It? In the first section we'll look at what forgiveness is, and why we need to do it. In Chapters 1 and 2, we clarify what forgiveness is, and set some clear goals and definitions of what it looks like when we succeed. In Chapter 3 we focus

on finding a
motivation to

forgive. Having a

clear motivation is

the most important

element in

forgiving, without

which, we're just

fooling ourselves. In

Chapter 4, we look

at the difference

between our hearts

and heads, and how

we need to get them
working together.

Section 2: How To

Forgive Chapters 5,

6 and 7 lay out a

practical step-by-

process. We look at

how people owe us

"debts", and what to

do to get rid of

these permanently.

We look at how

underlying

assumptions

sometimes need to

be altered for us to

learn how to trust

again, and the

different

relationship types

our lives that owe

us different types of

debts. Section 3:

How To Reconcile

In Chapter 8, we

Acces PDF

Chapter 8 Section

look at how we often need to assess the risks of reconciling with a person, types of abuse, how to tell whether they're genuinely repentant, and the factors to consider when seeking justice. In Chapters 9 and 10, we look at

how to approach
people to seek
reconciliation and
how to increase our

Essentially,
forgiveness is a

not an end in itself.
If the whole point
