

## Cgp Paper Mark Scheme Ks2

A journey into one of the most fascinating minds alive today—guided by the owner himself. Born with a rare condition, author Daniel Tammet (*Thinking in Numbers*) is virtually unique among people who have severe learning difficulties in that he is capable of living a fully independent life and able to explain what is happening inside his head. He sees numbers as shapes, colors, and textures, and he can perform extraordinary calculations in his head. He can learn to speak new languages fluently, from scratch, in a week. He has memorized and recited more than 22,000 digits of pi, setting a record. He has savant syndrome, an extremely rare condition that gives him the most unimaginable mental powers, much like those portrayed by Dustin Hoffman in the film *Rain Man*. Fascinating and inspiring, *Born on a Blue Day* explores what it's like to be special and gives us an insight into what makes us all human—ordinary.

Cider with Rosie

*Maths, Science and English*

***At all times wonderfully evocative and poignant, Cider With Rosie is a charming memoir of Laurie Lee's childhood in a remote Cotswold village, a world that is tangibly real and yet reminiscent of a now distant past. In this idyllic pastoral setting, unencumbered by the callous father who so quickly abandoned his family responsibilities, Laurie's adoring mother becomes the centre of his world as she struggles to raise a growing family against the backdrop of the Great War. The sophisticated adult author's retrospective commentary on events is endearingly juxtaposed with that of the innocent, spotty youth, permanently prone to tears and self-absorption. Rosie's identity from the novel Cider with Rosie was kept secret for 25 years. She was Rose Buckland, Lee's cousin by marriage. "From the Paperback edition."***

**KS2 Maths Targeted Question Book - Year 4**

**Maths, Reading, Writing and Spelling**

**Ks2 Complete Sats Practice Papers**

**KS2 English: Grammar, Punctuation and Spelling Study Book**

'Loving words clutch crimson roses, Rude words sniff and pick their noses, Sly words come dressed up as foxes, Short words stand on cardboard boxes, Common words tell jokes and gabble, Complicated words play Scrabble ...' Read aloud, these poems will have an immediate impact and will bring enjoyment to both children and adults. The line drawings by John Lawrence, one of our finest illustrators, are also a delight.
