organizations while simultaneously influencing and adapting to changes in environmental context. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. It is well known that the balance sheets of most major central banks significantly

Read Book Citibank 2010 Electronically Available Tax Documents

expanded in the aftermath of the financial crisis of 2007-2011, but the consequences of this expansion are not well understood. This book develops a unified framework to explain how and why central bank balance sheets have expanded and what this shift means for fiscal and monetary policy. Buiter addresses a number of key issues in

Read Book Citibank 2010 Electronically Available Tax Documents

monetary economics and public finance, including how helicopter money works, when modern monetary theory makes sense, why the Eurosystem has a potentially fatal design flaw, why the fiscal theory of the price level is a fallacy and how to escape from the zero lower bound. The international tax system is in dire need

Read Book Citibank 2010 Electronically Available Tax Documents

of reform. It allows multinational companies to shift profits to low tax jurisdictions and thus reduce their global effective tax rates. A major international project, launched in 2013, aimed to fix the system, but failed to seriously analyse the fundamental aims and rationales for the taxation of multinationals' profit, and in

Read Book Citibank 2010 Electronically Available Tax Documents

particular where profit should be taxed. As this project nears its completion, it is becoming increasingly clear that the fundamental structural weaknesses in the system will remain. This book, produced by a group of economists and lawyers, adopts a different approach and starts from first principles in order to generate an

Read Book Citibank 2010 Electronically Available Tax Documents

international tax system fit for the 21st century. This approach examines fundamental issues of principle and practice in the taxation of business profit and the allocation of taxing rights over such profit amongst countries, paying attention to the interests and circumstances of advanced and developing countries.

Read Book Citibank 2010 Electronically Available Tax Documents

Once this conceptual framework is developed, the book evaluates the existing system and potential reform options against it. A number of reform options are considered, ranging from those requiring marginal change to radically different systems. Some options have been discussed widely. Others, particularly Residual Profit

Read Book Citibank 2010 Electronically Available Tax Documents

Split systems and a Destination Based Cash-Flow Tax, are more innovative and have been developed at some length and in depth for the first time in this book. Their common feature is that they assign taxing rights partly/fully to the location of relatively immobile factors: shareholders or consumers. Stepping back from current

Read Book Citibank 2010 Electronically Available Tax Documents

political debates on combatting profit shifting and how taxing rights over the profits of the digitalized economy should be allocated, this book undertakes a fundamental review of the existing international system of taxing business profit. It argues that the existing system is fundamentally flawed, and that there is a

Read Book Citibank 2010 Electronically Available Tax Documents

need for radical reform.
