

Case Interview Secrets A Former Mckinsey Interviewer Reveals How To Get Multiple Job Offers In Consulting

In "The Ultimate Case Interview Workbook," you'll sharpen your case interview skills to dominate your upcoming interview and land your dream consulting job. Taylor Warfield, a Bain management consultant and interviewer, provides essential practice problems and challenging cases to develop the skills needed to get multiple job offers. Use the 65+ problems tailored towards each type of question in case interviews. Feel confident across a range of interview questions including framework questions, market size, profitability assessments, breakeven analysis, charts & graphs analysis, brainstorming questions, and other qualitative questions. 15 full-length cases based on McKinsey interviews. Build business acumen across a variety of industries (e.g., technology, retail, healthcare, energy, finance, non-profit) and functions (e.g., strategy, operations) that can be done individually or with a partner. Save yourself time by working through carefully crafted practice problems and cases that teach you a new concept, strategy, or time. Warfield's former students include undergraduates, MBAs, advanced degree holders, and experienced hires. They have landed job offers at top consulting firms, including BCG, Bain, Deloitte, L.E.K., Oliver Wyman, and Accenture as well as at Fortune 500 strategy groups. "I felt really confident after my McKinsey interview - this book's cases came up perfectly! They were very similar to the ones I received in my first and final round interviews." -McKinsey Consultant, Wharton MBA Candidate "I had very little time before my interview. This book provided me with plenty of practice that I could do by myself. After working through these cases, I felt excited going into my interviews." -BCG Associate Hire "These cases were much higher quality than those found in other case books. The explanations were detailed and thorough and I got to practice thinking like a true McKinsey Consultant, Stanford Undergraduate. Also visit HackingTheCaseInterview.com for a one-week online crash course to pass your upcoming interview.

Every president has had a unique and complicated relationship with the intelligence community. While some have been coolly distant, even adversarial, others have found ways to use intelligence agencies to be among the most valuable instruments of policy and power. Since John F. Kennedy's presidency, this relationship has been distilled into a personalized daily summary of what the intelligence apparatus considers the most crucial information for the president to know that day about global threats and opportunities. This tool is known as the President's Daily Brief, or, within national security circles, simply "the Book." Presidents have spent anywhere from a few moments (Richard Nixon) to a full day (George W. Bush) consumed by its contents; some (Bill Clinton and George H. W. Bush) consider it far and away the most important document they saw on a regular basis as commander in chief. The details of most PDBs are highly classified, and will remain so for many years. But the process by which the intelligence community develops a PDB is a fascinating look into the operation of power at the highest levels. David Priess, a former intelligence officer and daily briefer, has interviewed every living president as well as more than one hundred others intimately involved with the production and delivery of the president's book of secrets. He offers an unprecedented window into the mind of every president from Kennedy to Obama, with many character-rich stories revealed here for the first time.

This is the fully updated second edition of the best-selling book that has helped hundreds of MBAs, undergrads and experienced hires get jobs in consulting. It gives candidates an insider look at the entire process of recruiting, including how to get the most out of on-campus events, how to network, how to prepare for interviews, and how to succeed. Crack the Case System is a complete training program, covering every aspect of the infamous "case interview" favored by top management consulting firms and a growing number of Fortune 500 companies. David Ohrvall's step-by-step approach combines practical instruction on structuring, analytics and communication, as well as insider tips and insights from training thousands of candidates. CTCS includes over 150 bonus videos on mbacase.com, 42 practice cases, homework and drills. About the author: David Ohrvall is the leading expert on the topic of case interviews. A dynamic and sought-after speaker, he trains several thousand MBAs and undergraduates each year at premiere business schools around the world, including Wharton, Stanford, Harvard Business School, Chicago Booth, Duke's Fuqua School of Business, INSEAD, Oxford and Cambridge. David also has an extensive private coaching practice that has helped launch hundreds of candidates into consulting, venture capital, and a variety of industries. David is a former management consultant (Bain & Company) and a faculty member at the Wharton School (MBA & undergrad). Learn more about David at www.mbacase.com.

A Former McKinsey Interviewer Reveals how to Get Multiple Job Offers in Consulting

Case Interview

Case Interview Questions for Tech Companies

Need to learn case interviews but don't know where to start? This book is designed to get you up and running. By using scripted examples and interviews with experienced recruiters it gives readers an understanding of what a case actually is, and how they can start to prepare. Case interviews are used extensively by most major recruiters, including McKinsey, Bain, BCG, Amazon, Google and many more, and this book contains interviews with recruiters from all of the above companies. The author, Stephen Pidgeon, is a

former McKinsey consultant and interviewer who now works as a career coach at the Tuck School of Business. He coaches hundreds of candidates every year, many of whom are successful in their goal of landing their dream job. He is also the author of 'How to get a job in consulting'.

Featuring the Ivy Case System - including a section on government and nonprofit cases.

INSTANT NEW YORK TIMES BESTSELLER "My Body offers a lucid examination of the mirrors in which its author has seen herself, and her indoctrination into the cult of beauty as defined by powerful men. In its more transcendent passages . . . the author steps beyond the reach of any 'Pygmalion' and becomes a more dangerous kind of beautiful. She becomes a kind of god in her own right: an artist." –Melissa Febos, The New York Times Book Review A "MOST ANTICIPATED" AND "BEST OF FALL 2021" BOOK FOR * VOGUE * TIME * ESQUIRE * PEOPLE * USA TODAY * CHICAGO TRIBUNE * LOS ANGELES TIMES * SHONDALAND * ALMA * THRILLEST * NYLON * FORTUNE A deeply honest investigation of what it means to be a woman and a commodity from Emily Ratajkowski, the archetypal, multi-hyphenate celebrity of our time Emily Ratajkowski is an acclaimed model and actress, an engaged political progressive, a formidable entrepreneur, a global social media phenomenon, and now, a writer. Rocketing to world fame at age twenty-one, Ratajkowski sparked both praise and furor with the provocative display of her body as an unapologetic statement of feminist empowerment. The subsequent evolution in her thinking about our culture's commodification of women is the subject of this book. My Body is a profoundly personal exploration of feminism, sexuality, and power, of men's treatment of women and women's rationalizations for accepting that treatment. These essays chronicle moments from Ratajkowski's life while investigating the culture's fetishization of girls and female beauty, its obsession with and contempt for women's sexuality, the perverse dynamics of the fashion and film industries, and the gray area between consent and abuse. Nuanced, fierce, and incisive, My Body marks the debut of a writer brimming with courage and intelligence.

When you know what to say and how to say it, people listen. Find your powerful voice, and step into leadership. Speak with impact. Every day, you have an opportunity to use your voice to have a positive impact -- at work or in your community. You can inspire and persuade your audience -- or you can distract and put them to sleep. Presentation styles where leaders are nervous, ramble, and robotic can ruin a talk on even the most critical topics. As your performances become weak, your career prospects start to dim. To get ahead and make an impact, you need to deliver well-crafted messages with confidence and authenticity. You must?sound?as capable as you are. Public speaking is a skill, not a talent. With the right guidance, anyone can be a powerful speaker. Written by former opera singer turned CEO and TEDx speaker Allison Shapira, Speak with Impact unravels the mysteries of commanding attention in any setting, professional or personal. Whether it's speaking up at a meeting, presenting to clients, or talking to large groups, this book's easy-to-use frameworks, examples and exercises will help you: Engage your audience through storytelling and humor Use breathing techniques to overcome stage fright Strengthen and project your voice by banishing filler words/uptalk Use effective body language and build your executive presence Compose a clear message and deliver confident, authentic presentations Learn to conquer fear, capture attention, motivate action, and take charge of your career with?Speak with Impact.

The Story of McKinsey and Its Secret Influence on American Business

The use of complex graphs in case interviews has exploded. You have a very short time to look at the graph, analyze it, extract what's important and apply it to your answer. This book was designed to help you understand the role of graphs in consulting (both during an interview and on the job). The authors introduce the Ivy Graph Framework, which will allow you to analyze 11 of the most popular graphs quickly, completely, and with great confidence. In addition the book provides ten sophisticated cases with numerous graphs per case and allows you to see how these cases unfold. There is nothing else out there like it!

Please note: This is a companion version & not the original book. Sample Book Insights: #1 The case interview is a unique interviewing format that firms such as McKinsey Company, Bain Company, Boston Consulting Group, Oliver Wyman, and others use. It is used to evaluate candidates with wide-ranging backgrounds. #2 The case interview is a trial run of the actual consulting interview. I learned that the most profitable skill I could learn while in school was not related to English, math, psychology, history, economics, or science. It was how to pass the case interview. #3 My experience as a job seeker and a consultant has shaped my perspective of the case interview. I've developed an uncommon insight into the case interview from having been on both sides of the table, and that's what I share with you here. #4 The case interview process is made up of seven parts. Part One provides a big-picture view of the process and the different types of evaluation tools used. Part Two covers quantitative assessments. Part Three discusses the fundamentals of tackling real case interviews. Part Four covers the primary frameworks you'll use to solve the business problems presented in the case interview. Part Five covers the traditional candidate-led case interview format. Part Six describes the other types of case interviews and how to handle them.

From New York Times bestselling author and astronaut Chris Hadfield comes this exceptional thriller and "exciting journey" into the dark heart of the Cold War and the space race (Andy Weir, author of *The Martian* and *Project Hail Mary*). 1973: a final, top-secret mission to the Moon. Three astronauts in a tiny spaceship, a quarter million miles from home. A quarter million miles from help. NASA is about to launch Apollo 18. While the mission has been billed as a scientific one, flight controller Kazimieras "Kaz" Zemeckis knows there is a darker objective. Intelligence has discovered a secret Soviet space station spying on America, and Apollo 18 may be the only chance to stop it. But even as Kaz races to keep the NASA crew one step ahead of their Russian rivals, a deadly accident reveals that not everyone involved is quite who they were thought to be. With political stakes stretched to the breaking point, the White House and the Kremlin can only watch as their astronauts collide on the lunar surface, far beyond the reach of law or rescue. Full of the fascinating technical detail that fans of *The Martian* loved, and reminiscent of the thrilling claustrophobia, twists, and tension of *The Hunt for Red October*, *The Apollo Murders* is a high-stakes thriller unlike any other. Chris Hadfield captures the fierce G-forces of launch, the frozen loneliness of space, and the fear of holding on to the outside of a spacecraft orbiting the Earth at 17,000 miles per hour as only someone who has experienced all of these things in real life can. Strap in and count down for the ride of a lifetime. "Packed with cosmic action... Featuring undercover spies, scheming Russians and psychopathic murderers, sometimes all at once, it teems with authoritative details." —The New York Times "Nail-biting . . . I couldn't put it down." —James Cameron, writer and director of *Avatar* and *Titanic* "Not to be missed." —Frederick Forsyth, author of *The Day of the Jackal* "An explosive thriller by a writer

who has actually been to space . . . Strap in for the ride!" —Gregg Hurwitz, author of Orphan X

The Wall Street Journal calls Case in Point the MBA Bible! Cosentino demystifies the consulting case interview. He takes you inside a typical interview by exploring the various types of case questions and he shares with you the acclaimed Ivy Case System which will give you the confidence to answer even the most sophisticated cases.

Learn and appreciate the origins and evolution of the consulting profession Launch your practice or firm and propel it to top performance Implement your consulting strategies in public and private organizations, large or small, global or domestic Select from the widest variety of consulting methodologies Achieve lasting success in your professional career and personal goals The author is recognized as "one of the most highly regarded independent consultants in America" by the New York Post and "a worldwide expert in executive education" by Success Magazine Whether you're just starting out or looking for the latest trends in modern practice, **The Consulting Bible** gives you an unparalleled toolset to build a thriving consultancy.

Case Closed is an award-winning, detailed guide to acing the consulting interview. Other consulting prep materials are written by those who have been out of the industry for decades. **Case Closed** is the only guide written by former McKinsey consultants and interviewers who have been intimately involved in the interview process in the last 2 years. This authoritative resource covers some never-covered-before topics, including: How to write your resume to attract the attention of resume-graders and recruiters at McKinsey, Bain, and BCG Why the "personal experience" (fit) interview matters, what interviewers are probing for, and what types of experiences to prep How the interviewers evaluate your case performance: what matters, and what doesn't How to tackle non-traditional cases that interviewers may throw at you, which no canned framework from the typical case interview books can help with How to prep if you have 60 days, 30 days, or just 2 weeks before your expected first interview How to hack both in-person interactions and video interview interactions, in a time of COVID-19 The surprisingly good - and surprisingly bad - questions to ask your interviewer during Q&A How to master innovative, universally-adaptable case interview frameworks. Any candidate can regurgitate the frameworks from **Case In Point** or **Case Interview Secrets**; nothing there will "wow" an interviewer Countless example cases spanning profitability, new market entry, new product / growth, pricing, M&A, and even non-traditional archetypes Whether you are a current undergrad or MBA looking for an internship or full-time role, or an experienced professional, **Case Closed** is an investment into your professional future. Stand out from the pack with the latest, cutting-edge secrets to wow your consulting case interviewers. Sean Huang's former proteges span undergraduates, MBAs, advanced degree holders, and experienced hires. These students have landed job offers at top consulting firms, including McKinsey, BCG, and Bain; many have also used the structured thinking he has taught them to land roles at Goldman Sachs IBD, Google BizOps & Strategy, as well as at Fortune 500 strategy groups. "Case Closed has been a lifesaver. It truly contains everything you need to know to ace your consulting interviews and Sean explains things in a clear manner that is easy to understand. After studying Case Closed, I landed my dream job at McKinsey and I've raved about this book to all my friends."-McKinsey New York full time offer, Wharton MBA "I used to be intimidated by the notorious consulting case interviews. For anyone looking to get a job offer to a top consulting firm, Case Closed is honestly the best interview prep book (and I've read all of them). The case interviews in Case Closed were by far the best and most similar to the cases I got in the actual interviews."-Bain San Francisco internship offer, UC Berkeley Haas (undergraduate) "In my panic, I read all of the case interview frameworks from different case prep books. And that ended up confusing me more because there were so many frameworks but no easy way to remember when to use what. Case Closed walks you through the interview process in such a great way that I started loving case interviews and landed the job." -BCG Boston full time offer, University of Virginia (undergraduate)

Cheng, a former McKinsey management consultant, reveals his proven, insider's method for acing the case interview.

Advocates that employees should focus their attention on what the author defines as the key drivers of cash, profit, assets, growth, and people to evaluate the viability of their organization and their prospects for advancement.

A firsthand account of how public officials and other well-connected individuals have been compromised or blackmailed by their sexual

improprieties, Confessions of a D.C. Madame relates the author's time running the largest gay escort service in Washington, DC, and his interactions with VIPs from government, business, and the media who solicited the escorts he employed. The book details the federal government's pernicious campaign waged against the author to ensure his silence and how he withstood relentless, fabricated attacks by the government, which included incarceration rooted in trumped up charges and outright lies. This fascinating and shocking facet of government malfeasance reveals the integral role blackmail plays in American politics and the unbelievable lengths the government perpetrates to silence those in the know.

"The information you need for your consulting cases, including: Framework for structuring and conquering case questions. Actual case interview questions with strategies. What to expect from your case. Real life case interview experiences. Must-know consulting lingo. How to solve questions."--Back cover.

Cheng, a former McKinsey consultant and marketing expert for the Fox Business Television Network, analyzes 12 U.S. recessions spanning 136 years to uncover why dozens of startup companies thrived during the economic chaos of their day.

Case Interview Questions for Tech Companies provides 155 practice questions and answers to conquer case interviews for the following tech roles: Marketing Operations Finance Strategy Analytics Business Development Supplier or Vendor Management ...and Product Management --

QUESTIONS COVERED IN THE BOOK Here are some of the questions covered in the book: Marketing Create a marketing campaign for Microsoft Office 365. Write a media statement to respond to Uber mischaracterizations voiced in a taxi leader's newspaper op-ed. Operations Describe how Apple's supply chain works. What challenges does Apple face on a day-to-day basis? What's the bottleneck for an Amazon Robot Picker? And what is the capacity of the assembly line, in units per hour? During the holiday season, Amazon customers shipped 200 orders per second. Amazon's data science team discovered that the average number of orders waiting to be shipped was 20,650. How long did the average Amazon order wait to be shipped? Finance What should Apple consider before implementing a shop-in-shop store inside Best Buy? If you projected a \$500M expense and the variance came in at \$1M, what are some of the explanations for why that is happening? Be prepared to give more than three scenarios. Business Development A car dealer partner wants to stop doing business with Uber. What should you do? How would you identify university faculty to source content for an online university? Strategy If you could open a Google store anywhere, where would it be and why? Give your analysis of several recent acquisitions that Google has made. Analytics What top metrics would you track for the Tinder online dating app? If 1,000 people opened the Uber app during one hour, how many cars do you need? Product Management Let's say we wanted to implement an Amazon Mayday-like feature in Gmail. How would that work? How would you any Microsoft product to a restaurant? AUTHOR BIO Lewis C. Lin, former Google and Microsoft executive, has trained thousands of candidates to get ready for tech interviews, using his proven interview techniques. Lewis' students have received offers from the most coveted firms including Google, Facebook, Uber, Amazon, Microsoft, IBM, Dell and HP. Lewis has a bachelor's in computer science from Stanford University and an MBA from Northwestern University's Kellogg School of Management. He's the author of several bestsellers including Interview Math, Rise Above the Noise as well as Decode and Conquer. HERE'S WHAT PEOPLE SAY ABOUT THE AUTHOR "Got the Amazon offer, with an initial package that was \$100K more than what I currently make at [a top 5 tech company]. It's a dream job for the role of Principal Product Manager for a [special project]. - Q.K. "Just signed the offer for a Google product marketing manager role. Your tips helped me relax and concentrate, so the time went by quickly even though it was really a tough interview." - D.E. "I had my in-person interviews down at Facebook last week and got my offer letter the next day! You were definitely a huge help in preparing for the interviews." - L.S.

From the creator of the popular website Ask a Manager and New York ' s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There ' s a reason Alison Green has been called “ the Dear Abby of the work world. ” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don ' t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You ' ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “ reply all ” • you ' re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate ' s loud speakerphone

is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “ A must-read for anyone who works . . . [Alison Green ’ s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work. ” —Booklist (starred review) “ The author ’ s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers ’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience. ” —Library Journal (starred review) “ I am a huge fan of Alison Green ’ s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor. ” —Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “ Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way. ” —Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Prepare to be shocked. From the man The Wall Street Journal hailed as a "Swifteen satirist" comes the most shocking book ever written! The Borowitz Report: The Big Book of Shockers, by award-winning fake journalist Andy Borowitz, contains page after page of "news stories" too hot, too controversial, too -- yes, shocking -- for the mainstream press to handle. Sample the groundbreaking reporting from the news organization whose motto is "Give us thirty minutes -- we'll waste it."

"If more business books were as useful, concise, and just plain fun to read as THE MCKINSEY WAY, the business world would be a better place." --Julie Bick, best-selling author of ALL I REALLY NEED TO KNOW IN BUSINESS I LEARNED AT MICROSOFT. "Enlivened by witty anecdotes, THE MCKINSEY WAY contains valuable lessons on widely diverse topics such as marketing, interviewing, team-building, and brainstorming." --Paul H. Zipkin, Vice-Dean,

The Fuqua School of Business It's been called "a breeding ground for gurus." McKinsey & Company is the gold-standard consulting firm whose alumni include titans such as "In Search of Excellence" author Tom Peters, Harvey Golub of American Express, and Japan's Kenichi Ohmae. When Fortune 100 corporations are stymied, it's the "McKinsey-ites" whom they call for help. In THE MCKINSEY WAY, former McKinsey associate Ethan Rasiel lifts the veil to show you how the secretive McKinsey works its magic, and helps you emulate the firm's well-honed practices in problem solving, communication, and management. He shows you how McKinsey-ites think about business problems and how they work at solving them, explaining the way McKinsey approaches every aspect of a task: How McKinsey recruits and molds its elite consultants; How to "sell without selling"; How to use facts, not fear them; Techniques to jump-start research and make brainstorming more productive; How to build and keep a team at the top its game; Powerful presentation methods, including the famous waterfall chart, rarely seen outside McKinsey; How to get ultimate "buy-in" to your findings; Survival tips for working in high-pressure organizations. Both a behind-the-scenes look at one of the most admired and secretive companies in the business world and a toolkit of problem-solving techniques without peer, THE MCKINSEY WAY is fascinating reading that empowers every business decision maker to become a better strategic player in any organization.

Business Acumen to Build Your Credibility, Career, and Company

NEW YORK TIMES BESTSELLER “ A rollicking good time. ” —Golfweek * “ Thoroughly engaging. ” —The Washington Post A juicy and freewheeling biography of legendary golf champion Phil Mickelson—who has led a big, controversial life—as reported by longtime Sports Illustrated writer and bestselling author Alan Shipnuck. Phil Mickelson is one of the most compelling figures in sports. For more than three decades he has been among the best golfers in the world, and his unmatched longevity was exemplified at the 2021 PGA Championship, when Mickelson, on the cusp of turning fifty-one, became the oldest player in history to win a major championship. In this raw, uncensored, and unauthorized biography, Alan Shipnuck captures a singular life defined by thrilling victories, crushing defeats, and countless controversies. Mickelson is a multifaceted character, and all his warring impulses are on display in these pages: He is a smart-ass who built an empire on being the consummate professional; a loving husband dogged by salacious rumors; a high-stakes gambler who knows the house always wins but can ’ t tear himself away. Mickelson ’ s career and public image have been defined by the contrast with his lifelong rival, Tiger Woods. Where Woods is robotic and reticent, Mickelson is affable and extroverted, an incorrigible showman whom many fans love and some abhor because of the overwhelming size of his personality. In their early years together on Tour, Mickelson lacked Tiger ’ s laser focus and discipline, leading Tida Woods to call her son ’ s rival “ the fat boy, ” among other put-downs. Yet as Tiger ’ s career has been curtailed by scandal, addiction, and a broken body, Phil sails on, still relevant on the golf course and in the marketplace. Phil is the perfect marriage of subject and author. Shipnuck has long been known as the most fearless writer on the golf beat, and he delivers numerous revelations, from the true scale of Mickelson ’ s massive gambling losses; to the inside story of the acrimonious breakup between Phil and his longtime caddie, Jim “ Bones ” Mackay; to the secretive backstory of the Saudi golf league that Mickelson championed to wield as leverage against the PGA Tour. But Phil also celebrates Mickelson ’ s random acts of kindness and generosity of spirit, to which friends and strangers alike can attest. Shipnuck has covered Mickelson for his entire career and has been on the ground at Mickelson ’ s most memorable triumphs and crack-ups, allowing him to take readers inside the ropes with a thrilling immediacy and intimacy. The result is the juiciest and liveliest golf book in years—full of heart, humor, and unexpected turns.

The Case Interview Workbook contains 60 case questions for management consulting interviews, with complete solutions. Every case is compiled and edited by a team of ex-consultants from McKinsey & Company, the Boston Consulting Group, and Bain & Company. This book fills the gap left by others by providing you with plenty of high-quality cases to practice on before your interview. Many cases are from actual interviews at the top-tier firms and cannot be found elsewhere. After working through this book, you will be prepared for every type of case question you may encounter: market sizing, estimation, operations, industry analysis, pricing, growth strategy, marketing, investment, M&A, market entry, customer segmentation, profitability, valuation, logic, issue identification, cost analysis, market expansion, and brainteasers, to name a few. These cases will help you prepare for interviews at leading management consulting firms, including McKinsey & Company, The Boston Consulting Group, Bain & Company, Oliver Wyman, Strategy& (formerly Booz & Company), A.T. Kearney, Roland Berger, and L.E.K, as well as for consulting roles at large firms such as Accenture, Deloitte, PwC, EY, and KPMG. Note that is a workbook, designed to complement other preparation books. You will have a hard time solving these cases without learning first elsewhere how to do so, e.g. which frameworks to use, how to use them, and how to structure a solution.

In Case Interview Secrets, you'll discover step-by-step instructions on how to dominate what many consider to be the most complex, most difficult, and most intimidating corporate job interview in the world--the infamous case interview. Victor Cheng, a former McKinsey management consultant, reveals his proven, insider's method for acing the case interview. Having personally secured job offers from McKinsey, Bain & Company, Monitor, L.E.K., Oliver Wyman, and A.T. Kearney, he has also been a McKinsey case interviewer--providing you with a hands-on, real-world perspective on what it really takes to land job offers. Cheng's protégées work in all the major strategy management consulting firms, including McKinsey, The Boston Consulting Group, Bain & Company, Monitor Company, A.T. Kearny, Oliver Wyman, L.E.K., Roland Berger, Accenture, and Deloitte, as well as in the strategic planning departments of numerous Fortune 500 companies. Whether you're an undergraduate, BA, PhD, or experienced-hire applicant candidate, you'll discover: what case interviewers really say about you behind closed doors but wouldn't dare tell you--until now; the subtle yet specific performance differences that separate those who get management consulting offers from those who don't; the 10 biggest mistakes candidates make in case interviews (and how to avoid them); the 3 specific things interviewers expect in the first 5

minutes of a case that often decide the outcome on the spot; and an insider's take on what interviewers really look for and why--and how to give them what they want.

A behind-the-scenes, revelatory history of the controversial consulting firm traces its decades-long influence in both business and political arenas, citing its role in the establishment of mainstream practices and modern understandings about capitalism while evaluating the failures that have compromised its reputation. 60,000 first printing.

"In Stupid things I won't do when I get old, Petro candidly addresses the fears, frustrations, and stereotypes that accompany aging. He offers a blueprint for the new old age, and an understanding that aging and illness are not the same. As he writes, 'I meant the list as a pointed reminder--to me--to make different choices when I eventually cross the threshold to 'old'" -- Excerpt from jacket flap.

A FINANCIAL TIMES AND TLS BOOK OF THE YEAR An exhilarating new biography of John von Neumann: the lost genius who invented our world 'A sparkling book, with an intoxicating mix of pen-portraits and grand historical narrative. Above all it fizzes with a dizzying mix of deliciously vital ideas. . . A staggering achievement' Tim Harford The smartphones in our pockets and computers like brains. The vagaries of game theory and evolutionary biology. Self-replicating moon bases and nuclear weapons. All bear the fingerprints of one remarkable man: John von Neumann. Born in Budapest at the turn of the century, von Neumann is one of the most influential scientists to have ever lived. His colleagues believed he had the fastest brain on the planet - bar none. He was instrumental in the Manhattan Project and helped formulate the bedrock of Cold War geopolitics and modern economic theory. He created the first ever programmable digital computer. He prophesied the potential of nanotechnology and, from his deathbed, expounded on the limits of brains and computers - and how they might be overcome. Taking us on an astonishing journey, Ananyo Bhattacharya explores how a combination of genius and unique historical circumstance allowed a single man to sweep through so many different fields of science, sparking revolutions wherever he went. Insightful and illuminating, The Man from the Future is a thrilling intellectual biography of the visionary thinker who shaped our century.

Perkins, a former chief economist at a Boston strategic-consulting firm, confesses he was an "economic hit man" for 10 years, helping U.S. intelligence agencies and multinationals cajole and blackmail foreign leaders into serving U.S. foreign policy and awarding lucrative contracts to American business.
