“Beautifully written, expertly researched and masterfully presented, this tour of how heaven has been understood throughout history is absolutely fascinating.” —James Martin, SJ, author of Jesus: A Pilgrimage A smart and thought-provoking cultural history of heaven. What do we think of when we think about heaven? What might it look like? Who or what might be there? Since humans began to huddle together for protection thousands of years ago, these questions have been part of how civilizations and cultures define heaven, the good place beyond this one. From Christianity to Islam to Hinduism and beyond, from the brush of Michelangelo to the pen of Dante, people across millennia have tried to explain and describe heaven in ways that are distinctive and analogous, unique and universal. In this engrossing cultural history of heaven, Catherine Wolff delves into how people and cultures have defined heaven over the centuries. She describes how different faiths and religions have framed it, how the sense of heaven has evolved, and how nonreligious influences have affected it, from the Enlightenment to the increasingly nonreligious views of heaven today. Wolff looks deep into the accounts of heaven to discover what’s common among them and what makes each conception distinct and memorable. The result is Beyond, an engaging, thoughtful exploration of an idea that is central to our humanity and our desire to define an existence beyond death.

Known for the wit of her writing, Catherine Cookson was the UK’s most widely read novelist during her lifetime. When her Estate discovered this never-before-published memoir in the attic of her home, it was an astonishing find. Before I Go is the definitive story of her life, in the author's own candid words. While Cookson had authored previous autobiographies, none have truly touched upon the tragedy and personal anguish she experienced until now. For the first time, she reveals the worst years of her life—her constant battles with illness and a series of devastating miscarriages, the damaging jealousy of her friend and her struggle to be taken seriously as a writer. But what shines through most is her strength in the face of adversity, her deep love for her husband, Tom, the solace she found in her art and her unmistakable character. Before I Go is an inspiring story of resilience and a must for any Cookson fan.

Now updated with a new afterword, Captive is an emotional, ripped-from-the-headlines exposé that lays bare the secretive cult that shocked the world—for fans of Leah Remini’s Troublemaker and Lawrence Wright’s Going Clear. I am a mother whose child is being abused and exploited. And I am not alone. In 2011, former Dynasty star Catherine Oxenberg joined her daughter, India, at a leadership seminar for a new organization called NXIVM. Her then twenty-year-old daughter was on the threshold of starting her own professional life and they both thought this program might help her achieve her dream. But quickly, Catherine saw a sinister side to the program that claimed to simply want to help its clients become the best versions of themselves. Catherine watched in horror as her daughter fell further and further down the rabbit hole, falling under the spell of NXIVM’s hypnotic leader, Keith Raniere. Despite Catherine’s best efforts, India was drawn deeper into the cult, eventually joining an elite “sorority” of women members who were ordered to maintain a restricted diet, recruit other women as “slaves,” and were branded with their leader’s initials. In Captive, Catherine shares even her parent’s worst nightmare, and the lengths that a mother will go to save her child. Catherine’s efforts finally led the FBI to take notice—and the journey is not yet over. A powerful depiction of a mother’s love and determination, and with horrifying insider details never revealed in any news story, Captive will keep you reading until the very last page.

A gothic-infused debut of literary suspense, set within a secluded, elite university and following a dangerously curious, rebellious undergraduate who uncovers a shocking secret about an exclusive circle of students . . . and the dark truth beneath her school's promise of prestige. Trust us, you belong here. Catherine House is a school of higher learning like no other. Hidden deep in the woods of rural Pennsylvania, this crucible of reformist liberal arts study with its experimental curriculum, wildly selective admissions policy, and formidable endowment, has produced some of the world's best minds: prize-winning authors, artists, inventors, Supreme Court justices, presidents. For those lucky few selected, tuition, room, and board are free. But acceptance comes with a price. Students are required to give the House three years—summers included—completely removed from the outside world. Family, friends, television, music, even their clothing must be left behind. In return, the school promises a future of sublime art and prestige, and that its graduates can become anything or anyone they desire. Among this year's incoming class is Ines Murillo, who expects to trade blurry nights of parties, cruel friends, and dangerous men for rigorous intellectual discipline—only to discover an environment of sanctioned revelry. Even the school's enigmatic director, Viktória, encourages the students to explore, to expand their minds, to find themselves within the formidable iron gates of Catherine. For Ines, it is the closest thing to a home she's ever had. But the House's strange protocols soon make this refuge, with its worn velvet and weathered leather, feel increasingly like a gilded prison. And when tragedy strikes, Ines begins to suspect that the school—in all its shabby splendor, hallowed history, advanced theories of art and controlled decadence—might be hiding a dangerous agenda within the secretive, tightly knit group of students selected to study its most promising and mysterious curriculum. Combining the haunting sophistication and dusky, atmospheric style of Sarah Waters with the unsettling isolation of Kazuo Ishiguro's Never Let Me Go, Catherine House is a devious, deliciously steamy, and suspenseful page-turner with shocking twists and sharp edges that is sure to leave readers breathless.

The Disappearing ACT

One Woman, Two World Wars, and a Legacy of Courage

This is the 1955 autobiography of Cecelia Walsh, a high-spirited American woman who was drawn to the Order of Carmel, one of the oldest, most austere and strictly cloistered orders of nuns in the Catholic Church, and became Mother Catherine Thomas. Here she writes of her three decades in the cloister with candor, sensitivity, and humor. She tells her story of her own vocation, her life as a Carmelite, what drew her to the cloister, and what kept her there, and includes the small details that many might wish to ask but are afraid to.

Catherine is tired of struggling musicians befriending her just so they can get a gig at her Dad's famous Manhattan club, The Underground. Then she meets mysterious Hence, an unbelievably passionate and talented musician on the brink of success. As their relationship grows, both are swept away in a fiery romance. But when their love is tested by a cruel whim of fate, will pride keep them apart? Chelsea has always believed that her mom died of a sudden illness, until she finds a letter her dad has kept from her for years -- a letter from her mom, Catherine, who didn't die: She disappeared. Driven by unanswered questions, Chelsea sets out to look for her -- starting with the return address on the letter: The Underground. Told in two voices, twenty years apart, Catherine delivers a fresh retelling of the Emily Brontë classic Wuthering Heights, interweaving a timeless forbidden romance with a captivating modern mystery.

Born into a minor noble family, Catherine transformed herself into empress of Russia by sheer determination. "[Putin's People] will surely now become the definitive account of the rise of Putin and Putinism." —Anne Applebaum, The Atlantic
"This riveting, immaculately researched book is arguably the best single volume written about Putin, the people around him and perhaps even about contemporary Russia itself in the past three decades." —Peter Frankopan, Financial Times
Interference in American elections. The sponsorship of extremist politics in Europe. War in Ukraine. In recent years, Vladimir Putin’s Russia has waged a concerted campaign to expand its influence and undermine Western institutions. But how and why did all this come about, and who has orchestrated it? In Putin’s People, the investigative journalist and former Moscow correspondent Catherine Belton reveals the untold story of how Vladimir Putin and the small group of KGB men surrounding him rose to power and looted their country. Delving deep into the workings of Putin’s Kremlin, Belton accesses key inside players to reveal how Putin replaced the freewheeling tycoons of the Yeltsin era with a new generation of loyal oligarchs, who in turn subverted Russia’s economy and extended the Kremlin’s reach into the United States and Europe. The result is a chilling and revelatory exposé of the KGB’s revanche—a story that begins in the murk of the Soviet collapse, when networks of operatives were able to siphon billions of dollars out of state enterprises and move their spoils into the West. Putin and his allies subsequently completed the agenda, reasserting Russian power while taking control of the economy for themselves, suppressing independent voices, and launching covert influence operations abroad. Ranging from Moscow and London to Switzerland and Brooklyn’s Brighton Beach—and assembling a colorful cast of characters to match—Putin’s People is the definitive account of how hopes for the new Russia went astray, with stark consequences for its inhabitants and, increasingly, the world.

The incredible story of Catherine Leroy, one of the few woman photographers during the Vietnam War, told by an award-winning journalist and children’s author
From award-winning journalist and children’s book author Mary Cronk Farrell comes the inspiring and fascinating story of the woman who gave a human face to the Vietnam War. Close-Up on War tells the story of French-born Catherine Leroy, one of the war’s few woman photographers, who documented some of the fiercest fighting in the 20-year conflict. Although she had no formal photographic training and had never traveled more than a few hundred miles from Paris before, Leroy left home at age 21 to travel to Vietnam and document the faces of war. Despite being told that women didn’t belong in a “man’s world,” she was cool under fire, gravitated toward the thickest battles, went along on the soldiers’ slogs through the heat and mud of the jungle, crawled through rice paddies, and became the only official photojournalist to parachute into combat with American soldiers. Leroy took striking photos that gave America no choice but to look at the realities of war—showing what it did to people on both sides—from wounded soldiers to civilian casualties. Later, Leroy was gravely wounded from shrapnel, but that didn’t keep her down more than a month. When captured by the North Vietnamese in 1968, she talked herself free after photographing her captors, scoring a cover story in Life magazine. A recipient of the George Polk Award, one of the most prestigious awards in journalism, Leroy was one of the most well-known photographers in the world during her time, and her legacy of bravery and compassion endures today. Farrell interviewed people who knew Leroy, as well as military personnel and other journalists who covered the war. In addition to a foreword by Pulitzer Prize–winning journalist Peter Arnot, the book includes a preface, author’s note, endnotes, bibliography, timeline, and index.

What makes Catherine so special? She can't talk, she can't walk like her cousin Frances can. But Catherine listens very hard (hardly anyone does that), and she can walk in her special shoes, but when Frances tries, she just falls over! And her claps are so quiet that hardly anyone can hear them. These are the things that make Catherine special and, because her family knows how special she is, this makes them feel special too. This is the story of a child born with severe additional needs that focusses on the special nature of her abilities. Written from first-hand experience of the author's niece, this is a thoroughly researched and heart-warming book that will enlighten all who read it. Foreword by Jacqueline Wilson.

Catherine, a spirited and inquisitive young woman of good family, narrates in diary form the story of her fourteenth year--the year 1290. A Newbery Honor Book.

In this gripping family tale, Catherine Ehrlich explores her Austrian grandparents’ influential lives at the crossroads of German and Jewish national movements. Weaving her grandmother Irma’s spellbinding memoirs into her narrative, she profiles a charismatic woman who confronts history with courage and rebuilds lives—for herself and Europe’s dispossessed. Starting out in Bohemia’s picturesque countryside, Irma studies languages in Prague alongside Kafka and Einstein—and so joins Europe’s intelligentsia. Tension builds as World War I destroys that world, and Irma marries prominent Zionist, Jakob Ehrlich, bold advocate for Vienna’s 180,000 Jews. Irma’s direct words detail the weeks after Hitler’s arrival when Adolf Eichmann himself appears to liberate Irma and her son from Vienna. Irma’s stunning turnaround in London unfolds amidst a dazzling cohort of luminaries—Chaim and Vera Weizmann, and Viscountess Beatrice Samuel among them. Irma finds her voice as an activist, saving lives and resettling refugees, and ultimately moves on to New York where her work resumes among high-profile friends like Catskills hostess Jennie Grossinger. Along the way, Ehrlich queries her family’s fate: what was behind Eichmann’s twisted role in her grandparents’ lives? How was Irma able to focus outwardly when her own life was in crisis? Part intimate memoir, part historical thriller, Irma’s Passport is an inspiring true story about remarkable women whose unsung courage restored the world we know.
