You've undoubtedly heard the expression "time heals all wounds."

Unfortunately, it isn't true. As many pastors and counselors know, people still carry hurts from thirty or forty years ago. The truth is, time often

makes things worse. Wounds that are left untended fester and spread infection throughout your entire body. Time only extends the pain if the problem isn't dealt with.

Your First Step to Celebrate Recovery introduces you to a biblical and balanced program that has helped nearly a million people overcome their hurts, hang-ups, and habits. Based on the actual words of Jesus found in the Sermon on the Mount rather than psychological theory, the Celebrate Recovery program

Author and founder John Baker tells the true story of how Celebrate Recovery became one of the largest Christ-centered recovery programs in history. Baker will help you discover how God's love, truth, grace and forgiveness can bring healing into your life.

Out of Denial Into God's Grace,

you will experience the first 3

of the 8 recovery principles: 1

Realize I'm not God. I admit

that I am powerless to control my tendency to do the wrong

thing and that my life is

5:3). 2 Earnestly believe that

him, and that he has the

power to help me recover.

for they shall be comforted"
(Matthew 5:4). 3 Consciously
choose to commit all my life
and will to Christ's care and

(Matthew 5:5). By working
through the lessons and
exercises found in each of the
four Participant's Guides you
will begin to experience the

have been seeking, restore
and develop stronger
relationships with others and
with God, and find freedom
