In the 1840s, there was a real vounteer firefighter named Mose Humphreys whose bravery was reknown throughout New York City. Plays about him began being performed on Broadway in 1848 and over the years his strength and heroics took on larger-than-life proportions, much like those of Paul Bunyan. Mary Pope Osborne has honed down the legends about him to a brief, dramatic, sometimes comical, but ultimately moving text of picture book length. Steve Johnson and Lou Fancher's stunning paintings capture this 8-foot-tall superhero rushing into burning buildings, saving babies and bankers, and wolfing down the feasts bestowed upon him by the grateful citizens of old New York--until the one big hotel fire after which he was never seen again. The author has included a historical note about the origins of this tall tale, and the book is dedicated to the 343 New York City firefighters who gave their lives to save others on September 11, 2001. Mary Pope Osborne included a longer, different version of this legend in her distinguished collection *American Tall Tales*.

From Parks and Recreation star Aubrey Plaza and creative partner Dan Murphy comes the long lost tale of the Christmas Witch, Santa Claus's much misunderstood twin sister. The perfect gift for the holiday season and beyond! Gather 'round the fire to hear a Christmas legend that has never been told before...until now. Each year a mysterious figure sweeps into town, leaving behind strange gifts in the night. No, not Santa Claus, but his sister... The Christmas Witch. Her story begins many, many years ago when her brother was torn away from her as a child. Raised alone by a witch of the woods, Kristtorn's powers of magic grew, as did her temper. Determined to find her long lost twin, she set out on a perilous journey across oceans to find him. But what she found instead was a deep-seated fear of her powers and a confrontation that would leave the fate of Christmas hanging in the balance. From award-winning producer and actress Aubrey Plaza and her creative partner Dan Murphy comes a holiday story unlike any told before. With all the richness of classic folklore, they've woven a tale of bravery, love and magic. Whatever you thought you knew about Christmas...think again.

Designing Camelot

It's Christmastime in 1946, and all Addie wants is a pair of cowboy boots and a Christmas tree. Ten-year-old Addie lives in Clear River, Nebraska, population fifteen hundred, with her stoic but loving father and quirky grandmother. Carla Mae is her neighbor and best friend in the fifth grade. Carla Mae's house is different than Addie's—she has five siblings and another on the way, while Addie is an only child. It's the week before Christmas, and shopping lists are at the front of the girls' minds. Addie's house doesn't have a tree—her dad says they are a waste of money, and they'll be opening presents at Uncle Will's anyway. Uncle Will has a tree, but to Addie, it doesn't feel like Christmas without a tree of their own. Then she comes up with the perfect plan. Will it make this the best Christmas they've ever had, or will her father never forgive her? Jack and Annie are joined by Teddy and Kathleen as they travel to the snowy Land-Behind-the-Clouds, where they search for the eye of the Ice Wizard and attempt to help Merlin and Morgan.
