Warsmith Honsou, embittered nemesis of the Ultramarines and champion of Chaos. This omnibus edition collects all of Graham McNeill's Iron Warriors series together in one volume. The Iron Warriors are Chaos Space Marines with unrivalled expertise in the art of siege warfare. With great batteries of artillery and all the favours of the Ruinous Powers at their command, there is no fortress in the galaxy that can stand against them for long. This omnibus follows the schemes of the embittered Warsmith Honsou in his struggles against the hated Space Marines of the Imperium. Drawing upon characters and events from author Graham McNeill's popular Ultramarines series and for the first time in a single publication, Storm of Iron and the novella Iron Warrior are gathered along with short stories The Enemy of My Enemy, The Heraclitus Effect and The Skull Harvest.

The fifth and final book in the epic Chaos Queen series. "Perfect for fans of Daniel Abraham and Brandon Sanderson." (Library Journal on Duskfall). Nothing is as it seems. Sfaera-shattering revelations reveal there is more to the Nine Daemons--and Canta--than anyone could have imagined, and deep in the heart of Triah, a threat that has lurked below the surface for years finally rises, gathering unimaginable power. Knot, still reeling from a shocking death, tries to put himself back together in time to fight. Two ex-Nazaniin assassins, Code and Kali, form an unlikely alliance. Cinzia, more suspicious than ever of her sister Jane Oden--Canta's prophetic--rallies as many people as she can to save the Sfaera from imminent destruction. And Winter, the Chaos Queen herself, realizes she must finally choose sides and face the greatest test of her life: finding the humility to seek help. Deep in the heart of Triah, a threat that has lurked below the surface for years finally rises, gathering unimaginable power. Only the unlikely alliance formed between the two former Nazaniin assassins, Code and Kali, stands in its way. Characters old and new join forces to preserve life as they know it. The darkest night the Sfaera has ever known is about to end, but whether it ends in daylight or destruction remains to be seen..

Woe betide those they mark as their prey, for they too shall feel the fangs of the wolf around their throats... A Great Hunt is over and the Space Wolves gather in the Fang to celebrate their victories and tell tall tales of their exploits. But one company has failed to return: that of the Great Wolf, Logan Grimnar. News of his death sends the Chapter on the hunt for the truth, with Ulrik the Slayer at their head. As they fight their way across the galaxy in search of their lord, the Space Wolves uncover a threat to the future of the Chapter itself.

Chaos Queen - Dark Immolation (Chaos Queen 2)

The Codex Judas Papers

At the very birth of the Imperium of Man, fully half of the Emperor's most trusted Space Marine Legions turned against him in a bitter civil war. Brother fought brother, and Mankind stood upon the very brink of extinction. Ten thousand years after their defeat, those same traitors still launch their black crusades out of the Eye of Terror, intent upon nothing less than the utter destruction of the Imperium and the death of its weakling Emperor. This book provides an army list and sections on background, hobby section and special characters to accompany the game.

This book contains the proceedings from the Codex Judas Congress held to discuss the newly-restored Tchacos Codex. Since this codex is a newly-conserved ancient book of Christian manuscripts which had yet to be discussed collaboratively by a body of scholars, this book is nothing less than a landmark in Gnostic studies.
