

Children Of The Storm Kitty Rainbow Trilogy Book 2 A Gripping Wartime Saga Of Love And Madness

One morning, Emma decided she simply did not want to be a kid anymore. She didn't want an early bedtime or have to sit in the back seat of the car, or be interrupted for dinner while playing hide-and-seek with her friends, or be told that unless she ate her vegetables, she would never grow up. But what happens when Emma starts to be a grownup and do grownup things? "Great book, great story, great lesson. My kids ages 6 and 9 enjoyed the story. It made them realize that being a kid is fun" -- Daniel. "A wonderful lesson in living in the NOW and not growing up before it is time. This was such a delight to read and the way Ms Alony put it together was perfect! Great book with beautiful illustrations, and my little niece gave it five stars!"-- Author Joyce L. Mitchel. "Excellent vocabulary" -- Kindle Costumer. Maria Alony creates high-quality, illustrated children's books that are not only fun and entertaining, but also contain an educational message and important values. As a mom herself, Maria reads picture books every night so that bedtime stories become part of her child's routine. She believes that reading children's books every day, for kids ages 4-8, is essential for developing language, fostering imagination, and promoting self-expression. When it comes to children, Maria knows that books are vital. Join Emma in the new edition of the children's book series "Emma and Everything" on her journey of self- discovery. As she learns to appreciate and love her life as it is, she discovers the beauty of being a kid. Scroll back up and grab your copy now! This fully-illustrated picture book is a great read aloud for preschool children and is highly recommended as a self-read book for beginner readers as well.

The Wuffle is a mythical creature living deep in a forest and is unknown by the creatures of that forest or anyone else in the world. This story tells of his discovery and the beginning of what will be many tales of his adventures.

Kitty Hawk and the Hunt for Hemingway's Ghost is the exciting second installment in a new series of adventure mystery stories that are one part travel, one part history and five parts adventure. This second book in the series continues the adventures of Kitty Hawk, an intrepid teenage pilot who has decided to follow in the footsteps of her hero Amelia Earhart and make an epic flight around the entire world. After flying across North America Kitty's journey takes her down south to Florida where she plans to get a bit of rest and relaxation before continuing on with the rest of her long and grueling flight. As Kitty explores the strange and magical water world of the Florida Keys her knack for getting herself into precarious situations sweeps her headlong into the adventure of a lifetime involving mysterious lights, ancient shipwrecks, razor-toothed barracudas and even a sighting of the great Ernest Hemingway himself. This exhilarating story will have armchair explorers and amateur detectives alike anxiously following every twist and turn as they are swept across the landscape and history of the Florida Keys all the way from Key West to the strange and remarkable world of Fort Jefferson and the Dry Tortugas.

One week is all we were supposed to share. One week as strangers. All the things you did differently irked me. I thought it meant we couldn't get along, that there was no chance we'd work out. But when it came time for me to leave, you know what I figured out? You were my echo. My call back. And damn it if I didn't find home in the end.

World of Wonders

Although the news bulletin confirmed her decision to evacuate, Elise didn't want to hear another minute of forecasts, preparations, and predictions. Brad searched until he found a nice easy listening channel, and drove through the rain on surprisingly deserted roads. Apparently, the rest of the city heeded the warnings long before the Steiners. As the car ventured through the quiet stillness of the calm before the storm, the children slept, while their parents and grandparents sat in silence, looking out at the Louisiana wetlands bordering the interstate highway. At one point, in their lonely journey, a caravan of paramedic units and ambulances passed them up, in the left lane Elise felt her flesh creep as she watched these people go by, imagining how frightened they must be, dealing not only with the pain and uncertainty of an illness, but also, their sole reliance on total strangers to find a safe haven for them during the storm. Each of those patients was someone's mother or father, a grandparent, or a sibling, or, worse yet, someone's child. "Thank you, God," she whispered, again, and turned around to look at each member of her family, as though she had to make sure everyone was still there with her.

Bing is a quiet dog, unlike the other dogs who like to bark, but Sam loves his dog anyway. In this illustrated story that shares some of the activities that Bing likes to do, something happens that shows that being quiet doesn't stop Bing from making itself heard. This story helps children to appreciate how we are all unique. On the last page, there are follow-up questions to ask as well as suggestions for additional books to read. Alli-Kar, a white-hole portal from another universe, rains meteoroids onto the surface of the planet Kelanni. But the so-called "lodestones" behave according to different physical laws, transforming Kelanni's society. With the aid of the fearsome Keltar in their flying cloaks, the Kelanni are being put to forced labor to mine the lodestones. Shann, an orphan with a fiery disposition, witnesses a battle between a Keltar and a stranger bearing a similar flying cloak. She tracks down the stranger, learning of the technology behind the Keltars' power and joining him on a mission to free the slaves and cut off their supply of lodestones. Meanwhile Keris, a Keltar, is sent on a mission to track down the rebels. She is attacked by a flying creature and saved by the enigmatic Chandara. At their Great Tree, she learns that a mysterious "Prophet" is out to destroy the Kelanni people. Their only hope is a powerful instrument hidden in the distant past. Pursued by Keltar, the party will encounter bizarre creatures, ancient technologies and terrifying dangers. Finally, they must seek to cross a massive storm barrier in order to reach the other side of their world, where a world-shaking revelation awaits.

Year of The Cat - an enchanting and informative book for all children interested in other Cultures, Places [here, it's New York City's Chinatown] and Cats - is the debut title in a new series of Chinese-culture themed books by artist and emerging children's book writer Natasha Lynn Rabin, and collaborator, award-winning illustrator, Josie Yee. Ying shares her own observations and opinions about what makes Chinese New Year the 'best', introduces us to her family (including cats) and takes us along on her Year of the Cat campaign. It is a book about the joy of holidays with family and the extra, added anticipation that surrounds the arrival of a new sibling, all captured in Josie Yee's colorful, exquisitely detailed illustrations. The following excerpt begins the fun adventure with Year of the Cat: "In Chinese Time, months are measured by the cycles of the moon, and every year has an assigned animal from the Chinese Zodiac. There are twelve official Chinese animals. I was born in the Year of the Monkey. Maybe that's why it's hard for me to sit still. I ask Ma Ma, who knows the reasons for lots of things, Why isn't there a Year of the Cat?" Children and parents alike will learn why there isn't, and about Ying's resolve to honor her cat, Bao, her Cousin's cat, Jackie Chan, and cats everywhere, when the New Year arrives.

You can take the dead girl out of the country... Veronica Fischer, small-town bloodsucking madam, is an orphan or at least she finally feels that way. Jules, the one who made her, is gone and cleaning up after him isn't something she ever thought she'd have to do. While her hometown seems to be turning against her, she's forced to set off for the bright lights of the big city with a carload of her dysfunctional supernatural family, hoping not to have to face the Dragon of Chicago. Now she has to rescue a sister she didn't know she had, keep Rachel-her adopted 8-year-old ghost-safe, and try to keep Pekin from unraveling under the onset of the coming storm. Sex, violence, and cryptic undead prophecy-all for fun and profit.

First World War. Pupil-teacher Mara Scorton's world is one of, ill-lit classrooms and the sight of unshod feet shining purplish in the cold winter light. And, though she is little more than a girl herself, Mara loves her job in the Hartlepool dockland school, despite the imperious ways of her headmaster Mr Clonmel. But her world falls apart when a German warship demolishes the school and Mr Clonmel is killed. Mara is handed a mysterious package by a dying Frenchman addressed to his children in her home town of Priorton. Mara returns home, accompanied by her annoying but seemingly harmless landlady, to her warm unorthodox family. And to the house of Jean-Paul and his deranged, damaged sister Helene, two French refugees who will have long-lasting effect on the stormy years to come...

Lucky child - what a wondrous world you live in! This is the theme of Little Blue Planet - a book meant to be read aloud to very young children. As you and the child explore the pages of this book, you will encounter the natural wonders of our world: forests, jungles, volcanoes, swamps, coral reefs and many more. Each of these wonders is captured in a two-page spread, with a scenic watercolor on the left and an imaginative view featuring a child on the right. This book is a first travelogue for the tiny set. It is primarily a picture book, but has just enough text to provide context and encourage the child to imagine what it would be like to visit this place. This book makes for a beautiful and quick read.

Gaby LeFevre is a suburban, Midwestern firecracker, growing up in the 80s and 90s and saving the world one homeless person, centenarian, and orphan at a time. With her crew of twin sister, Annie, smitten Mikhail, and frenemy Mel, she's a pamphlet-wielding humanitarian, tackling a broken world full of heroes and heroines, villains and magical seeds, and Northwyth stories. Beginning with a roadkill-burying nine-year-old and a gas-leak explosion, it follows Gaby as she traverses childhood and young adulthood with characteristic intensity and a penchant for disaster. Meanwhile, the large cast of compelling characters entertains and the Northwyth legends draw you into their magic.

A homeless cat arrives in the neighborhood and is shunned by all but a housewife and her two young children. The father of the family is not a cat lover and both his wife and children set about trying to change his mind until the cat does it on his own. This story highlights the importance of not judging a book by its cover.

Remnants of the Storm Lost in a forgotten part of antebellum Mississippi lays an ancient treasure of mythical proportions. America is tearing itself asunder. The issues of slavery and state's rights have divided the fledgling nation and only war will resolve the future of the North American continent. Half a world away, France under Emperor Napoleon III dominates the European mainland, but a hidden threat lies right next door. A potentially new and powerful German nation is awakening, a nation seeking vengeance. Cast into these events, Corporal Gunther Schroeder, a young Union soldier whose hellish experience at Shiloh has persuaded him to join an elite force of Raiders under the famous General Grierson. Their mission; go behind enemy lines to disrupt Confederate General Pemberton's forces and lay the groundwork for the takedown of Vicksburg, the Gibraltar of the South. Lieutenant Jacob Parker, a Confederate soldier who has the knack of being at the right place at the right time. Serving as courier and scout, his skills at getting the most valued of secrets to the right people are legendary and crucial to the South's very survival. The "Widow" Maria La Blotte, she is a woman of supreme intelligence and cunning; a mysterious and beautiful French woman of royal pedigree. She seeks the massive treasure which will save her country and dynasty from impending doom, and she and her agents will stop at nothing to get it. Centered on historical events, especially the Battle of Shiloh and Grant's Vicksburg campaign, Remnants of the Storm is the first book of a multi-generational series that weaves a tale of intrigue and adventure for the ages.

With an uncanny relevance to today's world and inspired by the life of its author, Karl's Story, is a WW II child refugee's tale of resilience, hope and courage as told through the narrative of her beloved teddy bear, Karl. A story perfect for all ages: read to children by parents, grandparents and teachers alike. It has been read many times to middle elementary grades. A book to be handed down from parent to child to child for generations to come. Karl, "a very old teddy bear," has a magic gift- he can tell stories to children who are still young enough to understand toy talk. Karl's Story begins in Europe. It's about Karl, the young girl Karin, and Mimi the mind reading cat, ... how the three friends experience and survive WW II and then escape from communism to a new and hope-filled life with his beloved friend Karin. Their journey, their story, enchants children but in the sense of The Little Prince speaks timelessly to adults as well. Karl's Story tells of European refugees and is as relevant today as then. The chaos of the time turned the world of the three friends upside down, slowly at first, from no more whipped cream at birthday parties to ever more frequent air raids, crashing bombs, and a harrowing train ride, with Karl and Mimi stuffed in Karin's old wicker trunk. In the journey Karin loses all she ever knew or loved, but goes on to rebuild her world in America. The book is categorized as Children's Fiction because of its charming cover and talking stuffed animals but is inspirational to young and old alike, and a perfect antidote in these still troubled times; this is indeed a book for all.

The Storm

When the Hurricane Came

Storms

Nine-year old Gertie and her family have to leave their home quickly when Hurricane Katrina is about to flood New Orleans. Gertie must leave behind her friends, her house, her "stuff" and life as she knew it before the storm. How will she deal with going to a new school, making new friends, and celebrating the Jewish holidays in a place she has never lived before? What is her plan to deal with what's happened and at the same time make the world a better place?

What happens when Cooper, a newly adopted puppy, takes up residence in Henry's home? The little pooch sure is adorable, but who knew he had so much to learn! Love Me Gently is a kid's guide to man's best friend. It captures the everyday challenges of raising a pup through a child's eye. But who is teaching who? Henry may be coaching Cooper, but he is also discovering valuable lessons about responsibility, unconditional love, patience, and kindness along the way!

It is an adaptation of the age-old Biblical tale of David and Goliath and opens the door for discussions on self-confidence and faith in the face of great obstacles. It is also an excellent book for schools, day cares and Sunday Schools. It is simple, inviting story, and is widely available in print and e-book for easy access.

"Blimp, blop, blimp, bloop. Suzy gripped her sheets tightly. Was that noise coming from under her bed?" Helps Children Banish Bedtime Fears So begins Suzy's adventure where she meets Karrit, another child, and one that lives far under her bed. The two children banish their bedtime fears and become best friends by treating each other the way that they want to be treated. A Fear of Monsters is Common A fear of monsters under the bed is common with children of all ages, starting with a vague sense of the unknown with younger toddlers and graduating to perhaps a more solid image in the minds of older children. The Monster on Top of the Bed flips the idea around, like the famous Disney Movie Monsters Inc., and bases the story on the concept that it's the monsters that are actually afraid of the children. The Children Model The Golden Rule In this beautifully illustrated book we meet two children--Suzy and Karrit, and we discover that sometimes things are not always what they seem and when the monster fears the child, we come to see a different perspective on misunderstandings and ignorance. We also discover that it is easy to misinterpret the meanings of words and actions, when Karrit explains to Suzy that certain things she says and does, frightens him. Although the words, "The Golden Rule" never appear in the book, the way the two children treat each other as though they would like to be treated enable the two of them to work together to work out their differences. A friendship forms, and a new light is shed upon them both when they realize that maybe they aren't so different from each other after all. A Mantra that Banishes Nighttime Fears When things get scary, both children use Grandmom's mantra, which is highly effective in banishing monsters, "'You're welcome to stay until I say, 'Nay!' Then it's time to go, and you can't say, 'no.'"' This is an empowering bedtime story. The multimedia edition contains a link to an .mp4 file that features the same audio tracks in the CD version. Children can listen to the story being read by four narrators who read the story in English, Spanish and Italian. There are page turning sounds to let the child know when to turn the page. There are slight differences between the words in CD version and the Kindle version. Children like the challenge of finding the differences. In addition to reading the story, the multimedia kindle edition also contains bonus material, including an interview with the illustrator, and other stories and poems written by the author. Order Copies For Yourself and Your Friends...It's perfect for three to six-year olds, and six-to-twelve year olds (who are sometimes still afraid of monsters) find the story charming and enjoy reading it to their younger siblings.

Michael Kelly's writing is driven by love of his native Liverpool. In this biography of Kitty Wilkinson he brings to life not only the wonderful story of Kitty, but also how ordinary people lived in the eighteenth and nineteenth century. Michael becomes the friend of his subjects, rather than a mere researcher. He fondly writes of this heroic

woman who was much more than a pioneer in public health.
