LIPPINCOTT Q&A REVIEW FOR NCLEX-RN. 13E is designed to help pre-licensure nursing students prepare to take the licensing examination. The book has more than 6,000 questions reviewing the four major content areas of pre-licensure programs: obstetrics, pediatrics, medical-surgical, and mental health nursing. The textbook also includes six comprehensive examinations to provide students a realistic example of the NCLEX-RN test, in which items are randomized by subject area and difficulty, and an additional new examination focused specifically on the challenging content area of pharmacology. The questions align with the 2019 National Council of State Boards of Nursing (NCSBN) test plan and are written in the style used on the licensing examination, with heavy emphasis on alignment of content with the NCSBN's Practice Analysis and associated Activity Statements. Other features include the use of all the types of alternate-format questions found on the licensing examination, detailed rationales for both correct and incorrect answers, information about the NCLEX-RN, study tips, and a Content Mastery and Test-Taking Self Analysis grid by which students can chart their own progress and modify study as needed.
