Book Description: Management:
The New Competitive
Landscape, by Bateman and
Snell, has consistently
discussed and explained the
traditional, functional approach

to management-through
planning, organizing, leading,

edition goes a step further, in
defining and highlighting with
icons, four "bottom line"
practices that managers and

companies must deliver to their customers: Innovation, Speed, Quality, and Cost. Bateman and Snell's: Management: The New Competitive Landscape, 6th edition has always been about a series of "firsts": first to have a
