our need. And our passion would

Something I couldn't resist. I also saw the dangerous and damaged soul inside—so much like my own. I was drawn to it. I needed him as surely as I needed my heart to beat. No one knows how much he risked for me. How much I'd been threatened, or

I felt him slipping from my grasp, my greatest fears becoming my reality, my love tested in ways I wasn't sure I was strong enough to bear. From Albert Speer’s complicity in Nazi barbarism to Royal Dutch Shell’s role in the murders of the Nigerian activist Ken Saro-Wiwa and the rest of the Ogoni Nine, Gretton probes the depths of the figure “who, by giving orders, uses paper or a phone or a computer to

Magazine After the death of her demanding mother, Sara Jolene Tilman is alone in the world for the first time—and ready for a fresh start. Sara becomes Jolene, and moves into the Thank the Lord Boarding House, an oceanside sanctuary that houses eleven other "misguided souls," as proprietress Fannie Johnson thinks of them. Surrounded by strangers, Jolene sees how socially awkward—and lonely—she really is. Yet, as she naively begins her search

for love and belonging, Jolene finds she's not alone. . . Disillusioned by romance and success, wealthy Richard Peterson has given up his career and registered at Thank the Lord Boarding House. But he is taken aback by the humble surroundings, and the down-to-earth housemates for whom his status means nothing. Still, Richard discovers simple pleasures—and a promising new relationship. Now, with a little help from Fannie, Jolene and Richard will

struggle to find themselves—and each other—at last. "Ms. Forster has given more than a story of redemption; it is a story that encompasses the growth of the inner-self, the cleansing of souls, and an exposure to a time that is strikingly old-fashioned. This story should appeal to the innocence in readers."

What event could change your life?

Winning the lottery? Getting a promotion? Getting a degree? Scoring a home run, or a winning goal? It might be hard to believe, but a breakfast conversation could be the most consequential event in your life €“ if it is with Jesus. Looking at the breakfast conversation in John 21, we see how Peter’s life changed forever as he was challenged to step up and play his part in God’s big plan. And Jesus has an exciting challenge for all of us today. As Jesus captures our hearts with his love and forgiveness, we’ll be motivated to be part of something truly extraordinary. Perfect to read with men who you’d like to encourage to live all out for Christ or to give away

You'll be captivated as you read how the author, known affectionately as Dori, bites into the apple of life with deep passion, allowing its juices to run down her chin. Her confidence, her intelligence, and her wisdom will inspire you as much as her intimate relationships will surprise you. In this dramatic memoir, the author uses popular songs to frame each chapter of her life and each chapter of the book. Every song sets the stage for the author to dance her dreams and shed her tears, all while coping with a terminal thing called life. Singing the Song of Life is the story of one woman overcoming her obstacles and

triumphantly succeeding in both life and in love. Her memoir offers:

- Adventure—a riveting experience with a con man who is living in a fantasy world;
- Sizzling Sex—her husband made her promise to cook in the bedroom rather than the kitchen;
- Friendship—the author's best friend marries her second ex-husband and the results from their ultimate test of trust are startling!
- And much more, all woven together with touches of humor, Yiddish slang, and, of course, her favorite songs.

Leadership is a mindset, not a title or position. In *Fundamentals of Lawyer Leadership*, we explore the aspects of leadership that law students can develop and improve

Online Library Captivated By You Google Drive English

during their time in law school. This textbook begins with the underpinnings of leadership, what it means, and how history guides our view of it. In Part One – Leadership of Self: Growing into Leadership, the leadership journey requires a look inward to examine who you are, what type of lawyer you want to be, and how you will lead. In Part Two – Leadership with Others: Effective Group Dynamics, the book covers topics such as building and nurturing relationships, developing emotional and cultural intelligence, establishing effective teams, and inspiring others. Finally, in Part Three – Leadership within Community: Service and Impact, the book examines the role of the

'I, Clodia' is the story of Clodia Metelli – poet and lover – and her relations with her far-away paramour Catullus, with her husband Metellus Celer, her brother Publius Clodius and her accuser Cicero. By giving Clodia – the 'Lesbia' of Catullus's famous love poetry – her own first-person narration, Anna Jackson upends and reinvigorates the beloved classical sequence with

biting wit and tender attention. Who was Clodia and what did she think about the affair, the gossip, the scandal, the poems? Jackson honours and subverts her source material in lines that are a marvel of ventriloquism. The book's second section, 'The photographer's secret', furthers this superb exploration of voice and portrayal. The photographer in this sequence reads, writes, gives presents and considers the art of portraiture. But who is examining, and who is being examined? Above all else, Anna Jackson takes us within and without a range of

characters in her characteristically witty style – sometimes mock breathless, sometimes dryly pointed, and always clever, stylish and emotionally engaging. If a photograph is a 'secret about a secret', as Diane Arbus put it, these poems are also secrets – about lives; about portraiture; about those who have the power to record and betray.

spoken-word artist David Bowden reveals the secret to winning the battle with sin. Many Christians believe the only way to fight sin is to grit our teeth, strengthen our resolve, and rise above the onslaught of temptation. But in reality, we have a far better weapon in our struggle with sin than the will-power mantras associated with diet and exercise. This weapon is not saying "no" to sin but saying "yes" to God. In Rewire Your Heart, David Bowden helps us discover God's plan to overcoming sin by rewiring
