Early Professional Development has recently been recognized throughout the UK as a key area for improving the quality of teaching and learning in schools. All teachers need support to move from novice to expert. Set out here

Online Library Chapter 21

Section 3 Education And

Popular Culture Guided

Reading is a range of articles to help them achieve that goal. Included are practical strategies for investigating classrooms, ideas about teaching and learning, and key debates concerning professional development, all

Online Library Chapter 21

Section 3 Education And

Popular Culture Guided Reading

selected with the aim of moving classroom practice forward. This book offers teachers the opportunity to explore the latest debates on professional development as well as providing practical tips for use in the

Online Library Chapter 21

Section 3 Education And

Popular Culture Guided Reading

classroom, and is a rich resource for those teachers committed to developing their teaching for the benefit of their pupils.

Architectural education is under pressure to meet the demands of an evolving construction industry

Online Library Chapter 21

Section 3 Education And

Popular Culture Guided Reading

and to cater to the increasingly varied career destinations of graduates. How should architectural education respond to these professional challenges? How can students be better prepared for professional practice?

Online Library Chapter 21

Section 3 Education And

Popular Culture Guided Reading

These questions are the focus of this book, which brings together contributions from a wide range of authors, from both the UK and the USA, working in the fields of architectural education, architectural practice and
