"P. G. Wodehouse wrote the best English comic novels of the century." –Sebastian Faulks
Bertram Wooster's interminable banjolele playing has driven Jeeves, his otherwise steadfast gentleman's gentleman, to give notice. The foppish aristocrat cannot survive for long without his Shakespeare-quoting and problem-solving valet, however, and after a narrowly escaped forced marriage, a cottage fire, and a great butter theft, the celebrated literary odd couple are happy to return to the way things were. A Blandings novel When the moon is full at Blandings, strange things happen: among them the commissioning of a portrait of The Empress, twice in succession winner in the Fat Pigs Class at the Shropshire Agricultural Show. What better choice of artist, in Lord Emsworth's opinion, than Landseer. The renowned painter of The Stag at Bay may have been dead for decades, but that doesn't prevent Galahad Threepwood from introducing him to the castle - or rather introducing Bill Lister, Gally's godson, so desperately in love with Prudence that he's determined to enter Blandings in yet another imposture. Add a gâggle of fearsome aunts, uncles and millionaires, mix in Freddie Threepwood, Beach the Butler and the gardener McAllister, and the moon is full indeed. The mad Duke of Danstable is intent upon kidnapping the Empress of Brandings, Lord Emsworth's pet pig, and his lordship calls upon Pongo Twistleton's Uncle Fred to save the day. A P.G. Wodehouse novel Château Blissac, on its hill above St Roque, is in a setting where every prospect pleases. But it doesn't please its current occupier, J Wellington Gedge. Mr Gedge wants none of it - and particularly none of the domineering Mrs Gedge's imperious wish that he should become American Ambassador to Paris. Instead he pines for the simpler life of California, where men are men and filling stations stand tall. Mrs Gedge has powerful allies - including the prohibitionist Senator Opal. But will she get her way? And will the Senator's delightful daughter Jane get her man? In a plot which involves safe-blowers, con men, jewel-thieves and even a Bloomsbury novelist, few are quite as they seem. But the heady atmosphere of France in the 1930s makes for one of Wodehouse's most delightful comedies.

The Collector's Wodehouse

No writer knew better than PG Wodehouse how a drink can lift the spirits – and he was a master at the high comic effects of having a few too many. Highballs for Breakfast is a handpicked selection of wit, wisdom and comic moments from Wodehouse’s work that involve getting pickled or plastered, or lathered or sozzled, and getting in and out of all manner of scrapes. If some great writers dwelled on the darker side of drinking, Wodehouse was concerned with the pure pleasure to be had from ‘the magic bottle’ and getting outside of the contents of a tall glass. His imperishable writing displays a well-turned appreciation for all kinds of booze – cocktails, champagne, port, whiskey and brandy (with soda, of course); but also the humble pint, and even the infamous poteen. This sparkling collection captures Wodehouse at his best on being terribly thirsty, or drowning one’s sorrows, or knocking one back for Dutch courage. It finds him celebrating the special atmospheres of the English country pub and the Manhattan barroom. And it shows him to be exceptionally good on hangovers, but equally so on hangover cures, such as the legendary pick-me-ups prepared for Bertie Wooster by the dependable Jeeves. For all lovers of a laugh and a drink, Highballs for Breakfast is a tonic, a bracer, and a tissue–restorer.

“[Blandings] is an entire world unto itself and, one senses, Wodehouse pours into it his deepest feelings for England.” –Stephen Fry
The final Uncle Fred novel marks his return to Blandings Castle to relieve Lord Emsworth’s woes: a nagging secretary, prankster Church Lads, and a plot to thiefe his prize-winning sow. Uncle Fred must serve up his brand of sweetness and light to ensure that everything turns out very capital indeed.

Frederick Altamont Cornwallis Twistleton, 5th Earl of Ickenham, better known as Uncle Fred, is back “to spread sweetness and light” wherever he goes . . . much to the dismay of his nephew Pongo. Whether disguised as an eminent nerve specialist helping the ailing upper class, an anesthesiologist ready to help clip a parrot’s claws, a major returned from an exploration of Brazil, or simply George Robinson of 14 Nasturtium Road, East Dulwich, Uncle Fred is always available to help people in need (even more so if a false identity is involved). Included are three novels–Cocktail Time, Uncle Dynamite, and Service With a Smile–and the short story “Uncle Fred Flits By.”

These eleven stories describe the misadventures of the delightfully idle “Eggs,” “Beans,” and “Crumpets” that populate the Drones club: young men wearing spats, starting spats, and landing in sticky spots. “P. G. Wodehouse is still the funniest writer ever to have put words on paper.”–Hugh Laurie
Uncle Fred’s nephew Pongo has just smashed the prized statue of his lady love’s father. His troubles multiply as the replacement bust is revealed to be a smuggling vessel filled with jewels. This bust busting gut buster has Uncle Fred and Wodehouse himself at the very height of their work.

A P.G. Wodehouse novel The peaceful slumber of the Worcester village of Rudge-in-the-Vale is about to be rudely disrupted. First there's a bitter feud between peppery Colonel Wyvern and the Squire of Rudge Hall, rich but miserly Lester Carmody. Second, that arch-villain Chimp Twist has opened a health farm - and he and Soapy and Dolly Molloy are planning a fake burglary so Lester can diddle his insurance company. After the knockout drops are served, things get a little complicated over his true love, Colonel Wyvern's daughter Pat, and restore tranquillity to the idyl? It's a close-run thing...

This collection contains full-bodied short stories, light tastes from novels and the merest thimbleful of this, that and the other from the celebrated author. Characters such as Jeeves and Wooster, Uncle Fred and Pongo are there, and many more.

When Bertie Wooster, a blundering, but well-meaning bachelor, returns home to London after spending time in the Canes with his aunt and cousin, he discovers that his valet, Jeeves, has been advising an old friend on love. Gussie, Bertie's school friend, is head-over-heels in love with a young, whimsical lady named Madeline. Unsure what to do with his crush, Gussie turned to Jeeves in Bertie's absence, happy with the help he received. Bertie, however, becomes annoyed and jealous as Jeeves is smarter than him. In an effort to prove himself superior, Bertie orders Jeeves not to offer any more advice. Instead, Bertie invites Gussie to a prestigious event at Brinkley Court to make a speech. Though Bertie was originally told by his aunt that he was expected to make the speech, Bertie was nervous to do so, and decided that it would be best for Gussie to do it. Then, Gussie could use the opportunity to win over Madeline, who would be at the event. However, Bertie to probe Madeline about her feelings results in a mistaken declaration of love. When Madeline declines what she assumed was Bertie's marriage proposal, she claims to have feelings for Gussie. Feeling that his goal was well on its way of being accomplished, Bertie spikes Gussie's drink in attempt to give his friend the courage to propose to Madeline. However, when Bertie's tactic makes Gussie a little too bold, the night unfolds into pure chaos, and Bertie must swallow his pride a Wodehouse's second novel featuring his famous characters, Bertie and Jeeves. A P.G. Wodehouse novel *Seize this wonderful chance to embark on a Wodehousian voyage on the luxurious liner S.S. Atlantic - in the company of Monty Bodkin, whose passion for Gertrude Butterwick knows no bounds (except those set by the wild-at-heart Hollywood starlet Lotus Blossom and her pet alligator). Also aboard are a movie mogul, the centre-forward for the All-England ladies hockey team and the two Tennyson brothers (one of whom has been mistaken for the late poet laureate and given a fat movie contract...).*
Also a chatty steward, and a mouse doll in which all manner of things can be hidden. This hilarious comic novel is Wodehouse at full sail - a voyage of pure delight.

Beloved British humorist P.G. Wodehouse produced a wealth of literature in his lengthy career, contributing novels, short stories, plays, lyrics and essays to the canon of comic writing. His work in film and television included two stints as a screenwriter in Hollywood in the 1930s, and his stories have been the basis for more than 150 film and television productions. He also wrote 20 stories and essays about Hollywood, satirizing the city and its entertainment magnates. This book studies P.G. Wodehouse's extensive, but often overlooked relationship with Tinseltown. The book is arranged chronologically, covering Wodehouse's Hollywood career from his early efforts in silent film, to his later contributions in television, to his work adapted posthumously for the screen. Radio is covered as well, including a discussion of his internment in occupied France and his brief appearances on German radio. Reflecting Wodehouse's international appeal, the book covers Wodehouse films and television in England, Germany, Sweden, and India. Also included are a comprehensive, detailed list of Wodehouse's stories and articles about Hollywood, and a complete filmography of motion picture and television works to which he contributed or which were based on his stories.

Witty and effortlessly fluid. His books are laugh-out-loud funny.

Three sparkling volumes featuring that most effervescent of peers, Trederrick, fifth Earl of Ickenham Perhaps it is due to the fact that his wife Jane keeps a watchful eye on him for much of the time, but when Lord Ickenham breaks free he becomes pure dynamite and bumps-a-daisys as billy-o. These three stories, yUncle Fred in the Springtimey, yUncle Dynamitey and yCocktail Timey, will vouch for that. Failing a plot to relieve Lord Emsworth of his beloved prize pig, the Empress; arranging a little match-making for his love-lorn nephew Pongo Twistleton; knocking off Sir Raymond Bastable's topper with a Brazil nut: there really are, as Uncle Fred himself admits, yno limits, literally none, to what I can accomplish in the springtime.

_____A Jeeves and Wooster novel 'It's hard to single out one book as the entire Jeeves and Wooster collection is Bach Rescue Remedy in literary form, but this tale of romantic imbroglio is a priceless hoot... Every sentence is a perfectly wrought delight.' Independent At Deverill Hall, an idyllic Tudor manor in the picture-perfect village of King's Deverill, impostors are in the air. The prime example is man-about-town Bertie Wooster, doing a good turn to Gussie Fink-Nottle by impersonating him while he enjoys fourteen days away from society after being caught taking an unscheduled dip in the fountains of Trafalgar Square. Bertie is of course one of nature's gentlemen, but the stakes are high: if all is revealed, there's a danger that Gussie's simpering fiancée Madeline may turn her wide eyes on Bertie instead. It's a brilliant plan - until Gussie himself turns up, imitating Bertram Wooster. After that, only the massive brain of Jeeves (himself in disguise) can set things right.
