Your guide to investing for a more sustainable world Investing in one's own future has always been a good financial move. But what if you want to ensure that the companies you have a financial interest in are also helping to improve the present and future of all of us—and of the planet? More than ever before, sustainable investors want to be confident that a company's Environmental (net zero emissions target), Social (response to the Covid-19 pandemic), and Governance (no repeats of Enron and WorldCom) policies and actions are positively impacting the global outlook—and to identify ways that their dollar can incentivize business leaders to do even better. The worldwide rise of an Environmental, Socially Responsible, and Governance (ESG) approach to investing shows you're not alone, and the \$30+ trillion—and growing—committed in this way says it's already become a transformative global movement. ESG provides a framework for evaluating companies that, unlike unrelated investment strategies, informs and guides sustainable investment. Even if you're a novice investor, ESG For Dummies will allow you to hit this new investing landscape running, providing you with measurable ways to factor ESG into company performance, see how these are reflected in your investment return, and show how you can monitor companies to ensure your money is being put to ethical use. You'll also become familiar with the big names to follow in the ESG world, how they're already effecting positive change, and how you can help. Identify the drivers for each category of ESG Define and measure material ESG factors for investing success Understand principles for building a diversified sustainable portfolio Recognize material ESG factors effect on company performance ESG investing introduces powerful tools to do real and lasting good: this book shows you how to use them to help make everyone's future, including your own, much more secure.

Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in *Arrow of God* and *No Longer at Ease*.

The A to Z guide to getting the most from your iPad Your iPad is a magical piece of technology connecting you to the rest of the world pretty much anytime and anywhere. Super thin and (well, almost) light as a feather, it allows you to keep up with your day to day duties, stay in touch with family and friends, catch up with work, relax with books and movies, or even create your own works of art. Given all it's capable of, it's essential to have a guide to help you make the most of your device. The latest edition of iPad For Dummies helps users of all experience levels navigate this amazing looking glass. Assuming no prior knowledge, it takes you from the basics—including getting to know the iPad and adding useful accessories such as keyboards and pencils—to setting up email, connecting with other devices, maintaining files, and researching and installing the best apps for you. Discover the simple steps to get up and running Make your iPad work better and faster for you Explore the features of the brand new iPadOS Get easy fixes to common problems Pick up your copy today and find out just how sweet life in Apple tablet form can be! Hook up with the Fly-fishing guide that's a keeper Some say successful fly fishing requires supreme athleticism, a surgeon's delicate touch, and the serene spirit of a Zen master. But forget the hype: The updated edition of Fly Fishing for Dummies shows that all you need to get the hang of this enjoyable sport are the right tools, a disciplined technique, and a positive attitude. Whether you're an old salt or dipping your toes in for the first time, you'll find everything you need to learn, improve, and keep your casting sharp and fresh! Longtime fishing writer Peter Kaminsky wades right in, taking you from choosing a rod and tying flies all the way through to staying dry with the right wardrobe and cooking up a delicious catch. You'll also find out how you can get by with just 20 flies, a half dozen casts, and three knots. And, if you want to plunge deeper into the sport, he suggests some bucket-list destination rivers and streams to keep you agreeably hooked and learning for life—proving that the father of fishing writers Izaak Walton was right when, three centuries ago, he said: "No life is so pleasant and happy as that of a well-governed angler."

Study your quarry—from rainbow trout to fashionable "glamour" fish Get the best rod, reel, and gear for success—including the smartest tech Know where to fish (Land or sea) and how to read the water Follow visual examples to sharpen your casting Whatever your fly-fishing aims or skill level, the proven advice and 150+ illustrations in this friendly guide are your path to a lifetime of happy and productive trips: Don't let it be the one that got away!

There are giants among us, passing largely unnoticed, intent on carrying out a secret plan to enslave all humanity. They may not look like giants today, but their bloodlines extend all the way back to the Nephilim—the offspring of angels who mated with human women—described in Genesis 6 when giants roamed the land. Gary Wayne, author of *The Genesis 6 Conspiracy: How Secret Societies and the Descendants of Giants Plan to Enslave Humankind*, details the role of modern-day Nephilim in Satan's plan to install the Antichrist at the End of Days. When God cast the angel Lucifer and his followers out of heaven, Lucifer set into motion a scheme to ensure the Nephilim survived. Why? Because from the bloodlines of these Nephilim the Antichrist will come. To keep his plan alive, Satan has enlisted the loyalty of secret societies such as the Freemasons, the Templars, and the Rosicrucians to conspire in teaching a theology and a history of the world that is contrary to the biblical one. This Genesis 6 Conspiracy marches toward the Great Tribulation, when the loyalty of the Terminal Generation—this generation—will be tested. The Bible, along with many other ancient sources, clearly records the existence of giants. Wayne provides copious citations from many society insiders, along with extensive Bible references, other religious references, and historical material to bolster his contention. What he uncovers will astonish you—and it will challenge you to prepare for the fulfilling of God's promises.
