Lonely Planet expands its national parks series with a new guide to the jewels of the Canadian Rockies, Banff and Jasper National Parks. The book offers advice on the best sights, hikes, campgrounds and more. Packed with outdoor activities and places to stay and eat, the national parks guides help everyone-from road-tripping families to serious outdoor enthusiasts-plan and enjoy an unforgettable vacation.Banff, Glacier & Jasper National Parks explores regions of spectacular beauty with some of the world's best scenery, climbing, hiking and skiing. The parks offer jagged, snowcapped mountains, peaceful valleys, rushing rivers, natural hot springs, alpine forests and pristine lakes. With abundant wildlife, a wealth of activity options and the amenities of resort towns like Banff and Lake Louise, these parks are truly national treasures, and this guide will help travellers make the most of their visit.

This companion to the New York Times bestselling book The Wes Anderson Collection takes readers behind the scenes of the Oscar®-winning film The Grand Budapest Hotel with a series of interviews between writer/director Wes Anderson and movie/television critic Matt Zoller Seitz. Learn all about the film's conception, hear personal anecdotes from the set, and explore the wide variety of sources that inspired the screenplay and imagery!from author Stefan Zweig to filmmaker Ernst Lubitsch to photochrom landscapes of turn-of-the-century Middle Europe. Also inside are interviews with costume designer Milena Canonero, composer Alexandre Desplat, lead actor Ralph Fiennes, production designer Adam Stockhausen, and cinematographer Robert Yeoman; essays by film critics Ali Arian and Steven Boone, film theorist and historian David Bordwell, music critic Olivia Collette, and style and costume consultant Christopher Lavery; and an introduction by playwright Anne Washburn. Previously unpublished production photos, artwork, and ephemera illustrate each essay and interview. The Wes Anderson Collection: The Grand Budapest Hotel stays true to Seitz's previous book on Anderson's first seven feature films,The Wes Anderson Collection, with an artful, meticulous design and playful, original illustrations that capture the spirit of Anderson's inimitable aesthetic. Together, they offer a complete overview of Anderson's filmography to date. Praise for the film, The Grand Budapest Hotel: Four Academy Awards®, including Costume Design, Music - Original Score, and Production Design; Nine Academy Award nominations, including Best Picture, Directing, and Writing - Original Screenplay; Best Film - Musical or Comedy, Golden Globe Awards; Best Original Screenplay, BAFTA, WGA, NYFCC, and LAFCA Awards Praise for the book, The Wes Anderson Collection: ¶The Wes Anderson Collection comes as close as a book can to reading like a Wes Anderson film. The design is meticulously crafted, with gorgeous full-page photos and touches. . . ¶Eric Thurm, The A.V. Club Also available from Matt Zoller Seitz: Mad Men Carousel, The Oliver Stone Experience, The Wes Anderson Collection: Bad Dads, andThe Wes Anderson Collection.

The Army Air Forces in World War II: Men and planes

In the west, the design of new towns has always been based on an ideal model in accordance with the ideas of that moment. In the case of the latest generation of new towns in Asia, however, only quantitative and marketing principles seem to play a role: the number of square metres, dwellings or people, or the greenest, most beautiful or most technologically advanced town. "Rising in the east" shows which design principles these premises are based on.

A fascinating personal memoir of underwater combat in World War II, told by a man who played a major role in those dangerous operations. Frank and beautifully written, Submarine Commander's breezy style and irrepressible humor place it in a class by itself. This book will be of lasting value as a submarine history by an expert and as an enduring military and political analysis. In early 1943 the submarine USS Scorpion, with Paul R. Schratz as torpedo officer, slipped into the shallow waters east of Tokyo, laid a minefield, and made successful torpedo attacks on merchant shipping. Schratz participated in many more patrols in heavily mined Japanese waters as executive officer of the Sterlet and the Atule. At war's end he participated in the Japanese surrender, aided the release of American POWs, and had a key role in the disarming of enemy suicide submarines. He then took command of the revolutionary new Japanese submarine I-203 and returned it to Pearl Harbor. But this was far from the end of Schratz's submarine career. In 1949 he commissioned the ultramodern USS Pickerel, the most deadly submarine then afloat, and set a world's record in a 21-day, 5,200-mile submerged passage from Hong Kong to Honolulu. With the outbreak of the Korean War, the Pickerel was immediately sent to Korea to participate in secret intelligence operations only recently declassified and never before revealed in print. Schratz's broad military experience makes this a far from ordinary memoir.

#1 NEW YORK TIMES BESTSELLER • A dramatic expansion of a groundbreaking work of journalism, The 1619 Project: A New Origin Story offers a profoundly revealing vision of the American past and present. ONE OF THE BEST BOOKS OF THE YEAR: The Washington Post, NPR, Esquire, Marie Claire, Electric Lit, Ms. magazine, Kirkus Reviews, Booklist In late August 1619, a ship arrived in the British colony of Virginia bearing a cargo of twenty to thirty enslaved people from Africa. Their arrival led to the barbaric and unprecedented system of American chattel slavery that would last for the next 250 years. This is sometimes referred to as the country ' s original sin, but it is more than that: It is the source of so much that still defines the United States. The New York Times Magazine ' s award-winning " 1619 Project " issue reframed our understanding of American history by placing slavery and its continuing legacy at the center of our national narrative. This new book substantially expands on that work, weaving together eighteen essays that explore the legacy of slavery in present-day America with thirty-six poems and works of fiction that illuminate key moments of oppression, struggle, and resistance. The essays show how the inheritance of 1619 reaches into every part of contemporary American society, from politics, music, diet, traffic, and citizenship to capitalism, religion, and our democracy itself. This is a book that speaks directly to our current moment, contextualizing the systems of race and caste within which we operate today. It reveals long-glossed-over truths around our nation ' s founding and construction—and the way that the legacy of slavery did not end with emancipation, but continues to shape contemporary American life.
