

Church Security Manual

Church leaders understand that managing the day-to-day operations of a church can be challenging because of limited resources, managing volunteer labor, and supporting the needs of the congregation. Smart Church Management: A Quality Approach to Church Administration, Third Edition is an updated guide for managing the resources of a church - which is people, time and money. This book provides tools and examples for decision making and problem-solving for church administration that is easy to understand and more importantly, quick to implement! This book also includes discussion questions to provoke thought and discussion for church teams. This book is ideal for ministry students, church boards, church leadership and church administrators.

When church leaders fail to provide for the well-being and protection of everyone involved in congregational programs, they are derelict in their duty to shepherd and protect the flock. A conscientious and well run safety program gives a sense of security and comfort to those who attend and helps provide an atmosphere where worship, fellowship, edification and service can take place without incident. Keeping Your Church Safe is a practical blueprint for churches covering all aspects of church security and safety for staff, premises and members. It's a well-outlined, easy-to-follow guide in establishing an effective security program for congregations of all sizes. "Given the uncertain times in which we live and increasing threats to our churches, Ron has written a practical, thorough, easy-to-read book that should be a textbook for any church. More importantly, he loves the Lord and His church and has dedicated his life to making sure Christ is exalted in the best and safest way possible." Bob Russell (retired) Senior Minister Southeast Christian Church Louisville, Kentucky "Addressing topics rarely discussed but realistic, this book is an excellent guide for church administrators, security managers, board chairpersons, volunteers or anyone serious about protecting our places of worship. It has been written as a result of years invested in "front line" experience. It contains the insight of a safety manager, site security chief, dignity protection administrator and a special event commander, all in one." Major Bill Weedman (retired) Commander of Special Operations and Event Management Louisville Metro Police Department Ron Aguiar has been at Southeast Christian Church for 10 years as Director of Safety & Security, with an additional 10 years spent in public law enforcement and private security. Ron is a sought-after speaker, consultant to churches, para-church organizations and public law enforcement agencies. Contact Information: churchsaftyandsecurity@gmail.com

Lester DeKoster is the retired editor of The Banner, weekly news magazine of the Christian Reformed Church. He is the former Director of Libraries for Calvin College and Seminary. He currently writes and publishes books on Christian living from the Reformed Calvinist perspective. Gerard Berghoef is the retired President of Widdalcomb Furniture Company and a long time elder in the Christian Reformed Church.

"This volume documents the Nixon and Ford administrations' formulation and implementation of national security policy primarily vis-à-vis the Soviet Union and, to a lesser extent, the People's Republic of China. It also documents intelligence and its role in the policy process, as well as the Ford administration's efforts to bolster U.S. telecommunications security. Finally, the volume presents documents on the Hughes Glomar Explorer, the centerpiece of a secret mission organized by the Central Intelligence Agency (CIA) to raise a Soviet submarine sunk in the Pacific Ocean"--Publisher website.

This title was first published in 2001: This in-depth analysis of the foreign policy behaviour of Greece and Spain, draws conclusions on the role and influence that the two southern member states have had at different times. Dimitrios Kavakas concentrates on four aspects: the history; adaptation of domestic structures; patterns of behaviour in participation of the Common Foreign Security Policy (CFSP); and the issue of securitization?. Allowing the reader to explore other aspects apart from the study of foreign policy of European Union member states, this invaluable work will find an audience among research and masters students as well as undergraduates. It is also suitable for courses of European foreign policy, comparative policy analysis and specialist courses on politics, international relations and European studies.

Hugh Urban tells the real story of Scientology from its cold war-era beginnings in the 1950s to its prominence today as the religion of Hollywood's celebrity elite. Urban paints a vivid portrait of Hubbard, the enigmatic founder who once commanded his own private fleet and an intelligence apparatus rivaling that of the U.S. government. One FBI agent described him as "a mental case," but to his followers he is the man who "solved the riddle of the human mind." Urban details Scientology's decades-long war with the IRS, which ended with the church winning tax-exempt status as a religion; the rancorous cult wars of the 1970s and 1980s; as well as the latest challenges confronting Scientology, from attacks by the Internet group Anonymous to the church's efforts to suppress the online dissemination of its esoteric teachings.

Bookkeeping for churches can be quite different than for-profit businesses, and the other guides available cover either QuickBooks or church accounting, not both. Lisa London, The Accountant Beside You, walks you through QuickBooks for your church from start to finish, always with examples, terminology, and understanding of what a busy church administrator needs to know in a clear, concise style. With her friendly easy-to-understand style and illustrative screenshots, Lisa guides new QuickBooks users every step of the way, while her tips for how to make QuickBooks work better for churches provides new insight and procedures for even the experienced bookkeeper. Not only does she step you through how to set up QuickBooks and utilize it more efficiently for your house of worship, but she also discusses everything you need to know to implement controls and procedures to ensure that your church's money is always protected. QuickBooks for Churches covers PC versions of QuickBooks from 2012 forward and even includes what's new in the 2014 version. Lisa offers sound accounting procedures for both large and small houses of worship, for bookkeepers with years of experience as well as those just starting out. Let The Accountant Beside You take one more worry off your crowded to-do list.

A comprehensive guide to the nature and work of the church, including pastor, staff members, and planning the total church program.

Daybreak over Ecuador is a historical narrative of the first protestant foreign missionaries to attempt to enter Ecuador after the lessening of religious control in the country. Ecuador was the last Latin American country to open its doors to protestant missions. Those who dared to come faced hostility and deprivation. This is the country where a native indigenous person had to apply for permission to dress like a Spaniard, and an Ecuadorian was not a citizen if he was not a Catholic. Here is where a customs official boasted that "as long as Mount Chimborazo stands the Bible will not enter Ecuador." It was not until 1895 that foreign missionaries were allowed on its soil. This is the story of some of those people. It is a tribute to the faithful men and women who risked their lives in order to establish the evangelical church in Ecuador. There are stories of persistence and meagre beginnings in some of the most isolated places till a national church arose that is today a formidable missionary force in its own right. It is the story of the people who came, and who came to stay. Ecuadorian writers who understood the milieu into which they were coming provide the historical backdrop for the story. The book foreword is written by the president of the Ecuadorian confraternity of evangelical churches, Eduardo Lopez who says that "AS EVANGELICAL CHRISTIANS IN ECUADOR we ought to be grateful to God for the life and testimony of the first missionaries who came to our nation for the solitary purpose of sharing the Gospel of Christ with Ecuadorians. Daybreak Over Ecuador transports us by way of its pages to an understanding of the life and testimony of these men and women of God, as well as of the events that signalled important milestones in the advance of the missionary enterprise in Ecuador." Daybreak over Ecuador is a primer to understanding evangelical mission effort in Ecuador. There is a serious attempt to set the religious context of the book. Rather than a comprehensive account it is anecdotal and selective. It touches on the original individuals who came, highlighting instructive moments in their careers. Three representative figures form the centrepiece dedicatory. The second half of the book traces some of the attempts to engage the populace with the Gospel in different spheres of endeavor. The resulting national church becomes a watershed mark in 1945. From there the mission family expanded exponentially and the resulting growth pains of the church are noted as missions organizations navigated the landscape. The author is a career international worker who himself lived and researched the stories in the course of his journey and experience as a missionary. As a participant in the drama he offers insights and insider perspective on what was happening and had access to C&MA mission files during the investigation. Daybreak over Ecuador is part of his journey and is a tribute to the men and women of the Gospel Missionary Union, the Christian and Missionary Alliance, and many others who spent their lives in the face of great opposition to establish the evangelical church in Ecuador. The fierce fanaticism of the times was matched by the steadfast defiance of the early pioneers. Theirs are stories of loneliness and loss, isolation, persecution and tragedy. There are also stories of perseverance and meagre beginnings in some of the most isolated places till a national church arose that is today a formidable missionary force in its own right. These are the stories of ordinary foot soldiers who are honoured today as heroes of faith because they constructed the footholds and built the beachheads on which the church today stands."

Lomita's First Church . . . A Century Remembered recounts the history of St. Mark's Presbyterian Church which began as a Brethren Mission in 1907. As the narrative moves through the decades, it stops along the way to highlight the work of the ten major pastorates, each with its own unique challenges. The story is told from the perspective of the elders who, as pastors came and went, kept the focus on Christ, church and community.

Reducing the Risk of Abuse in the Church for Children and Youth

The Church of Scientology

Prisoners' Self-Help Litigation Manual, in its much-anticipated fourth edition, is an indispensable guide for prisoners and prisoner advocates seeking to understand the rights guaranteed to prisoners by law and how to protect those rights. Clear, comprehensive, practical advice provides prisoners with everything they need to know on conditions of confinement, civil liberties in prison, procedural due process, the legal system, how to litigate, conducting effective legal research, and writing legal documents. Written by two legal and penitentiary experts with intimate knowledge of prisoner's rights and legal aid work, authors John Boston and Daniel E. Manville strategically focus on federal constitutional law, providing prisoners and those wishing to assist them with the most important information concerning legal rights. Over the past decade, prison law and conditions have changed significantly. This new edition is updated to include the most relevant prisoners' rights topics and approaches to litigation. Updates include all aspects of prison life as well as material on legal research, legal writing, types of legal remedies, and how to effectively use those remedies. Certainly the most authoritative, well-organized and relevant prisoner's rights manual available -- the eagerly awaited fourth edition should be purchased by everyone interested in civil rights for the incarcerated.

The G&C has chosen to establish what was once called a regular clergy, as distinct from a secular clergy-that is to say, something much closer to monks than to ministers. This was the core model for clergy in the old Celtic Church in Ireland, Wales, Brittany, and other Celtic nations, in the days before the Roman papacy imposed its rule on the lands of Europe's far west. Members of the Celtic clergy were monks first and foremost, living lives focused on service to the Divine rather than the needs of a congregation, and those who functioned as priests for local communities did so as a small portion of a monastic lifestyle that embraced many other dimensions. In all Gnostic traditions, personal religious experience is the goal that is set before each aspirant and the sole basis on which questions of a religious nature can be answered-certain teachings have been embraced as the core values from which the Gnostic Celtic Church as an organization derives its broad approach to spiritual issues. Those core teachings may be summarized in the words "Gnostic, Universalist, and Pelagian" which are described in this book.

"This invaluable resource covers virtually every aspect of church administration. It is for black churches of ANY denomination and ANY size, and is sure to provide guidance for new or established pastors. A sample constitution, budget, and mission statement are included."--BOOK JACKET.

More than twenty years have passed since the first edition of this book was published. During that time over one million copies have been printed, and the book has been used in churches throughout the United States and in mission fields around the world. Portions of the material have been translated into at least five foreign languages, and a Chinese edition was published in Hong Kong.

Church Marketing Manual for the Digital Age

Religion isn't a word often associated with technology ? but it should be. Communication between religious organizations and their followers has blossomed on social media. Many churches have turned to social networks to increase their outreach to spread their teachings.

War has been declared and demon possessed Queen Euphoria has struck the first blow against the Territories. Little does she know, DeLynn a dark elf possessed by an evil herself has command of the elf army and is moving in to defend the land. Kara, realizing the trouble brewing, seeks out her non human friends, hoping to sort out the trouble ahead. But will Hambone, Snow, Ra'na, and the wizard Ynob be enough to stop the ensuing apocalypse?

God wants you, but He wants you "strong" in His supernatural power. From the very first days of our membership in the Mystical Body of Christ, we are, in essence, commissioned officers in the Church Militant. This Church Militant Field Manual will test you in your resolve to become strong in the Lord and His mighty power. You will also learn the special operations (special ops) techniques and procedures for search and rescue missions of fallen comrades (family and friends whose faith has grown weak). Discover what it means to be "God strong."

"It was the best of church, it was the worst of church..." [Not Charles Dickens] In some ways, the church has a horrendous track record and is deserving of much of the hate, accusation and mistrust it has received. But, in many other ways, the church has also been monumental in affecting great systemic change, being first on the scene in crisis and on the forefront of reaching out to and loving well those considered the least of these. To those of you who believe church is the worst thing ever: You're right! To those of you who believe church is the best thing ever: You're right! The church was God's idea and it is the plan He has chosen to bring transformation to a world desperately in need of a deeper experienced His love. He doesn't appear to have a plan B. We are it ! call this book, 'i, church' because more than a building or a meeting or a list of do's and don'ts, the church is about the people. It is about me. And it is about you. If you love Jesus and have chosen to follow Him, then you are the church. Let's figure out together how to be the best church we can be. "Brett Anderson weaves a picture of the church that is stark and real. He sees through church politics and denominational blinkers and defines the core of what the church is and isn't and what God desires it to be." [Bruce Collins, legend and appreciator of good coffee]

A Practical Guide for Protecting Your Congregation in Uncertain Times

The Church Secretary's Handbook

A History of a New Religion

To Give a Beautiful Witness

Providing Affordable, Biblically-based, Professional Christian Counseling As a Ministry of the Local Church

The Hiscox Standard Baptist Manual

Spiritual counsel is always concerned above all else with faith - nurturing, strengthening, establishing, practicing faith - and the Word of God occupies a central place. Such is biblical worldview counseling. It addresses the emotional and spiritual dimensions of every client. The concepts of human nature, life struggles, health, and treatment modality in psychology span a broad spectrum. Those who practice biblical worldview counseling do so with an integrated philosophical origin. Counselors often adopt certain psychological theories in part, but they do not embrace any underlying philosophies that deny God or biblical truths. Well trained Christian counselors are able to integrate their faith with their education, remaining faithful to biblical standards while availing themselves of the science of psychology. Creating an effective counseling ministry is the church establishing a relationship

with its members and community that conveys the message of hope and healing in Christ. Having a professionally trained counseling staff in the church brings benefit to the pastoral staff, not the least of which is a deep level of trust and confidence that challenging situations are being addressed in an effective and spiritual way. This manual will help a church of any size create an effective new ministry whose purpose is to strengthen the body of Christ whose members are suffering or struggling with emotional and spiritual issues that go beyond the constraints of pastoral care. Your church is one step closer to having a new and effectual ministry that will bring the hope and healing of Jesus Christ to those who are hurting: setting free the captives, and bring healing to the brokenhearted.

Investigates the Air Reserve Center Training Manual which contains charges of Communist infiltration in the National Council of Churches of Christ.

Addresses church membership, officers, and Christian discipline: ministry, ordinances, and worship; the church's witness; and more.

The Church Security Handbook: Because If Can Happen HereAttacks on churches are on the rise. Yet the temptation is to think that it can't or won't happen in our city or congregation. The Church Security Handbook takes a practical, biblical approach to answering critical questions about security including:
* What are the odds of an attack on my church?
* Does church security indicate a lack of faith in God?
* How can we have a security team without a "fortress mentality"?
* Does a security team have to be armed?
* How do we select and train our team?The Church Security Handbook is written by the experienced, real-world professionals at Strategos International. www.strategosintl.com

This ten year anniversary edition of the bestselling Safe Sanctuaries series brings together-in one volume--the transformative and foundational information found in the Melton's previous two volumes. Safe Sanctuaries remains the only resource of its kind that offers the tools necessary to train leaders of the church to keep the children and youth safe. This volume is updated to include information on the growing concern around the internet and predators as well as a new section on vulnerable adults.

St John the Compassionate Mission is an inclusive community staying faithful to the teachings and Tradition of the Orthodox Church. We live in synergy with God and one another, as it continues through our communal experience. Through our diakonia, we find Christ. With the pow, we live Christ. The vision is to be nothing more and nothing less than the Church, concretely this means to rediscover the parish as a community that has at its heart "The Poor Our Masters."

Were have all the great Christian leaders gone? Christian leadership is about more than leading, the more important part is following. Following Jesus Christ. The Trustee's Manual provides church leaders with 10 Biblical rules that help church leadership become effective leaders and follow the Words of Christ. Jesus said in Matthew 16:18, "I will build MY church," (ESV) Let Christ build HIS church, become a leader LED by Jesus.
