DigiCat Publishing presents to you this special edition of "Secret Seven on the Trail" by Enid Blyton. DigiCat Publishing considers every written word to be a legacy of humankind. Charlie has a story to tell, about his best friends Sinéad and James and the bad things that happened. But he can't tell it yet, at least not 'til he's worked out where the beginning is. Because is the beginning long ago when Sinéad first spoke up for him after Charlie got in trouble at school for the millionth time? Or was it later, when Sinéad and James followed the music and found each other? Or was it later still on that terrible night when something unspeakable happened and someone chose to turn a blind eye? This is the story of the dark heart of an Irish village, of how daring to be different can be dangerous and how there is nothing a person will not do for love. This is the story of the Gamal.

One of the greatest players of all time, Duncan Edwards's story is one of tragic heroism. From a working class Dudley upbringing, Edwards rose to great heights at Manchester United. In only five years, he helped United to win two League Championships and to reach the semi-finals of the European Cup. Edwards made his England debut in a game against Scotland at the age of 18 years and 183 days, becoming the youngest player for England since WW2 - a record which stood until Michael Owen's debut over forty years later. He went on to play 18 games for his country, including all four of the qualifying matches for the 1958 World Cup, in which he was expected to be a key player. Sir Bobby Charlton described him as 'the only player that made me feel inferior' and Terry Venables claimed that, had he lived, it would have been Edwards, not Bobby Moore, who would have lifted the World Cup as captain in 1966. Page-turning and poignant, author James Leighton tells a story of a magnificent sportsman and great man - the perfect antidote to the headline-grabbing footballers of today.

"There are too many ways of breaking a footballer's leg. Too many, that is, from the footballer's point of view. Others may find the freedom of choice encouraging." Third Division Athletic has been an unlucky club for ages, but things are about to get much worse. Danny Matson, Athletic's top scorer, is out for the season after a scuffle inexplicably leaves him with a ruptured Achilles tendon. The team's manager, Jimmy Lister, is convinced that someone is intentionally kicking the team while it's down, and he hires Nick Duffy to get to the bottom of it. Duffy has always been a worrier. He frets about his weight, about his burgeoning relationship with constable Carol Lucas, about his promiscuity with both men and women, and about the AIDS epidemic sweeping through London. This latest case gives him an opportunity to focus his attention elsewhere, on a list of suspects ranging from trophy-hungry supporters to hardcore skinheads bent on whitewashing England.

PICTURE BOOKS. Charlie prances around the jungle giving cheek to everyone he meets, but can he see the funny side when he catches a glimpse of his own backside?. Ages 0+ Charlie Big Potatoes is a bittersweet delight, proving that big boys do cry. And a lot more besides. Charlie Marshall is not a man who should be getting married. But the ceremony is in five days' time and it's too late to back out. His future mother-in-law has paid for 150 portions of salmon and his mates are about to drag him off to New York for a stag weekend he'll never forget - if he manages to live that long... You see, the consequences of his drunken life are about to fall on him like a ton of uneaten wedding cake. The booze and the drugs, the fights and the fires, the greedy boss, the girls and his mother are killing him faster than his knack for colliding with hard surfaces at high speed. So, trapped somewhere between married life and a night in casualty, Charlie attempts to face his demons and learns a few lessons about fidelity, fickle friends and gambling grandmothers along the way. But it remains to be seen whether he can gather his scattered wits, fake a quick recovery and get through rehab before his cheque bounces and his liver dissolves...

Or, The Life Racket at Rattlesnake Ridge. A Chronicle of California

When the Peerless Quartet wrote "Way Down On Tampa Bay" in 1914, Tampa Bay's musical roots started growing. Tampa Bay is where Ray Charles created his first song, Hank Ballard wrote and recorded "The Twist," and the Rolling Stones cranked out their hit "Satisfaction."

Stephen Stills attended both Plant High School and Admiral Farragut Academy, and Jim Morrison studied at St. Petersburg Junior College.

Ella Fitzgerald kicked off her career on the storied Central Avenue in Ybor City. Savatage, Stranger, Diamond Grey, the Outlaws, Bleeding

Hearts, Blackkout, the Arena Twins, Tampa Red, and Cheeky Monkey are all artists who have made a huge impact both locally and

nationally. From its rock 'n' roll boom in the 1960s to the birth of death metal in the 1980s . . . Tampa Bay has had a rich musical history!

Charlie Joe Jackson may be the most reluctant reader ever born. And so far, he's managed to get through life without ever reading an

entire book from cover to cover. But now that he's in middle school, avoiding reading isn't as easy as it used to be. And when his friend

Timmy McGibney decides that he's tired of covering for him, Charlie Joe finds himself resorting to desperate measures to keep his perfect

record intact. Charlie Joe Jackson's Guide to Not Reading by Tommy Greenwald is the hilarious story of an avid non-reader and the

extreme lengths to which he'll go to get out of reading a book.

"Riddles, Rhyme and Alliteration" is an activity-based resource that encourages children aged 4-7 years to concentrate, listen to and

discriminate between different speech sounds. Teachers can use the material separately or as part of a phonics programme, as each

activity has the flexibility to be used with individuals, groups or whole classes. Older children who have listening and auditory

discrimination difficulties, poor listening skills, and mild to moderate hearing loss or 'glue ear' can also benefit from using the material.

Each of the eighteen sections is based on a particular phoneme and includes two or three pages of illustrations to accompany the

activities. The activities are photocopiable and include: riddles which can be solved with the help of the picture pages; exercises on

alliteration and rhyming words; tongue twisters; a story containing words beginning with the target phonemes; and a puzzle worksheet

based on some of the words from the picture pages. All of the activities have clear instructions and are presented orally by the teacher,

except the puzzle worksheets that encourage the child to work independently. The picture pages can also be coloured in at school or at

home to help consolidate what has been taught. Written by a teacher for teachers, "Riddles, Rhyme and Alliteration" will prove a welcome

resource for those who have limited time for preparation.

Secret Narco unravels the bullet-riddled, never-before-told history of South Londoner Wilson's cocaine empire and his forays into the deadliest killing fields of all: South America.
