*dazzling gift. This example features Josephine Wall's One Hundred Years. From a young age, Josephine Wall has been passionate about light and colour, fantasy and visual story telling. She uses acrylic paint to build textural layers and create colourful effects and believes that there are never enough hours in the day for her to paint all the images that are in her head.*

*The classic work on the music of Afrofuturism, from jazz to jungle More Brilliant than the Sun: Adventures in Sonic Fiction is one of the most extraordinary books on music ever written. Part manifesto for a militant posthumanism, part journey through the unacknowledged traditions of diasporic science fiction, this book finds the future shock in Afrofuturist sounds from jazz, dub and techno to funk, hip hop and jungle. By exploring the music of such musical luminaries as Sun Ra, Alice Coltrane, Lee Perry, Dr Octagon, Parliament and Underground Resistance, theorist and artist Kodwo Eshun mobilises their concepts in order to open the possibilities of sonic fiction: the hitherto unexplored intersections between science fiction and organised sound. Situated between electronic music history, media theory, science fiction and Afrodiasporic studies, More Brilliant than the Sun is one of the key works to stake a claim for the generative possibilities of Afrofuturism. Much referenced since its original publication in 1998, but*

"A dazzling journey across the sciences and humanities in search of deep laws to unite them." --The Wall Street Journal One of our greatest living scientists--and the winner of two Pulitzer Prizes for *On Human Nature* and *The Ants*--gives us a work of visionary importance that may be the crowning achievement of his career. In *Consilience* (a word that originally meant "jumping together"), Edward O. Wilson renews the Enlightenment's search for a unified theory of knowledge in disciplines that range from physics to biology, the social sciences and the humanities. Using the natural sciences as his model, Wilson forges dramatic links between fields. He explores the chemistry of the mind and the genetic bases of culture. He postulates the biological principles underlying works of art from cave-drawings to *Lolita*. Presenting the latest findings in prose of wonderful clarity and oratorical eloquence, and synthesizing it into a dazzling whole, *Consilience* is science in the path-clearing traditions of Newton, Einstein, and Richard Feynman.

The enigmatic and richly illustrative tarot deck reveals a host of strange and iconic mages, such as The Tower, The Wheel of Fortune, The Hanged Man and The Fool: over which loom the terrifying figures of Death and The Devil. The 21 numbered playing cards of tarot have

Access Free Celestial Journeys By Josephine Wall 2018 12 X 12 Inch  
Monthly Square Wall Calendar With Glitter Flocked Cover By Flame Tree  
Fantasy Art Artist Illustration Paintings

always exerted strong fascination, way beyond their original purpose, and the multiple resonances of the deck are ubiquitous. From T S Eliot and his 'wicked pack of cards' in "The Waste Land" to the psychic divination of Solitaire in Ian Fleming's "Live and Let Die"; and from the satanic novels of Dennis Wheatley to the deck's adoption by New Age practitioners, the cards have in modern times become inseparably connected to the occult. They are now viewed as arguably the foremost medium of prophesying and foretelling. Yet, as the author shows, originally the tarot were used as recreational playing cards by the Italian nobility in the Renaissance. It was only much later, in the 18th and 19th centuries, that the deck became associated with esotericism before evolving finally into a diagnostic tool for mind, body and spirit. This is the first book to explore the remarkably varied ways in which tarot has influenced culture. Tracing the changing patterns of the deck's use, from game to mysterious oracular device, Helen Farley examines tarot's emergence in 15th century Milan and discusses its later associations with astrology, kabbalah and the Age of Aquarius.

The Getty Museum's collection of drawings was begun in 1981 with the purchase of a Rembrandt nude and has since become an important repository of European works from the fifteenth through the nineteenth century. As in the first volume devoted to the collection (published

Access Free Celestial Journeys By Josephine Wall 2018 12 X 12 Inch  
Monthly Square Wall Calendar With Glitter Flocked Cover By Flame Tree  
Fantasy Art Artist Illustration Paintings

in 1988 in English and Italian editions), the text is here organized first by national school, then alphabetically by artist, with individual works arranged chronologically. For each drawing, the authors provide a discussion of the work's style, dating, iconography, and relationship to other works, as well as provenance and a complete bibliography.

From one of our most important scholars and civil rights activist icon, a powerful study of the women's liberation movement and the tangled knot of oppression facing Black women. "Angela Davis is herself a woman of undeniable courage. She should be heard."—The New York Times  
Angela Davis provides a powerful history of the social and political influence of whiteness and elitism in feminism, from abolitionist days to the present, and demonstrates how the racist and classist biases of its leaders inevitably hampered any collective ambitions. While Black women were aided by some activists like Sarah and Angelina Grimke and the suffrage cause found unwavering support in Frederick Douglass, many women played on the fears of white supremacists for political gain rather than take an intersectional approach to liberation. Here, Davis not only contextualizes the legacy and pitfalls of civil and women's rights activists, but also discusses Communist women, the murder of Emmitt Till, and Margaret Sanger's racism. Davis shows readers how the inequalities between Black and

white women influence the contemporary issues of rape, reproductive freedom, housework and child care in this bold and indispensable work. Discover the goddess energies that lie within you and are guiding your life, with the ten goddess archetypes in this book. Discover How the Goddess is Guiding Your Life. You know 'the Goddess' as a divine feminine figure of myth, art and faith - but are you aware that, in truth, the Goddess is a life force that lives in you? Did you know that your multi-faceted experiences of life as a woman are influenced by Goddess consciousness? Do you sense that you have a hidden feminine energy that longs to be seen, accepted, valued - and used for a healing purpose? In this highly engaging and stirring book, leading intuitive Sophie Bashford takes you on a journey to meet nine Goddess archetypes, which will help you to: \* understand the many ups and downs, emotions and cycles of your life through the 'eyes of the Goddess' \* discover how the Goddesses can ignite your spiritual growth and uncover your feminine healing gifts \* learn how to work with each Goddess for self-healing, positive inner change and empowerment \* get in touch with a divine feminine support and healing system comprising nine archetypes - including Kali, Mary Magdalene, Aphrodite and Isis Sharing intuitively channelled messages, beautiful guided meditations and moving personal experiences, Sophie leads you into safe territories where your darkest fears can be healed, your deepest

Believing in Ourselves

**It is winter, somewhere in the United Kingdom, and an eight-year-old boy is removed from his home and family in the middle of the night. He learns that he is the victim of an extraordinary experiment. In an attempt to reform society, the government has divided the population into four groups, each representing a different personality type. The land, too, has been divided into quarters. Borders have been established, reinforced by concrete walls, armed guards and rolls of razor wire. Plunged headlong into this brave new world, the boy tries to make the best of things, unaware that ahead of him lies a truly explosive moment, a revelation that will challenge everything he believes in and will, in the end, put his very life in jeopardy ...**

**The proof is in the testimonials that have arrived by the thousands: "This is a really great book. It's simple. It's straightforward. We read it. We ran our ad. We got over 100 telephone calls. We sold our home."—John**

**Henke, Boise, ID. "Our real estate broker was green with envy. In 5 days we got 24 bids higher than the highest bid she got us in 11 1/2 years. You're our hero!"—Elizabeth & Tim Hunter, South Berwick, ME. "I had a business opportunity I couldn't take advantage of unless I sold my home immediately. I saw your book in a bookstore and sold my home the next weekend. Thanks!"—Doug Walker, Salt Lake City, UT. "Thanks to your system I sold my home in 5 days at \$1.26 million. You saved me \$78,000 in real estate commission!"—V., Potomac, MD. Now in its third edition and timed perfectly to address a challenging real estate market, *How to Sell Your Home in 5 Days* turns the conventional on its head to present an innovative, practical, and foolproof alternative that makes the market work for you, the seller. Based on the one basic truth of free enterprise—that your home is worth exactly what the highest bidder will pay for it— this step-by-step plan shows exactly how to price your home attractively; make a timetable; write an effective ad; use buyer psychology, price points, and magic numbers to get the best price; and conduct round-robin bidding. It includes new information on the Internet—including a supporting website, [www.5-day.com](http://www.5-day.com)—the most recent testimonials, and updates to every phase of the process, from whether or not to renovate a kitchen before selling to the ins and outs of transferring ownership. Homes sold through the five-day plan sell for an average of 5% more than through conventional sales, plus, the seller**

doesn't have to pay a broker's fee—making this book among the best deals of the century.

**THE INSTANT NEW YORK TIMES BESTSELLER! OPRAH'S BOOK CLUB 2018 SELECTION** “One of my favorite parts of summer is deciding what to read when things slow down just a bit, whether it’s on a vacation with family or just a quiet afternoon . . . *An American Marriage* by Tayari Jones is a moving portrayal of the effects of a wrongful conviction on a young African-American couple.” —Barack Obama “Haunting . . . Beautifully written.” —The New York Times Book Review “Brilliant and heartbreaking . . . Unforgettable.” —USA Today “A tense and timely love story . . . Packed with brave questions about race and class.” —People “Compelling.” —The Washington Post “Epic . . . Transcendent . . . Triumphant.” —Elle  
Newlyweds Celestial and Roy are the embodiment of both the American Dream and the New South. He is a young executive, and she is an artist on the brink of an exciting career. But as they settle into the routine of their life together, they are ripped apart by circumstances neither could have imagined. Roy is arrested and sentenced to twelve years for a crime Celestial knows he didn’t commit. Though fiercely independent, Celestial finds herself bereft and unmoored, taking comfort in Andre, her childhood friend, and best man at their wedding. As Roy’s time in prison passes, she is unable to hold on to the love that has been her center. After five years, Roy’s conviction is

**suddenly overturned, and he returns to Atlanta ready to resume their life together. This stirring love story is a profoundly insightful look into the hearts and minds of three people who are at once bound and separated by forces beyond their control. An American Marriage is a masterpiece of storytelling, an intimate look deep into the souls of people who must reckon with the past while moving forward—with hope and pain—into the future.**

**A music journalist on tour with a metal band finds herself on the road to hell in this horror romance by the New York Times bestselling author of The Pact. It's the summer of 1974 and all Dawn Emerson wants to do is win back her ex-boyfriend and become the best damn music journalist at Central Washington State College. But all her plans are left in the dust when Creem Magazine offers her a dream assignment: to go on the road with the up-and-coming metal band, Hybrid. Dawn looks forward to experiencing life from the other side of the stage, and maybe cracking the wild enigma that is guitarist Sage Knightly. Instead, Dawn finds herself on a rickety tour bus filled with ego-maniacs, band politics and a whole lot of sex, drugs and rock n' roll. And then the real nightmare begins... When monsters start showing up in dressing rooms and some of Sage's groupies become increasingly strange and dangerous, Dawn discovers the band is not only going places—they're going straight to Hell. And Dawn has a backstage pass.**

Part of a new series of gift books from Flame Tree, Spirit features Josephine Wall's evocative celestial art, graced with poetry and quotations for readers of every age.

Josephine is a popular artists with a huge following online.

Published to accompany the exhibition Jackson Pollock held the Museum of Modern Art, New York, from 1 November 1998 to 2 February 1999.

The Book of the Homeless includes poems, essays, original art and musical scores by such notables of the time as Henry James, W.B. Yeats, Joseph Conrad, Thomas Hardy, Igor Stravinsky, Jean Cocteau, George Santayana and Paul Claudel, as well as other artists, musicians, writers and poets. Edith Wharton edited the text as a fundraiser for her WWI French charities, The Children of Flanders Relief Committee and The American Hostels for Refugees. The introduction, written by Theodore Roosevelt, stated, "We owe to Mrs.

imaginative, brilliantly coloured paintings. You will find that Josephine Wall is a passionate, diverse and exceptionally gifted woman whose myriad accomplishments encompass nearly all areas of the artistic as well as human experience. "The art of painting is an all-consuming obsession for me," says Josephine.

Enchanting images by popular fantasy artist Josephine Wall are combined with an uplifting feast for eye and soul. Fantasy gives me the opportunity to portray the world as I would like it to be, says Jo, who has a wish to inspire in her audience a personal journey into the magical world of their own imagination. This little book of beauty and inspiring wisdom will help readers especially those with a fondness for fairies and fantasy fly as far as their wings will take them. 24K gold-plated charm on ribbon bookmark.

In November 1940, 44 young military cadets graduated from the first Army Air Corps Navigational Class at Miami University in Coral Gables, Florida. The cadets came from all parts of the United States—from the urban areas of the East Coast, westward to the Appalachian Mountains, to the Midwest and prairie states, to the Rocky Mountains, and the West Coast. These young men came from the inner cities, the farmlands, the mountains, and coastal regions, and they were all volunteers. Most were college-educated and in the prime of life. World War II was raging in Europe and it was becoming increasingly difficult for the United States to remain neutral. A few farsighted men in our small Army Air Corps saw the essential requirement for trained celestial navigators in our military aircraft. The instructor for

Access Free Celestial Journeys By Josephine Wall 2018 12 X 12 Inch  
Monthly Square Wall Calendar With Glitter Flocked Cover By Flame Tree  
Fantasy Art Artist Illustration Paintings

this navigational class was a 34-year-old high school dropout by the name of Charles J. Lunn. Charlie Lunn had first learned the art of celestial navigation aboard freighter ships in the Caribbean and later as the navigator aboard Pan American Airline planes flying to Europe and Asia. This book was written by one of those young navigators, Edgar D. Whitcomb, from Hayden, Indiana. Ed Whitcomb tells about these young comrades-in-arms and draws vivid word portraits of them as we learn of their assignments to Air Corps units. We learn how they survived and how some died in World War II. We learn about Ed's own pre-Pearl Harbor assignment with the 19th Bombardment Group at Clark Field in the Philippines and the unfortunate, and perhaps inexcusable, decision not to deploy our B-17 Flying Fortress bombers immediately after the attack on Pearl Harbor resulting in the loss of 40 percent of those aircraft as they sat parked at Clark Field when the Japanese destroyed that vital military air base on the afternoon of 8 December 1941. Charles J. Mott, Colonel, USAR, Retired

It's not easy being Apollo, especially when you've been turned into a human and banished from Olympus. On his path to restoring five ancient oracles and reclaiming his godly powers, Apollo (aka Lester Papadopoulos) has faced both triumphs and tragedies. Now his journey takes him to Camp Jupiter in the San Francisco Bay Area, where the Roman demigods are preparing for a desperate last stand against the evil Triumvirate of Roman emperors. Hazel, Reyna, Frank, Tyson, Ella, and many other old friends will need Apollo's aid to survive the onslaught. Unfortunately, the answer to their salvation lies in the forgotten tomb of a Roman

ruler . . . someone even worse than the emperors Apollo has already faced.

Pushing to the Front

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney 's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material,

Access Free Celestial Journeys By Josephine Wall 2018 12 X 12 Inch  
Monthly Square Wall Calendar With Glitter Flocked Cover By Flame Tree  
Fantasy Art Artist Illustration Paintings

showcasing a variety of views about the good, the bad, and the best way forward.

In the Lovecraftian universe there exists many terrible and horrifying things, from extraterrestrial gods and ancient secrets to zealous cults, supernatural beasts and beyond. Part of our "Fantasy and Horror Classics" imprint, this book contains a collection of Lovecraft's best horror short stories from the 'Cthulhu Mythos'. The stories include: " The Nameless City " , "The Unnamable", " The Call of Cthulhu " , " The Dunwich Horror " , " The Whisperer in the Darkness " , " Out of the Aeons " , " The Shadow over Innsmouth " , and "The Thing on the Doorstep". The perfect collection for horror lovers and fans of Lovecraft's terrifying fiction. Howard Phillips Lovecraft (1890 – 1937) was an American writer of supernatural horror fiction. Though his works remained largely unknown and did not furnish him with a decent living, Lovecraft is today considered to be among the most significant writers of supernatural horror fiction of the twentieth century. Read & Co. is publishing this classic collection of short stories now in a new edition complete with a dedication by George Henry Weiss.

Featuring the enchanting artwork of Josephine Wall, the Mystical Wisdom Deck provides guidance for the present and inspiration for the future. Archangels, goddesses, spirit animals, fairies and wonderful, mystical creatures deliver uplifting messages and gentle advice to help you get past all of life's challenges and get back to joy! The Mystical Wisdom Deck includes 46 cards with a 64-page illustrated guidebook full of hope and wisdom.
