Download the first five chapters of The Riverman, the first book in an exciting new series about the fine line between friends and enemies, fact and fiction, by Aaron Starmer! Alistair Cleary is the kid everyone trusts, the kid who wraps his fingers around secrets and never lets go. Fiona Loomis is not the typical girl next door. One day she shows up at Alistair's house with a proposition: she wants him to write her biography. Fiona says that in her basement there's a portal that leads to a magical world where a creature called the Riverman is stealing the souls of children. And Fiona's soul could be next. If Fiona really believes what she's saying, Alistair fears she may be crazy. But if it's true, her life could be at risk. It's up to Alistair to separate fantasy from reality. The Riverman, by master storyteller Aaron Starmer, will leave you questioning the responsibilities of friendship, the boundaries of imagination, and the true origin—and ownership—of the stories we tell.

From bestselling author of the remarkable memoir, The Distance Between Us comes an inspiring account of one woman's quest to find her place in America as a first-generation Latina university student and aspiring writer determined to build a new life for her family one fearless word at a time. "Here is a life story so unbelievable, it could only be true" (Sandra Cisneros, bestselling author of The House on Mango Street). As an immigrant in an unfamiliar country, with an indifferent mother and abusive father, Reyna had few resources at her disposal. Taking refuge in words, Reyna's love of reading and writing propels her to rise above until she achieves the impossible and is accepted to the University of California, Santa Cruz. Although her acceptance is a triumph, the actual experience of American college life is intimidating and unfamiliar for someone like Reyna, who is now estranged from her family and support system. Again, she finds solace in words, holding fast to her vision of becoming a writer, only to discover she knows nothing about what it takes to make a career out of a dream. Through it all, Reyna is determined to make the impossible possible, going from undocumented immigrant of little means to "a fierce, smart, shimmering light of a writer" (Cheryl Strayed, author of Wild); a National Book Critics Circle Award Finalist whose "power is growing with every book" (Luis Alberto Urrea, Pulitzer Prize finalist); and a proud mother of two beautiful children who will never have to know the pain of poverty and neglect. Told in Reyna's exquisite, heartfelt prose, A Dream Called Home demonstrates how, by daring to pursue her dreams, Reyna was able to build the one thing she had always longed for: a home that would endure.

Those are the cornerstones the six men of the Haven Brotherhood live and bleed by, refusing to conform to society's expectations, taking what they want and always watching each other's backs. A self-made man with his fingers in a variety of successful businesses, Jace Kennedy lives for the challenge and he always gets what he wants. From the start, he sees Vivienne Moore's hidden wild side and knows she's his perfect match, if only he can break it free. He will have her. One way or another. Vivienne's determined to ditch the rough lifestyle she grew up in, even if that means hiding her true self behind a bland socialite veneer. Dragging her party-hound sister out of a club was not how she wanted to ring in the New Year, but Viv knows the drill. Get in, get her sister and get back to the safe, stable life she's built for herself as fast as humanly possible. But Viv's plans are derailed when she finds herself crashing into the club's clearly badass and dangerously sexy owner. Jace is everything Vivienne swore she never wanted, but the more time she spends with him, the more she starts to see that he loves just as fiercely as he fights. He can walk society's walk and talk society's talk, but when he wants something, he finds a way to get it. He's proud of who he is and where he came from, and he'll be damned if he lets Vivienne go before showing her the safest place of all is in the arms of a dangerous man. The story of the eventful and controversial life of Margery Kempe - wife, mother, businesswoman, pilgrim and visionary - is the earliest surviving autobiography in English. Here Kempe (c.1373-c.1440) recounts in vivid, unembarrassed detail the madness that followed the birth of the first of her fourteen children, the failure of her brewery business, her dramatic call to the spiritual life, her visions and uncontrollable tears, the struggle to convert her husband to a vow of chastity and her pilgrimages to Europe and the Holy Land. Margery Kempe could not read or write, and dictated her remarkable story late in life. It remains an extraordinary record of human faith and a portrait of a medieval woman of unforgettable character and courage.
