Over 2,000 Tips and Tricks to Save You Time and Money Every Day

More Money More Problems

**Writing has taken over my life... in a good way. My thoughts continually are geared towards my next song. Sometimes I get a few lines in my head when I am driving and I have to pull over the car and write them down! No matter where I am, I get the urge to write. I could be talking to a neighbor, or be in the middle of mass at church and a word or phrase will pop into my head and whoa! -a new song is born! More than anything I love, love, love, the peace of mind songwriting allows me to have. Most of my lyrics take me 15 to 30 minutes to write. There was a time when I was writing 6-8 lyrics in a day. Sometimes I would sit there and stare at my pencil asking why did you stop? I swear at times the pencil kept moving like I wasn't even thinking of what to write. This is my first edition. I hope to continue with future editions as I am still writing new songs everyday. Someday I hope to put my lyrics to my own music and I recently started taking piano lessons. Hey, we all know life is a learning process; a learning curve, we need to experience the turns with the ride! I wish you all success with this book and look forward to seeing some of you with me when it comes to award times!**

*What Happened to My Sister is about Colie Gilford, a struggling artist/writer, who experience great tragedy when his only sister ends up getting murdered by decapitation. It goes into detail explaining how they were raised, their neighborhood, as well as the type of family that they came from. It streams all of the events that led up to his sisters horrific death. After coming to realize that local law enforcement arent doing all they can to find his sisters murderer, like a vigilante he decided to take matters into his own hands. All hell breaks loose when Killer Mike and Colie Gilford team up and set out to find Colies sisters murderer. After coming up with nothing her case eventually turns cold. Having to come to terms with that he realized had it not been for his religious upbringing, he wouldnt have been able to leave it in Gods hands and accept it. Had it not been for that he is sure that a lot more blood shed would have occurred probably innocent victims. This story really gives a great visual of what can happen when a family member becomes addicted to drugs. We can do all we can to help them, but will they recover or not we never know. This story show how victims family feel and may react to the situation. It also show the cold side of law enforcement and how they actually react to such victims. This novel will stand out because no one could tell this story unless they have experienced it firsthand as he have. The way that his sister was murdered also makes this story unique. Although being a big city like Atlanta, Georgia, we still dont usually see people being murdered in such a gruesome manner.*
