History, Geography and Civics provides an in-depth and engaging introduction to teaching and learning socio-environmental education from F-6 in Australia and New Zealand. It explores the centrality of socio-environmental issues to all aspects of life and education and makes explicit links between pedagogical theories and classroom activities. Part I introduces readers to teaching and learning history, geography and environmental studies, and civics and citizenship, as well as issues in intercultural and global education. Part II explores the use of media and sources, values and attitudes, assessment and creative teaching. Each chapter provides links to the Australian Curriculum, including cross-curriculum priorities: sustainability, Aboriginal and Torres Strait Islander education, and Asia and Australia's engagement with Asia. History, Geography and Civics encourages the reader to consider their own beliefs, values and attitudes in relation to their teaching and includes provocations and reflective questions to foster discussion and engagement.

At Santa Cruz Central High School, they called them the misfits, the outcasts, the weirdos. But most of us knew them as the Lost Boys...Miller Stratton is a survivor. After a harrowing childhood of poverty, he will do anything it takes to find security for himself and his mom. He's putting all his hopes and dreams in the fragile frame of his guitar and the beauty he creates with its strings and his soulful voice.Until Violet.No one expects to meet the love of their life at age thirteen. But the spunky rich girl steals Miller's heart and refuses to give it back.Violet McNamara's life hasn't been as simple as it looks. Her picture-perfect family is not so perfect after all. Her best friend Miller is her one constant and she is determined not to ruin their friendship with romantic complications.But the heart wants what it wants. As Miller's star begins to rise to stratospheric heights, what will it take for Violet to realize that she's the girl in all of his love songs?Lost Boys is a new series of interconnected, coming-of-age standalones from USA Today bestselling author Emma Scott, coming in 2020

Reciting a rosary is an ancient act of spiritual devotion, this book presents the rosary of love to be recited in praise of love. It has one hundred and one love poems representing one hundred and one beads of a rosary. In this rosary, each poem has a different flavour, each poem has a different shade, and each poem leaves a different yet beautiful impression of love.

Our NEET Foundation series is sharply focused for the NEET aspirants. Most of the students make a career choice in the middle school and, therefore, choose their stream informally in secondary and formally in senior secondary schooling, accordingly. If you have decided to make a career in the medical profession, you need not look any further! Adopt this series for Class 9 and 10 today.

Nicholas Hunt is the man I hate.For good reason.His opinion of me is tainted by prejudice even before my arrival at his grandmother's estate, and my first impression of him is just as abysmal.His arrogance and icy demeanor make it clear that he's the type of man who's best handled at a distance.Fortunately, space shouldn't be an issue inside this Gilded Age mansion and its lush gardens. If I stick with the servants and he keeps to his sailboat and vintage Porsche, we should hardly cross paths at all. Unfortunately, at Rosethorn, I find that all roads eventually lead to Nicholas Hunt.Sparks fly as we spar at the dinner table. Fighting words are flung in the shadows of the palatial halls. We hang suspended in our hatred of one another, painfully oblivious to the heat and tension that build with every moment we're left alone. We're liable to kill one another, I think...right up until my eyes land on his lips and a new feeling grips hold of me: lust. What's worse? He knows it.They say you should keep your enemies close, but when Nicholas tightens his grip on my waist and draws me near, I'm not sure if it's out of loathing or love. One thing's for sure- I intend to find out.

Nehru's view of world history scintillates here. In his autobiography, Toward Freedom, Jawaharlal Nehru, describes the landmarks in the Indian Freedom Struggle. In this volume, while in jail in 1934, he writes 196 letters to his daughter Indira, which provide a panorama of world history- all without any access to a reference library. Truly mesmerizing stuff.

With the newly introduced 2 Term Examination Pattern, CBSE has eased out the pressure of preparation of subjects and cope up with lengthy syllabus. Activist Mahatma Gandhi is best remembered as the freedom fighter who brought the concepts of passive resistance and civil disobedience to the world's attention in his quest for Indian independence from British rule. In the volume Indian Home Rule, Gandhi sets forth a compelling series of arguments against British colonialism in India, giving voice to the viewpoints that fueled his decades-long campaign.

Lakhmir Singh's Science is a series of books which conforms to the NCERT syllabus. The main aim of writing this series is to help students understand difficult scientific concepts in a simple manner in easy language. The ebook version does not contain CD.

This first report deals with some of the major development issues confronting the developing countries and explores the relationship of the major trends in the international economy to them. It is designed to help clarify some of the linkages between the international economy and domestic strategies in the developing countries against the background of growing interdependence and increasing complexity in the world economy. It assesses the prospects for progress in accelerating growth and alleviating poverty, and identifies some of the major policy issues which will affect these prospects.
