Suddenly, Rachel is drawn into a dizzying world of Shanghai splendor, a world where people attend church in a penthouse, where exotic cars race down the boulevard, and where people aren't just crazy rich ... they're China rich. Look for Kevin Kwan's latest novel, *Sex & Vanity!* **THE NEW YORK TIMES BESTSELLER** A Reese Witherspoon x Hello Sunshine Book Club Pick "There is so much to relate to and throughout the novel, there is a sharp feminist edge. Loved this one, and you will too."—New York Times bestselling author Roxane Gay The New York Times bestselling author of *The Wedding Date* serves up a novel about what happens when a public proposal doesn't turn into a happy ending, thanks to a woman who knows exactly how to make one on her own... When someone asks you to spend your life with him, it shouldn't come as a surprise—or happen in front of 45,000 people. When freelance writer Nikole Paterson goes to a Dodgers game with her actor boyfriend, his man bun, and his bros, the last thing she expects is a scoreboard proposal. Saying no isn't the hard part—they've only been dating for five months, and he can't even spell her name correctly. The hard part is having to face a stadium full of disappointed fans... At the game with his sister, Carlos Ibarra comes to Nik's rescue and rushes her away from a camera crew. He's even there for her when the video goes viral and Nik's social media blows up—in a bad way. Nik knows that in the wilds of LA, a handsome doctor like Carlos can't be looking for anything serious, so she embarks on an epic rebound with him, filled with food, fun, and fantastic sex. But when their glorified hookups start breaking the rules, one of them has to be smart enough to put on the brakes...

Jordana Frankel's thrilling and imaginative YA dystopian novel *The Ward* is set in a near-future New York City. A catastrophic flood has washed out Manhattan, leaving the rivers polluted, and entire neighborhoods underwater. Some areas are quarantined because of an outbreak of a deadly disease. The illness, known as the Blight, is killing sixteen-year-old Ren's sister. Desperate to save her sister's life, Ren agrees to lead a secret mission from the government to search for a cure. But her quest leads to a confounding mystery beneath the water and an unlikely friendship with a passionate scientist. Readers who love speculative fiction and crave action-packed stories similar to Veronica Roth's *Divergent* will find *The Ward* absolutely unputdownable.

"The Devil Wears Prada's Emily Charlton gets the spin-off she deserves" (Cosmopolitan) in the months-long New York Times bestseller from Lauren Weisberger in which three women team up to bring a bad man down in the tony suburb of Greenwich, Connecticut. Welcome to Greenwich, Connecticut, where the lawns and the women are perfectly manicured, the Tito's and sodas are extra strong, and everyone has something to say about the infamous new neighbor. Let's be clear: Emily Charlton does not do the suburbs. After leaving Miranda Priestly, she's been working in Hollywood as an image consultant to the stars, but recently, Emily's lost a few clients. She's hopeless with social media. The new guard is nipping at her heels. She needs a big opportunity, and she needs it now. When Karolina Hartwell, a gorgeous former supermodel, is arrested, her fall from grace is merciless. Her senator-husband leaves her, her Beltway friends disappear, and the tabloids pounce. In Karolina, Emily finds her comeback opportunity. But she quickly learns Greenwich is a world apart and that this comeback needs a team approach. So it is that Emily, the scorned Karolina, and their mutual friend Miriam, a powerful attorney turned stay-at-home mom, band together to navigate the social land mines of suburban Greenwich and win back the hearts of the American public. Along the way, an unexpected ally emerges in one Miranda Priestly. With her signature wit, Lauren Weisberger offers an alluring look into a sexy, over-the-top world—and proves it's style and substance together that gets the job done. "A delicious sequel to *The Devil Wears Prada*...exploring what it's like to be a woman buffeted by conflicting messages about career, relationships, and motherhood" (The Washington Post), *When Life Gives You Lululemons* is "amazing novel about...truth, lies and how everyone is a little bit insecure" (Associated Press). "Fast-paced, funny, and gossipy, this is the must-have accessory for your beach bag" (PopSugar).

How far would you travel for love? In her sparkling memoir, journalist Alison Singh Gee learns that love, riches, and a place to call home can be found in the most unexpected places. Alison Singh Gee was a glamorous magazine writer with a serious Jimmy Choo habit, a weakness for five-star Balinese resorts, and a reputation for dating highborn British men. Then she met Ajay, a charming and unassuming Indian journalist, and her world turned upside down. Traveling from her shiny, rapid-fire life in Hong Kong to Ajay's native village, Alison learns that not all is as it seems. Turns out that Ajay is a landed prince (of sorts), but his family palace is falling to pieces. Replete with plumbing issues, strange noises, and intimidating relatives, her new love's ramshackle palace, Mokimpur, is a broken-down relic in desperate need of a makeover. And Alison wonders if she can soldier on for the sake of the man who just might be her soul mate. This modern-day fairytale, WHERE THE PEACOCKS SING, takes readers on a cross-cultural journey from the manicured gardens of Beverly Hills, to the bustling streets of Hong Kong and finally to the rural Indian countryside as Alison comes to terms with her complicated new family, leaves the modern world behind, and learns the true meaning of home.

"Family dysfunction at its best. This novel is addicting and entertaining and I couldn't put it down!" - Jennifer Close, New York Times bestselling author of *Girls in White Dresses* and *The Hopefuls* A Publishers Weekly BEST SUMMER BOOKS, 2017 Relationships are awful. They'll kill you, right up to the point where they start saving your life. Paul and Alice's half-sister Eloise is getting married! In London! There will be fancy hotels, dinners at "it" restaurants and a reception at a country estate complete with tea lights and embroidered cloth napkins. They couldn't hate it more. *The People We Hate at the Wedding* is the story of a less than perfect family. Donna, the clan's mother, is now a widow living in the Chicago suburbs with a penchant for the occasional joint and more than one glass of wine with her best friend while watching *House Hunters International*. Alice is in her thirties, single, smart, beautiful, stuck in a dead-end job where she is mired in a rather predictable, though enjoyable, affair with her married boss. Her brother Paul lives in Philadelphia with his older, handsomer, tenured track professor boyfriend who's recently been saying things like "monogamy is an oppressive heteronormative construct," while eyeing undergrads. And then there's Eloise. Perfect, gorgeous, cultured Eloise. The product of Donna's first marriage to a dashing Frenchman, Eloise has spent her school years at the best private boarding schools, her winter holidays in St. John and a post-college life cushioned by a fat, endless trust fund. To top it off, she's infuriatingly kind and decent. As this estranged clan gathers together, and Eloise's walk down the aisle approaches, Grant Ginder brings to vivid, hilarious life the power of family, and the complicated ways we hate the ones we love the most in the most biting funny, slyly witty and surprisingly tender novel you'll read this year.

Named a Best Book of 2018 by the Financial Times and Fortune, this "thrilling" (Bill Gates) New York Times bestseller exposes how a "modern Gatsby" swindled over \$5 billion with the aid of Goldman Sachs in "the heist of the century" (Axios). Now a #1 international bestseller, *BILLION DOLLAR WHALE* is "an epic tale of white-collar crime on a global scale" (Publishers Weekly, starred review), revealing how a young social climber from Malaysia pulled off one of the biggest heists in history. In 2009, a chubby, mild-mannered graduate of the University of Pennsylvania's Wharton School of Business named Jho Low set in motion a fraud of unprecedented gall and magnitude--one that would come to symbolize the next great threat to the global financial system. Over a decade, Low, with the aid of Goldman Sachs and others, siphoned billions of dollars from an investment fund--right under the nose of global financial industry watchdogs. Low used the money to finance elections, purchase luxury real estate, throw champagne-drenched parties, and even to finance Hollywood films like *The Wolf of Wall Street*. By early 2019, with his yacht and private jet reportedly seized by authorities and facing criminal charges in Malaysia and in the United States, Low had become an international fugitive, even as the U.S. Department of Justice continued its investigation. *BILLION DOLLAR WHALE* has joined the ranks of *Liar's Poker*, *Den of Thieves*, and *Bad Blood* as a classic harrowing parable of hubris and greed in the financial world. *China Rich Girlfriend* by Kevin Kwan: Conversation Starters NYU professor Nicholas Young and his Chinese-American girlfriend and economics professor Rachel Chu are about to get married, but Rachel misses her unknown father. *Two sisters grow up a world apart—one in war-torn Korea, the other in America—in this “finely wrought novel” by the author of The Calligrapher’s Daughter (Publishers Weekly). In 1948 Najin and Calvin Cho, with their young daughter Miran, travel from South Korea to the United States in search of new opportunities. Wary of the challenges they will face, Najin and Calvin leave their infant daughter, Inja, behind with their extended family; soon, they hope, they will return to her. But then war breaks out in Korea, and there is no end in sight to the separation. Miran grows up in prosperous American suburbia, under the shadow of the daughter left behind, as Inja grapples in her war-torn land with ties to a family she doesn’t remember. Najin and Calvin desperately seek a reunion with Inja, but are the bonds of love strong enough to reconnect their family over distance, time, and war? And as deep family secrets are revealed, will everything they long for be upended? Told through the alternating perspectives of the distanced sisters, and inspired by a true story, The Kinship of Secrets explores the cruelty of war, the power of hope, and what it means to be a sister. “A gorgeous achievement.” —Min Jin Lee, author of Pachinko*

*In a snowbound village in the heart of the Swiss Alps, a husband and wife find their lives breaking apart in the days and months following the death of their firstborn. Meanwhile, on the far side of the world in the couple’s hometown of Sydney, a man on the margins of Australian society commits an act of shocking violence that galvanises international attention. As the husband recognises signs of his own grief in both the survivors and the perpetrator, his fixation on the details of the case feeds into insomnia, trauma, and an obsession with the terms on which we give value to human lives. At the Edge of the Solid World is a compulsive, compelling and lyrical novel, told with extraordinary empathy and emotional intelligence. It is the story of a child’s life cut*

short after just one day. Of a mother and father bereft at the loss of the future they'd imagined. Of an unspeakable crime, public outrage, anguish on the streets and a media frenzy that engineers heroes and villains, martyrs and scapegoats. Most of all, it is a profound meditation on the nature of loss, the resilience and fragility of the family unit and the stories we tell to explain the world. Praise for *Blood and Bone* by Daniel Davis Wood '[Blood and Bone] fulfils two objectives: shedding light on a dark past, and exploring intellectual and aesthetic problems that the writing of such a story might create. The story is grounded in factual material and Wood has filled the gaps with imagined scenes and conversations, but the tale is made seamless by a tight structure and a hypnotic style that seems to owe something to the work of Gerald Murnane.' —Kerryn Goldsworthy, *The Sydney Morning Herald*

**NEW YORK TIMES BESTSELLER • A Good Morning America Book Club Pick** The author of the New York Times bestselling phenomenon *Crazy Rich Asians* takes you from Capri to NYC, where Lucie Tang Churchill finds herself torn between two men—and two very different cultures. On her very first morning on the jewel-like island of Capri, Lucie Churchill sets eyes on George Zao and she instantly can't stand him. She can't stand it when he gallantly offers to trade hotel rooms with her so that she can have a view of the Tyrrhenian Sea, she can't stand that he knows more about Casa Malaparte than she does, and she really can't stand it when he kisses her in the darkness of the ancient ruins of a Roman villa and they are caught by her snobbish, disapproving cousin Charlotte. The daughter of an American-born Chinese mother and a blue-blooded New York father, Lucie has always sublimated the Asian side of herself in favor of the white side, and she adamantly denies having feelings for George. But several years later, when George unexpectedly appears in East Hampton, where Lucie is weekendening with her new fiancé, Lucie finds herself drawn to George again. Soon, Lucie is spinning a web of deceit that involves her family, her fiancé, the co-op board of her Fifth Avenue apartment building, and, ultimately, herself as she tries mightily to deny George entry into her world—and her heart. Moving between summer playgrounds of privilege, peppered with decadent food and extravagant fashion, *Sex and Vanity* is a truly modern love story, a daring homage to *A Room with a View*, and a brilliantly funny comedy of manners set between two cultures.
