

Chinas Peril And Promise

This book explores how history shapes city development, assesses the role of government at national and sub-national levels through case studies of three secondary cities, Quanzhou, Yiwu and Nannin, and provides a link between city development and internationalization. In doing so, the book highlights alternative paths to development and internationalization that have received little attention in mainstream discussions. The case studies in the book provide insights into the development and internationalization of cities, linking them to historical, social,

Online Library Chinas Peril And Promise

institutional and economic factors—narratives that bridge the two themes of city development and internationalization. Strong analyses are accompanied by photographs and charts that allow the reader to learn about Chinese cities beyond the major urban areas in China, garner better understanding of the role of the Chinese state, and appreciate the relevance of “city-specific assets” for city planning.

Examines both the peril and the promise of presidential power to clarify that what can destroy our Constitution can--if the threat is dire--also save it. An unusually balanced study that argues for a middle path whereby presidents choose consciously to act temporarily outside or even against

Online Library Chinas Peril And Promise

the laws in serving the nation's best interest.

How an antisemitic legend gave voice to widespread fears surrounding the expansion of private credit in Western capitalism
The Promise and Peril of Credit takes an incisive look at pivotal episodes in the West's centuries-long struggle to define the place of private finance in the social and political order. It does so through the lens of a persistent legend about Jews and money that reflected the anxieties surrounding the rise of impersonal credit markets. By the close of the Middle Ages, new and sophisticated credit instruments made it easier for European merchants to move funds across the globe. Bills of exchange were by far the most arcane of

Online Library Chinas Peril And Promise

these financial innovations. Intangible and written in a cryptic language, they fueled world trade but also lured naive investors into risky businesses. Francesca Trivellato recounts how the invention of these abstruse credit contracts was falsely attributed to Jews, and how this story gave voice to deep-seated fears about the unseen perils of the new paper economy. She locates the legend's earliest version in a seventeenth-century handbook on maritime law and traces its legacy all the way to the work of the founders of modern social theory—from Marx to Weber and Sombart. Deftly weaving together economic, legal, social, cultural, and intellectual history, Trivellato vividly describes how Christian writers drew on the story

Online Library Chinas Peril And Promise

to define and redefine what constituted the proper boundaries of credit in a modern world increasingly dominated by finance.

China's Maritime Silk Road Initiative and South Asia***

***China's Peril and Promise
An Intermediate-Advanced Reader of Modern Chinese***

What a Forgotten Legend about Jews and Finance Tells Us about the Making of European Commercial Society

An Elementary Reader for Modern Chinese

Since the mid-2000s, public opinion and debate in China have become increasingly common and consequential, despite the ongoing censorship of speech and regulation of civil society. How did this happen? In *The Contentious Public Sphere*,

Online Library Chinas Peril And Promise

Ya-Wen Lei shows how the Chinese state drew on law, the media, and the Internet to further an authoritarian project of modernization, but in so doing, inadvertently created a nationwide public sphere in China—one the state must now endeavor to control. Lei examines the influence this unruly sphere has had on Chinese politics and the ways that the state has responded. Using interviews, newspaper articles, online texts, official documents, and national surveys, Lei shows that the development of the public sphere in China has provided an unprecedented forum for citizens to influence the public agenda, demand accountability from the government, and organize around the concepts of law and rights. She demonstrates how citizens came to understand themselves as legal subjects, how legal and media professionals began to collaborate in unexpected ways, and how existing

Online Library Chinas Peril And Promise

conditions of political and economic fragmentation created unintended opportunities for political critique, particularly with the rise of the Internet. The emergence of this public sphere—and its uncertain future—is a pressing issue with important implications for the political prospects of the Chinese people.

Investigating how individuals learn to use public discourse to influence politics, *The Contentious Public Sphere* offers new possibilities for thinking about the transformation of state-society relations.

In this concise introduction to international law, students gain a clear appreciation for how politics shapes the development of international law, and how international law shapes political relations between states.

Throughout the book, Rochester takes this complex subject and makes it accessible with his vibrant, easy-to-read prose.

Stories Charisma and Organization in a Chinese Christian Church

The transition from President Donald J. Trump to President Joseph R. Biden Jr. stands as one of the most dangerous periods in American history. But as # 1 internationally bestselling author Bob Woodward and acclaimed reporter Robert Costa reveal for the first time, it was far more than just a domestic political crisis. Woodward and Costa interviewed more than 200 people at the center of the turmoil, resulting in more than 6,000 pages of transcripts—and a spellbinding and definitive

Online Library Chinas Peril And Promise

portrait of a nation on the brink. This classic study of Washington takes readers deep inside the Trump White House, the Biden White House, the 2020 campaign, and the Pentagon and Congress, with vivid, eyewitness accounts of what really happened. Peril is supplemented throughout with never-before-seen material from secret orders, transcripts of confidential calls, diaries, emails, meeting notes and other personal and government records, making for an unparalleled history. It is also the first inside look at Biden's presidency as he faces the challenges of a lifetime: the continuing deadly pandemic and

Online Library Chinas Peril And Promise

millions of Americans facing soul-crushing economic pain, all the while navigating a bitter and disabling partisan divide, a world rife with threats, and the hovering, dark shadow of the former president. "We have much to do in this winter of peril," Biden declared at his inauguration, an event marked by a nerve-wracking security alert and the threat of domestic terrorism. Peril is the extraordinary story of the end of one presidency and the beginning of another, and represents the culmination of Bob Woodward's news-making trilogy on the Trump presidency, along with *Fear and Rage*. And it

Online Library Chinas Peril And Promise

is the beginning of a collaboration with fellow Washington Post reporter Robert Costa that will remind readers of Woodward's coverage, with Carl Bernstein, of President Richard M. Nixon's final days.

The True Jesus Church was China's first major native Christian denomination and one of the earliest expressions of the charismatic and Pentecostal tradition that now dominates Chinese Christianity. Founded in 1917, after a silk merchant had a vision of Jesus, the Church was characterized by dramatic healings, exorcisms, tongues-speaking, and a call for a return to authentic Christianity that

Online Library Chinas Peril And Promise

challenged the Western missionary establishment in China. In this history of the True Jesus Church, Melissa Wei-Tsing Inouye links together key themes from modern Chinese social history to tell the story of how members of the True Jesus Church in China over the past century have sought to muster divine and human resources to transform their world.

Oh, China is a textbook for the growing number of "advanced beginners" who are studying Mandarin Chinese. These are students who, usually because of their Chinese family backgrounds, can speak and understand elementary Mandarin, but cannot read or write well enough for an intermediate course. Most first-year texts serve advanced beginners poorly by focusing on elementary vocabulary and conversation that the students already know. In contrast, this

Online Library Chinas Peril And Promise

book offers help with what they most need: reading and writing, grammar, and achievement of standard pronunciation. The content of the lessons has also been chosen to appeal specifically to advanced beginners. There are three clusters of topics: the home and social life of young Chinese-Americans, the notions of "overseas Chinese" and their ties to China, and important figures in modern Chinese history. Each lesson is given in both traditional and simplified characters, and, for the first fifteen lessons, in hanyu pinyin as well. The lessons are accompanied by vocabulary lists, grammar notes, usage exercises, and character stroke-order charts. The book begins with a detailed chapter on

Online Library Chinas Peril And Promise

"foundation work" in Mandarin pronunciation, complete with exercises. It concludes with a complete Chinese-to-English vocabulary index. Oh, China is designed for one year's study at the college level and will prepare students to enter third-year courses. The latest in a series of Chinese language texts published by Princeton University Press, it will meet an important and growing need in the teaching and study of Mandarin. Audio and video materials are available for use with this text. For further information, contact the Chinese Linguistics Project, 231 Palmer Hall, Princeton University, Princeton, N.J. 08544. (609-258-4269). The New York Times bestseller,

Online Library Chinas Peril And Promise

now updated with new material on cyber attacks, digital sovereignty, and tech in a pandemic. From Microsoft's president and one of the tech industry's broadest thinkers, a frank and thoughtful reckoning with how to balance enormous promise and existential risk as the digitization of everything accelerates. "A colorful and insightful insiders' view of how technology is both empowering and threatening us. From privacy to cyberattacks, this timely book is a useful guide for how to navigate the digital future."
—Walter Isaacson Microsoft president Brad Smith operates by a simple core belief: When your technology changes the world, you bear a responsibility to help

Online Library Chinas Peril And Promise

address the world you have helped create. In Tools and Weapons, Brad Smith and Carol Ann Browne bring us a captivating narrative from the top of Microsoft, as the company flies in the face of a tech sector long obsessed with disruption as an end in itself, and in doing so navigates some of the thorniest issues of our time—from privacy to cyberwar to the challenges for democracy, far and near. As the tumultuous events of 2020 brought technology and Big Tech even further into the lives of almost all Americans, Smith and Browne updated the book throughout to reflect a changed world. With three new chapters on cybersecurity, technology and nation-states, and tech in the

A revised one-volume edition of the popular upper-level Chinese language textbook Since its first publication in 1999, Literature and Society has been widely used in Chinese-language classes at major universities and language institutions. In this completely revised edition, designed for upper-level students, this classic textbook continues to explore a variety of contemporary Chinese

Online Library Chinas Peril And Promise

social issues through the study of Chinese literary works and essays. This new edition condenses and consolidates the original two-volume set into one convenient volume. The first section, "Literature," includes essays, short stories, and a play, and features a range of writers: Lu Xun, Lin Yutang, Liang Shiqiu, Wang Li, Xie Bingying, and Wang Meng. The second section, "Society," includes

Online Library Chinas Peril And Promise

essays by Fei Xiaotong, Ma Yinchu, Wu Han, Liang Sicheng, and Chen Hengzhe. The selections delve into such subjects as population issues, ethics, marriage, the lives of intellectuals, and challenges faced by minorities in China. Each selection begins with a brief introduction about the author and concludes with discussion questions. The simplified character text and corresponding vocabulary words face

Online Library Chinas Peril And Promise

each other on adjacent pages, and the traditional character text follows at the end of each lesson.

Literature and Society remains an innovative way for students to sharpen their Chinese language abilities while learning more about important areas of Chinese culture.

works and essays explore contemporary Chinese social issues Each selection begins with an introduction to the author and concludes with discussion questions Simplified character text and corresponding vocabulary sit on facing pages Traditional character text appears at the end of each lesson Our relationship with things abounds with paradoxes. People assign value to objects in ways that are often deeply

Online Library Chinas Peril And Promise

personal or idiosyncratic yet at the same time rooted in specific cultural and historical contexts. How do things become meaningful? How do our connections with the world of things define us? In Ming and Qing China, inquiry into things and their contradictions flourished, and its depth and complexity belie the notion that material culture simply reflects status anxiety or class conflict. Wai-

Online Library Chinas Peril And Promise

Yee Li traces notions of the pleasures and dangers of things in the literature and thought of late imperial China. She explores how aesthetic claims and political power intersect, probes the objective and subjective dimensions of value, and questions what determines authenticity and aesthetic appeal. Li considers core oppositions—people and things, elegance and vulgarity, real and fake, lost and found—to

Online Library Chinas Peril And Promise

tease out the ambiguities of material culture. With examples spanning the late sixteenth to the mid-eighteenth centuries, she shows how relations with things can both encode and resist social change, political crisis, and personal loss. *The Promise and Peril of Things* reconsiders major works such as *The Plum in the Golden Vase*, *The Story of the Stone*, Li Yu's writings, and Wu Weiye's poetry and drama, as

Online Library Chinas Peril And Promise

well as a host of less familiar texts. It offers new insights into Ming and Qing literary and aesthetic sensibilities, as well as the intersections of material culture with literature, intellectual history, and art history.

Peril and Promise': Perspectives on China and India

China's Peril and Promise
Advanced Reader of Modern
Chinese
Princeton University Press
The Promise and the Peril

This book brings together a diverse range of responses to China's Marine Silk Road Initiative, which proposes to redraw the map of Asia, particularly South Asia. China's 21st Century Maritime Silk Road Initiative (MSRI) is a massive scheme to connect wide swaths of East, Southeast, South, and West Asia through a dense web of interconnected hard and soft infrastructure involving ports, roads, logistics facilities, special industrial zones, and free trade and investment agreements. This book will be

Online Library Chinas Peril And Promise

invaluable for students of Chinese foreign security and foreign economic policy, those interested in South Asia including Indian foreign security and economic policy as well as Indian relations with China, those attentive to international economic developments in East and South Asia, and those interested in the political and economic situation in specific MSRI participant countries such as Pakistan, Maldives, and Sri Lanka as well as their political and economic relations with China.
