Here's how you can pass the CMSRN exam without any lost sleep or unnecessary stress. Keep reading... Does knowing that this upcoming exam could change your life forever have you a little stressed? Even if you're confident that you know all the information, the testing atmosphere and structure of this particular exam might be something different and uncomfortable for you... Or perhaps you're not even close to being prepared yet, the day is fast approaching, and suddenly it's time for you to master the information as quickly as possible? Whatever the case may be, there is a method to this madness. It doesn't have to be some kind of chaotic and confusing mess that leaves you feeling uncertain and lost. You also don't have to continue running around in circles, jamming more and more information into your brain and hoping for the best. The clarity and confidence you need to walk into that exam room with your head held high are something you cultivate and develop. Once you understand how to properly train this methodology, you'll find everything else coming to you rather effortlessly. There is a step-by-step process that can help you accomplish all of your goals through a seamless and peaceful approach. With the right insight, a deeper look at some of the most effective testing techniques and strategies, and a new and empowered plan of action... you're sure to bring home the victory! In CMSRN Exam Prep 2021-2022, you'll discover: Why developing a broad and cohesive study plan is the most important first step you should take -- and how this will help you organize the chaos Why patience is going to be your friend -- and how to make the best use of every single second you have in that testing room Everything you'll need to know about assessments and diagnostics so that you can properly plan and evaluate any patient's unique situation Why you should have a strategy for guessing -- and how to find hints within the test questions to help you guess correctly The most up-to-date knowledge for everything you'll need to master -- from cardiovascular and respiratory illness... all the way to psychological disorders and more Specific ways this exam might try to trick you so you can be prepared for any curve balls before they come your way 4 different practice exams for you to work through, allowing you to build the necessary confidence to conquer it all ... and much more! You have the ability to overcome all of this stress and worry -- it doesn't matter if you have a year or even just a few days. With the right support and guidance, you can accomplish anything. Take a step back, take a few deep breaths, and dive into this with all you've got! If you're ready to ace this exam and move forward into the life of your dreams, then you need this book today!

Print version of the book includes free access to the app (web, iOS, and Android), which offers interactive Q&A review plus the entire text of the print book! Please note the app is included with print purchase only. The only book designed specifically to prepare students for the Adult-Gerontology Acute Care Nurse Practitioner (AG-ACNP) exams, this unparalleled review details the step-by-step journey from classroom to patient room and beyond. This book begins with proven test-taking strategies for students and provides an overview of common pitfalls for exam takers. It features question styles and content material from both the American Association of Critical-Care Nurses (AACNB) and American Nurses Credentialing Center (ANCC) exams, providing an overview of the certification exams written specifically by the certification organizations themselves. With more than 630 unique questions, this review contains completely up-to-date and evidence-based exam preparation. Practice questions are organized into body system review, special populations, and legal/ethical issues, and culminate in a 175-question practice test that represents the length, variety, and complexity of board exam questions. All questions' answers have accompanying rationales based on clinical practice guidelines. Completely unique to this publication, the last section of Adult-Gerontology Acute Care Nurse Practitioner Q&A Review guides one through the next steps after the exam-how to progress into practice with your new certification. KEY FEATURES Over 630 practice questions with answers and rationales The only current book publication designed specifically to prepare students for the AG-ACNP exams Contains the most current information and practice using published guidelines Exam tips and perils/pitfalls to avoid in test-taking Includes free access to interactive ebook and Q&A app-track and sync your progress on up to three devices!
