For more than 30 years, Yoga Journal has been helping readers achieve the balance and well-being they seek in their everyday lives. With every issue, Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds. We are dedicated to providing in-depth, thoughtful editorial on topics such as yoga, food, nutrition, fitness, wellness, travel, and fashion and beauty.

In Ancient Indian Warfare, the author has pieced together all the available archaeological data and made a thorough study of the entire range of Vedic literature in a bid to present for the first time as complete a picture of warfare as these sources permit. He deals with a period so far given scant attention, or none at all. He stops where virtually all the other writers on the subject begin. The Epic and Buddhist material has been used to support, elucidate and complete the picture of the reary period. The archaeological evidence has been utilized as fully as possible to add the weight of material proof to literary testimony. The author explores the domestication of horses and elephants and their use for military purposes; the invention of wheeled vehicles and the battle-chariot; the use of metals for the manufacture of weapons; the nature of ancient arms and armour; forts and fortifications; military order and organisation; and the uneasy birth of a moral consciousness evidenced in the development of a code of war.

American Motorcyclist magazine, the official journal of the American Motorcyclist Association, tells the stories of the people who make motorcycling the sport that it is. It's available monthly to AMA members. Become a part of the largest, most diverse and most enthusiastic group of riders in the country by visiting our website or calling 800-AMA-JOIN.

A Study Guide for W. E. B. Du Bois's "The Song of the Smoke," excerpted from Gale's acclaimed Poetry for Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Poetry for Students for all of your research needs.

A complete guide to riding, selecting, and caring for horses.

The German church cantata of the eighteenth century was the culmination of a long tradition of Lutheran "sermon music" that used the proclamation, amplification, and interpretation of scripture to teach and persuade the listener. Bach's cantatas also served this didactic purpose and typically incorporate numerous allusions to scriptural passages or themes in their librettos. Unfortunately, many of these passages remain obscure to the twentieth-century musician because they demand a much closer familiarity with the Bible than is common today. The Handbook to Bach's Sacred Cantata Texts identifies scriptural references for the wording, imagery, and themes that Bach's listeners would have known. In addition, the religious or literary theme of each text is summarized within the specific context of the cantata as a whole. With interlinear translations and a full complement of indexes.

A User's Guide to Franz Rosenzweig's Star of Redemption

The Despised Sex

Poetry by American Poet Emily Dickinson. This book contains 3 poems, the first and second poems are about the power of words and books and the final poem is about the journey of raindrops.

A pilgrimage to the Holy Land (Israel) is the ultimate goal of every Christian and Jewish pilgrim. The Holy Land is the setting of most of the stories in the Scriptures. To enter the Promised Land and see the sites of familiar Bible stories is like traveling back in time. Pilgrim Tours provides the pilgrim with the opportunity to journey back to the time of Abraham, Elijah, Jesus and many other sacred luminaries of Biblical history. The most notable places on the tour are: (1) Caesarea, the famous port city; (2) Mount Carmel, where the prophet Elijah demonstrated the preeminence of his God; (3) Megiddo, where archaeologists have unearthed twenty levels of civilizations; (4) Tel Dan, a nature reserve and the ancient site of a cultic high place; (5) Banias (Caesarea Philippi), the site of a Hellenic Temple of Pan; (6) Capernaum, known as the town of Jesus; (7) the Sea of Galilee, where a song-filled cruise on the waters that Jesus walked on brings joy and peace to the pilgrim's soul. The best guide in the world, Marian Gavish, brings the history, culture, and religions of Israel into a comprehensive and understandable format with her instructive talks and discussions as we journey through: (8) Beit Shean, a Decapolis city at the juncture of the Jezreel and Jordan valleys; (9) Masada, where the Jewish Zealots made their last stand against the Romans; (10) Qumran, site of the famous Dead Sea Scrolls; (11) Bethany Beyond Jordan, the place of the original baptism; (12) Jerusalem, from the Mount of Olives to the Via Dolorosa; (13) the Temple Mount; (14) museums - the Israel Museum and Yad HaShem. Many more places and experiences highlight a once in a lifetime pilgrimage that is thoroughly covered in this book.

For hundreds of years, people have turned to the tarot for guidance and focus in seeking answers to life's questions. While millions use the Tarot regularly, much of its history, lore, and symbolism remain obscure--making it difficult for the user to get the deepest possible reading. Also, with hundreds of different decks available, drawing on several major traditions, finding the right deck--the one that the Tarot user will find most sympathetic to their needs, desires, and usage--can become an arduous task. Pictures from the Heart provides hundreds of entries detailing the symbolism of the Tarot, contrasting the various decks on the market, as well as issues, figures, and topics of interest to the Tarot user. For both the experienced and the neophyte user, this tarot dictionary is a long-awaited and essential resource.

The Bible Students Guide to the More Correct Understanding of the English Translation of the Old Testament, by Reference to the Original Hebrew

The Divine Comedy Reference With Modern English Translation of the Epic Poem

Practical Problem Solving and Everyday Advice

This fascinating book tells the stories of the most dramatic, memorable, and important conflicts in world history, from Agincourt, Lepanto, and Trafalgar, to Gettysburg, Stalingrad, and the Somme. It begins with the battle of Megiddo fought by the ancient Egyptians and takes the reader through to the Second Gulf War of 2003. On the way it encompasses almost 300 battles from around the world - from the Middle East, Asia, and Africa, to Europe and the Americas.

Every day you make choices. Some are big, some are small-but all will affect the course of your future. The good news is that you don't have to do it alone-the tarot can give you advice when you need it most! Reading the tarot for advice requires a different approach than reading for prediction. Tarot: Your Everyday Guide presents a new method of tarot interpretation. You'll learn how to use the tarot to help you make an informed decision and determine a course of action for just about any life situation. For example, in an advice reading the Two of Wands could mean you should set up your own challenges to work out goals, define issues, and work out compromises. If the King of Cups comes up in an advice reading, it means you must give encouragement, acknowledge the accomplishments of others, give rewards, and let others enjoy the limelight. Alternatively, it could mean you need to seek a mentor who has these qualities. The position of a given card within a spread, and the cards before and after it, will clarify the cards' advice for you. You can even use advice readings to augment traditional divination. If a divinatory spread shows trouble ahead, consult the cards for advice on how to avoid the situation or lessen its impact. Whether you're an experienced tarot reader or have never even shuffled the cards before, this unique and practical book will open new doors of understanding and help you integrate the rich symbolism of the tarot into your daily life. Winner of the 2001 Coalition of Visionary Resources (COVR) Award for best Self-help Book Following the success of his first snowshoeing guide, Snowshoeing in the Canadian Rockies (RMB, 2011), Andrew Nugara has now written the ultimate guide for those finding themselves on snowshoes for the first time. A Beginner's Guide to Snowshoeing in the Canadian Rockies describes over 40 great routes for new snowshoers. The trips extend from scenic Waterton in the far south to the breathtaking Columbia Icefield in the north section of Banff National Park. Stunning colour photos, maps and detailed route descriptions are provided for each trip, as well as level of difficulty, objective hazards and additional equipment requirements. Whether you are looking for an easy, introductory day on flat terrain amid beautiful surroundings or something slightly more challenging, you will find it in this new guidebook.

Pilgrimage in the Holy Land

A Study Guide for Anonymous's "Swing Low Sweet Chariot"

A User's Guide to Earth's Interactive Energy Body

An Interlinear Translation with Reference Guide to Biblical Quotations and Allusions

The Rough Guide to Nepal offers an insider's guide to Nepal, from its 'Tantric' temples to its lively bars. It details all the finest Himalayan treks, with practical, up-to-date and expert advice on where to go when and what to take. It covers all the National Parks, offering advice and information on everything from tracking wildlife to hiring elephants. Dedicated chapters are devoted to mountain biking, white water rafting and other adventure sports, and there is unrivaled detail on Buddhism, Hinduism and the numerous ethnic groups that make Nepal a unique destination. The Rough Guide to Nepal also contains scores of detailed maps, covering everything from Pokhara and the Chitwan National Park to the Everest Base Camp trek. Originally published in print in 2012. Make the most of your time with The Rough Guide to Nepal. Now available in ePub format.

Twenty years ago, in England, author Richard Leviton "discovered the planet." Following quite specific guidance, he began a long process that amounted to an apprenticeship. "My mentors dispatched me to various specific locations in the Somerset landscape, and at all hours of the night and day. I sat on hills and valleys and rocks under sunlight, moonlight, rain, snow, and fog, and had visions. I started to see another landscape behind the apparent landscape. It was an apparitional landscape with stars, planets, galaxies, angels, spirits of Nature, mythic deities, divinity." As time went on, he found himself talking with angels, visiting celestial cities, and following gnomes. He came to understand that at one level we are the planet, and that both we and it have an intimate relationship with our galaxy. "I found myself living inside the myths of the world as if they were expert scripts for real-life inner adventures. I never once thought I was crazy. Why should I? Quite the opposite. I believed I was finally getting grounded in something real. But it would take me twenty years to make sense of it. That sense is embodied in The Emerald Modem." The Emerald Modem includes: direct correspondences between human chakras and the Earth's energy features--and the galactic originalstables listing locations of sacred sites around the planet where you may experience this relationshipexplanations of world myths, which provide clues to this unsuspected visionary world around us This is the first book to synthesize all the fragments of geomantic perception (sacred sites, energy points, vertexes, etc.) into a global interactive model that ties human consciousness directly to it. Leviton describes 85 subtle features in the planetary landscape, places you can go for mystical experiences. They are features of the Earth's energy body, almost all invisible to conventional sight. But psychic cognition can be trained, and you can usefully interact with any of these types of sites today without seeing what you're doing. Your intent to interact for the benefit of yourself and the planet is all that's required. Just as modems dial us into the Internet, so the features of the Earth's energy body described in The Emerald Modem help us get online with the galaxy. You can learn to visit Grail Castles, experience a Mount Olympus, or walk through the stars in a landscape zodiac--and you can learn enough to become confident that you're not traveling alone.

Family Biking is a guide for parents and parents-to-be on how to introduce their children to the joys and responsibilities of bicycle riding. The guide includes safe methods of transporting children via trailer bike or tandems, taking young children on bicycle tours, fitting a child to a bicycle, teaching all aspects of bicycle safety, as well as how to deal with dangerous or potentially dangerous situations. It also includes how to teach children to care for their own bicycle, how to dress, how to carry things on their bicycle, and how to perform basic maintenance and repairs.

This Rough Guide to Nepal includes an extensive section on trekking with practical advice and maps on the best places to trek, raft and mountain bike. Make the most of your holiday with The Rough Guide to Nepal

Dante's Divine Comedy is widely considered to be one of the most significant works of literature ever written. It is renowned not only for its ability to make truths known but also for its power to make them loved. It captures centuries of thought on sin, love, community, moral living, God's work in history, and God's ineffable beauty. Like a Gothic cathedral, the beauty of this great poem can be appreciated at first glance, but only with a guide can its complexity and layers of meaning be fully comprehended. This accessible introduction to Dante, which also serves as a primer to the Divine Comedy, helps readers better appreciate and understand Dante's spiritual masterpiece. Jason Baxter, an expert on Dante, covers all the basic themes of the Divine Comedy, such as sin, redemption, virtue, and vice. The book contains a general introduction to Dante and a specific introduction to each canticle (Inferno, Purgatorio, and Paradiso), making it especially well suited for classroom and homeschool use.

Percy Bysshe Shelley (1792 – 1822) was an extraordinary poet, playwright and essayist, revolutionary both in his ideas and in his artistic theory and practice. This 2006 collection of original essays by an international group of specialists is a comprehensive survey of the life, works and times of this radical Romantic writer. Three sections cover Shelley's life and posthumous reception; the basics of his poetry, prose and drama; and his immersion in the currents of philosophical and political thinking and practice. As well as providing a wide-ranging look at the state of existing scholarship, the Companion develops and enriches our understanding of Shelley. Significant new contributions include fresh assessments of Shelley's narratives, his view of philosophy, and his role in emerging views about ecology. With its chronology and guide to further reading, this lively and accessible Companion is an invaluable guide for students and scholars of Shelley and of Romanticism.
