range of contemporary crafts. Beginning with Celtic illumination, the guide carefully leads crafters through the intricacies of Celtic design, with thoughtful instruction for constructing and decorating a selection of knotwork, spiral, key, and zoomorphic patterns. After covering the basic principles of Celtic lettering and decoration, this book shifts toward the subject of traditional designs and ancient jewelry, further exploring Celtic knotwork, glass painting, and paper crafts. In each section, the materials and equipment crafters need are carefully explained, and each project is accompanied by clear, step-by-step instructions, providing close guidance through a broad range of projects. Providing not only a strong grounding in Celtic art and design, this tutorial also abounds with beautiful things to make—from necklaces, bracelets and earrings to picture frames, decorated goblets, and greetings cards. This is a fantastic, yet

The designs in Celtic illuminated manuscripts represent a distinctive fusion of native Irish, Germanic, and Near Eastern motifs. Graphic artist Ed Sibbett has brilliantly captured the intricacy and beauty of this original art tradition in 37 drawings based on illustrations in the Book of Durrow, the Gospels of St. Willibrord, and the illustrious Book of Kells. Among the motifs are the characteristic Celtic interlacings, geometric-animal combinations, and decorative initials, plus powerful
