build the kingdom of God and that all of history is Gods. It begins with the creation story and the Fall of Adam. It then uses the Bible as the foundation to how mankind and nations spread throughout the world. Finally it looks at His church and how it developed, the Reformation, and the founding and growth of the United States" --

Believing that unconventional children required unconventional therapies, she then applied her program to children with autism, ADD/ADHD, and Asperger's syndrome. Her innovative methods not only worked, but actually defied the experts. In this book, Tubbs has put together a powerful tool to help parents, therapists, and teachers work with their children. Part One of Creative Therapy begins with the author's approach to balancing a
