The city of Columbus, Ohio, had always struggled to support any professional sports franchise. It's a town where Ohio State

File Type PDF Chill Factor

University reigns supreme, and everything else is less important. That was until 1991, when the Columbus Chill, a minor-league hockey franchise, arrived. Using Veeckian marketing tactics and on-ice shenanigans, the Chill became the talk of the city and

File Type PDF

Chill Factor

gained a religious local fan base. Based on the success of the Chill, from 1991-99, the city of Columbus was awarded with the Columbus Blue Jackets in 2000, the city's own NHL franchise. Chill Factor follows the wild ride through the eyes of team president

account will appeal to those who remember the Chill's reign, as well as those who enjoy seeing the underdog climb the ladder to sports supremacy. Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers

In this New York Times bestselling thriller, a doctor is kidnapped in the mountain wilderness

The Chill

The purpose of

theater, like magic,

aphoristic authority. He believes that the tendency to dramatize is essential to human nature, that we create drama out of everything from today's weather to next year's elections. But the highest expression of this drive remains the theater. With a

cultural range that encompasses Shakespeare, Brecht, and Ibsen, *Death of a Salesman* and *Bad Day at Black Rock*, Mamet shows us how to distinguish true drama from its false variants. He considers the impossibly difficult progression between one act and
