*The mid-seventeenth century saw both the expansion of the Baptist sect and the rise and growth of Quakerism. At first, the Quaker movement attracted some Baptist converts, but relations between the two groups soon grew hostile. Public disputes broke out and each group denounced the other in polemical tracts. Nevertheless in this book, Underwood contends that Quakers and Baptists had*

By examining the Quaker/Baptist relationship in particular, Underwood seeks to understand where and why Quaker views diverged from English Protestantism in general and, in the process, to clarify early Quaker beliefs.*

*The orientalist have been studying the seerah of the prophet with a view to casting doubt and raising suspicions and discrediting the life and personality of the Prophet (saw). Their approach has evolved over the period of time. At times they have been vicious in their attacks as was the case in the 18th century which with time during the 19th and 20th century became seemingly sympathetic to his life. This study by Dr Muhammad Mohar Ali critically analyses the works of three famous orientalist, William Muir, D.S Margoliouth and W. Montgomery Watt. Dr Ali refutes the charges levelled by them against the life and character of the Prophet (saw) with an erudition which the treatment of such a subject requires. Table of Contents Section 1:*
