

## Castle

The definitive—and salacious—history of the iconic hotel that Hollywood stars have called a home away from home for almost a century. Since 1929, Hollywood’s brightest stars have flocked to the Chateau Marmont as if it were a second home. Perched above the Sunset Strip like a fairytale castle, the Chateau seems to come from another world entirely. An apartment building-turned-hotel, it has been the backdrop for generations of gossip and folklore: director Nicholas Ray slept with his sixteen-year-old Rebel Without a Cause star Natalie Wood; Jim Morrison swung from the balconies; John Belushi suffered a fatal overdose; and Lindsay Lohan got the boot after racking up nearly \$50,000 in charges in less than two months. Much of what’s happened inside the Chateau’s walls has eluded the public eye—until now. With wit and insight, Shawn Levy recounts the wild revolts and scandalous liaisons, the creative breakthroughs and marital breakdowns, the births and deaths to which the hotel has been a party.

Eleven-year-old Princess Celine lives with her parents, the king and queen, and her brothers and sister at Castle Glowr, which adds rooms or stairways or secret passageways most every Tuesday, and when the king and queen are ambushed while travelling, it is up to Celine—the castle's favorite—with her secret knowledge of its never-ending twists and turns, to protect their home and save their kingdom.

Mimi, Papa, and their grandchildren, Christina and Grant are uber-excited to visit the famouse Neuschwanstein Castle in Bavaria, Germany! They call it the "Crystal Castle." The excitement begins as soon as the Mystery Girl lands and Grant finds a map -- but where does it lead??? Follow the kids on their amazing adventure through cool underground caves, towering turrets, and the sights, sounds and tastes (yummy!) of Oktoberfest!

NYPD detective Nikki Heat must deal with the continual presence of magazine journalist Jameson Rook as she works to solve the murder of a real estate magnate.

The Castle

A Hobbyist's Guide

In Castle Builders, Malcolm Hislop looks at the hugely popular subject of castles from the unusual perspective of design and construction. In this general introduction to the subject, we discover something of the personalities behind their creation - the architects and craftsmen - and, furthermore, the techniques they employed, and how style and technology was disseminated. Castle Builders takes both a thematic and a chronological approach to the design and construction of castles, providing the reader with clear lines of development. Themes include earth, timber and stone construction techniques, the evolution of the great tower, the development of military engineering, the progression of domestic accommodation, and the degree to which aesthetics contributed to castle design.

The story of K and his arrival in a village where he is never accepted, and his relentless, unavailing struggle with authority in order to gain entrance to the castle that seems to rule it. K's isolation and perplexity, his begging for the approval of elu "Castles of Ireland: Some Fortress Histories and Legends" by Constance Louisa Adams. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten - or yet undiscovered gems - of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

The Blue Castle is a novel full of humour and romance. It tells the story of a woman named Valency and her discovery of a new world of love and happiness. Valency escapes the clutches of her overbearing family and finds solace in her new friendships and new surroundings. This early work by L. M. Montgomery was originally published in 1926 and we are now republishing it with a brand new introductory biography. Lucy Maud Montgomery was born on 30th November 1874, New London, in the Canadian province of Prince Edward Island. Her mother, Clara Woolner (Macneil), died before Lucy reached the age of two and so she was raised by her maternal grandparents in a family of wealthy Scottish immigrants. In 1908 Montgomery produced her first full-length novel, titled 'Anne of Green Gables'. It was an instant success, and following it up with several sequels, Montgomery became a regular on the best-seller list and an international household name.

Now an old man, John is haunted by memories of enlisting to fight in World War II, a decision which forced him to face the horrors of war and changed his life forever.

Text and detailed drawings follow the planning and construction of a "typical" castle and adjoining town in thirteenth-century Wales.

Pitkin presents the fascinating and engaging story of everyday life in and around castles - from 1066 to the 1400s. Alongside the Church, the stone castle was one of the enduring symbols of medieval life. To the poor, its intimidating walls represented the preordained social order. To many,

the castle represented business, and the heights of ambition. And to the rich it represented fun and frivolity in the form of feasting, chivalry and games. The guide uncovers the complexities of life in and around such settlements: the family, the workers, the food, the wars and the entertainment. Look out for more Pitkin Guides on the very best of British history, heritage and travel, particularly the other books in the 'Life in' series: Medieval England, Tudor England, Stuart England, Georgian England and Victorian Britain.

No Crowns in the Castle

We Have Always Lived in the Castle

Now a major motion picture from Lionsgate starring Brie Larson, Woody Harelson, and Naomi Watts. MORE THAN SEVEN YEARS ON THE NEW YORK TIMES BESTSELLER LIST The perennially bestselling, extraordinary, one-of-a-kind, “nothing short of spectacular” (Entertainment Weekly) memoir from one of the world’s most gifted storytellers. The Glass Castle is a remarkable, revelatory look into a family at once deeply dysfunctional and uniquely vibrant. When sober, Jeannette’s brilliant and charismatic father captured his children’s imagination, teaching them physics, geology, and how to embrace life fearlessly. But when he drank, he was dishonest and destructive. Her mother was a free spirit who abhorred the idea of domesticity and

learned to take care of themselves. They fed, clothed, and protected one another, and eventually found their way to New York. Their parents followed them, choosing to be homeless even as their children prospered. The Glass Castle is truly astonishing—a memoir permeated by the intense love of a peculiar but loyal family.

When a dusty old trophy awarded to her aunt’s high school singing group turns up and brings back memories of an unsolved murder, chocolate shop manager Lee McKinney Woodyard realizes it is actually a clue to a present-day killing. Reprint. 30,000 first printing.

Uses the aerial photography to reveal the medieval castles of Britain in their landscape setting.

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children’s imagination, teaching them how to embrace life fearlessly. But when he drank, he was dishonest and destructive. Her mother was a free spirit who abhorred the idea of domesticity and learned to take care of themselves. They fed, clothed, and protected one another, and eventually found their way to New York. Their parents followed them, choosing to be homeless even as their children prospered. The Glass Castle is truly astonishing—a memoir permeated by the intense love of a peculiar but loyal family.

responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of fiery determination to carve out a successful life. -- From publisher description.

Hobbyist's Guide is a fascinating, nostalgic look at one of the pioneers of home entertainment.

Leave your crown at the door. Fantasia Barrino Taylor--American Idol, Grammy-winning vocalist, and chart-topping singer--and her husband businessman Kendall Taylor were both successful and living in their purpose when they met and married three weeks later. Their marriage has had its ups and downs, but the one thing that has sustained them through all of it is the practice of taking off their crowns--the accolades, their egos, the things the world tells you matter--and serving each other within the home. It doesn't matter who you are in the world--you need to humble yourself and

serve your partner in order to put your marriage, your family, and your faith first. Seven years later, after facing a host of real-world challenges--from marital stress to professional and financial pressures, to their high-risk pregnancy and the premature birth of their daughter--Fantasia and Kendall's marriage has become a beacon of hope and love as they have opened up about their lives in their weekly 'Taylor Talks' broadcast. Now, in their first book together, Fantasia and Kendall dish about their shared experiences and struggles, opening up about the challenges and triumphs they've faced together and how they have come out stronger for one another. They also share stories about how they've made their relationship work against all odds and why they try to always treat each other like royalty. In their trademark no-nonsense, real-talk style, they discuss topics that affect all relationships, including the importance of submitting to them. They also share conflict, clearing the lines of communication, keeping the romance alive, navigating the challenges of blended family, and how to maintain healthy relationships when you haven't seen them modeled before.

Insightful, wise, and grounded in faith, Fantasia and Kendall's story offers hope and encouragement and gives straight-up advice about making your relationships last. Descended from the Viking raiders who settled in Northern France under the leadership of Rollo in around 911, the Normans were amongst the most feared warriors of their time. Their territorial ambitions culminated in Duke William 1’s conquest of England in 1066, but although victory at Hastings left the English crown in William’s hands, Norman sovereignty remained far from established on the island. In order to consolidate his position, the new king built a series of fortifications across the country this book covers all these developments from the early days of William I through to the fortifications of Henry II, Richard I and John.

Castle on the Hill

The Glass Castle

*Beatrix and William's impending nuptials are delayed when the remodeling of their future home, Castle Cottage, causes more problems than anticipated, as a carpenter who was fired for stealing turns up dead. The two children in Castle of Books go on a creative journey to discover the answer to the question, 'Why do we need books?'. As they look through piles and piles of books and discover the incredible words within, they find lots of answers to this question; to observe, to discover, to imagine, to understand each other and so much more. In the summer of 1978, a mother and her four-year-old were stabbed to death in the quiet town of New Castle. Police suspected the husband, Lou Kadunce, but were unable to find either a weapon or a motive. Sitting in a Lawrence County jail in 1981, convicted serial killer Michael Atkinson accused Frank Costal of a carnj, petty thief and Satanist of having an affair with the Kadunce husband and participating in the murder. A series of intense trials ensued as Costal was convicted of the homicides and a jury found the husband not guilty. Questions surrounding the case gripped the region and grabbed headlines in the Pittsburgh Press. Author Dale Richard Perelman tells this tragic story.*

A new way of looking at the medieval castle - as a cultural reflection of the society that produced it, seen through art and literature.

The Classic Bestselling Saga by Science Fiction Grand Master Robert Silverberg Lord Valentine's Castle He is a man with no past—a wanderer without memory of his origins. He calls himself Valentine. As a member of a motley group of entertainers, he travels across the magical planet of Majipoor, always hoping he will meet someone who can give him back what he has lost. And then, he begins to dream—and to receive messages in those dreams. Messages that tell him that he is far more than a common vagabond—he is a lord, a king turned out of his castle. Now his travels have a purpose—to return to his home, discover what enemy took his memory, and claim the destiny that awaits him. . .

The original forced conversion of pagan Livonia, what is now the Baltic states of Latvia and Estonia, was carried out by a military order known as the Brethren of the Sword. In 1236 this order was incorporated into the Teutonic Knights following a catastrophic military defeat. The knights had always consolidated their conquests through networks of castles and fortified places, and the Livonian Chapter of the Teutonic Order built castles of stone. This title covers the developmental and operational history of these fortresses over the length of the Middle Ages. It details how the Baltic fortifications of the Teutonic Knights evolved to reflect the changing nature of siege warfare and the increasing dominance of gunpowder in warfare.

The Idea of the Castle in Medieval England

The Blue Castle

A New York Times bestseller with an “engaging narrative and array of detail” (The Wall Street Journal), the “intimate and sweeping” (Raleigh News & Observer) untold, true story behind the Biltmore Estate—the largest, grandest private residence in North America, which has seen more than 120 years of history pass by its front door. The story of Biltmore spans World Wars, the Jazz Age, the Depression, and generations of the famous Vanderbilt family, and features a captivating cast of real-life characters including F. Scott Fitzgerald, Thomas Wolfe, Teddy Roosevelt, John Singer Sargent, James Whistler, Henry James, and Edith Wharton. Orphaned at a young age, Edith Stuyvesant Dresser claimed lineage from one of New York’s best known families. She grew up in Newport and Paris, and her engagement and marriage to George Vanderbilt was one of the most watched events of Gilded Age society. But none of this prepared her to be mistress of Biltmore House. Before their marriage, the wealthy and bookish Vanderbilt had dedicated his life to creating a spectacular European-style estate on 125,000 acres of North Carolina wilderness. He summoned the famous

landscape architect Frederick Law Olmsted to tame the grounds, collaborated with celebrated architect Richard Morris Hunt to build a 175,000-square-foot chateau, filled it with priceless art and antiques, and erected a charming village beyond the gates. Newlywed Edith was now mistress of an estate nearly three times the size of Washington, DC and benefactress of the village and surrounding rural area. When fortunes shifted and changing times threatened her family, her home, and her community, it was up to Edith to save Biltmore—and secure the future of the region and her husband’s legacy. This is the fascinating, “soaring and gorgeous” (Karen Abbott) story of how the largest house in America flourished, faltered, and ultimately endured to this day.

Red Castle ... an ancient citadel of wine-red stone in the heart of Utah's primitive High Uinta Mountains. Hidden away near its rocky base, a small plane lies twisted and broken. The four men ... desperate, ruthless, will stop at nothing to retrieve the plane's valuable cargo, but their only clue to its location are the words ... Red Castle. Jesse Chisholm ... rugged, lonely, one of the new breed of modern Mountain Men. As a geologist for the Forest Service, he calls the wilderness his home and only the mountains know the secrets of his heart. Melissa Heydon ... spirited, young, in love with life, the mountains, and Jesse Chisholm.

Lydia Riverthane has always dreamed of being a professional wrassler, the greatest of all fighters in the kingdom of Grimslade. There are just a few pesky things standing between her and the big tournament at Wrassle Castle. THERE'S ONLY ONE WAY LYDIA CAN SAVE HER BROTHER—WRASSLING! Lydia Riverthane has always dreamed of being a professional wrassler, the greatest of all fighters in the kingdom of Grimslade. This entrancing classic fantasy novel is filled with surprises at every turn. An international bestseller, this much-loved book is the source for the Academy Award nominee for Best Animated Feature. Sophie has the great misfortune of being the eldest of three daughters, destined to fail miserably should she ever leave home to seek her fate. But when she unwittingly attracts the ire of the Witch of the Waste, Sophie finds herself under a horrid spell that transforms her into an old lady. Her only chance at breaking it lies in the ever-moving castle in the hills: the Wizard

Howl's castle. To untangle the enchantment, Sophie must handle the heartless Howl, strike a bargain with a fire demon, and meet the Witch of the Waste head-on. Along the way, she discovers that there's far more to Howl-and herself-than first meets the eye. In this giant jigsaw puzzle of a fantasy, people and things are never quite what they seem. Destinies are intertwined, identities exchanged, lovers confused. The Witch has placed a spell on Howl. Does the clue to breaking it lie in a famous poem? And what will happen to Sophie Hatter when she enters Howl's castle? All fans of classic fantasy books deserve the pleasure of reading those by Diana Wynne Jones, whose acclaim included the World Fantasy Award for Life Achievement. As Neil Gaiman stated, she was "quite simply the best writer for children of her generation." The three books in the World of Howl are: Howl's
