

College Board Apush Dbq Scoring Guidelines

In 2014, College Board rolled out a new AP® U.S. History course, which centered less on memorizing content and more on developing skills. Since then, the course has been modified here and there, but very little has changed in AP® textbooks—content is still king. Until now. Fabric of a Nation is the first book to truly embrace this dramatic shift in the AP® course and in how history is taught. Built from the ground up by long-time AP® leaders Jason Stacy and Matthew Ellington, this book offers a new approach to AP® U.S. History by seamlessly integrating: A brief historical narrative AP® skill practice Primary source documents Exact alignment to the AP® course Now, that's revolutionary! Maintaining that the outbreak of revolution in 1775 was not the result of secret planning by radicals but rather the end product of years of painful evolution, Pauline Maier brilliantly traces the American colonists' road to independence from 1765 to 1776 and examines the role of popular violence as political allegiances corroded and once-loyal subjects were gradually transformed into revolutionaries. Mrs. Maier presents a view of the American leaders different from that which prevailed a generation ago, when historians saw them as lawless demagogues who, already set upon independence at the outset of the conflict with England, manipulated the public toward their goal through propaganda and mob violence. She shows that none of the men in the forefront of American opposition to British policies favored independence when the colonies blocked England's efforts to impose a tump Tax upon them in 1765. Their love of British institutions was undermined gradually and for reasons beyond their opposition to legislation affecting American interest. Developments in England itself, in Ireland, Corsica, and the West Indies also fed American disillusionment with imperial rule, until leading colonists came to believe that just government required casting loose from Britain and monarchy. Indeed, Mrs. Maier demonstrates that participants saw the American Revolution as part of an international struggle between freedom and despotism. Like independence, violence was a last resort. Arguing that colonial leaders, like many present-day "revolutionaries," quickly learned that popular violence was counterproductive, Mrs. Maier makes it clear that they organized resistance in part to contain disorder. Building association to discipline opposition, they gradually made self-rule founded upon carefully designed "social compacts" a reality. Out of the struggle with Britain emerged not merely violence, but the beginnings of American republican government. Organized for easy reference and crucial practice, coverage of all the essential topics presented as 500 AP-style questions with detailed answer explanations 5 Steps to a 5: 500 AP English Literature Questions to Know by Test Day is tailored to meet your study needs—whether you've left it to the last minute to prepare or you have been studying for months. AP® U.S. History All Access Book + Online + Mobile Coin's Financial School High School Document-Based Assessment for Global History Woman in the Nineteenth Century Its Possible Future and Its Present Crisis

Packed with resources to help parents make sense of the college application process, conduct a college search, and help guide their child's completion of their college application. The author has included a variety of tools to compare one school to another, keep track of important application deadlines, and track possible scholarship aid. Readers from around the world have praised its value to parents who want to make sense of the college gauntlet without hovering and taking control away from their children. One reviewer has written: Stuart White's new book takes a unique focus on the role of the parent of one of the hundreds of thousands of overachieving high schoolers. Whereas most books are written for parents that micro manage and compel their children into the high achiever stereotype, Prof. White's book centers on a rather beautiful love story between him and his daughter as she went through the college admission process. Another reader has written: Thank you for sharing your helpful guide to the college application process. I have read many articles and listened to many podcasts regarding the process, yet still learned more from your book. I appreciated your openness and candidness regarding helicopter parenting. I think it's important to include that advice in this book, as most people reading a book like this will lean toward the helicopter side of parenting. The author's side by side journey with his daughter ended with her admission to Yale University.

All Access for the AP® U.S. History Exam Book + Web + Mobile Completely Revised for the new 2015 Exam Everything you need to prepare for the Advanced Placement® exam. In a study system built around you! There are many different ways to prepare for an Advanced Placement® exam. What's best for you depends on how much time you have to study and how comfortable you are with the subject matter. To score your highest, you need a system that can be customized to fit your schedule, your learning style, and your current level of knowledge. This book, and the online tools that come with it, will help you personalize your AP® U.S. History review by testing your understanding, pinpointing your weaknesses, and delivering flashcard study materials unique to you. REA's All Access system allows you to create a personalized study plan through three simple steps. Here's how it works: Review the Book: Study the topics tested on the new AP® U.S. History exam and learn proven strategies that will help you tackle any question you may see on test day. Test Yourself and Get Feedback: As you review the book, test yourself with 9 end-of-chapter quizzes and 2 mini-tests. Score reports from your online tests and quizzes give you a fast way to pinpoint what you really know and what you should spend more time studying. Improve Your Score: Armed with your score reports, you can personalize your study plan. Review the parts of the book where you are weakest, and use the REA Study Center to create your own unique e-Flashcards, adding to the 100 free cards included with the book. Visit The REA Study Center for a suite of online tools: The best way to personalize your study plan is to get feedback on what you know and what you don't. At the online REA Study Center, you can access three types of assessment: topic-level quizzes, mini-tests, and a full-length practice test. Each of these tools provides true-to-format questions and delivers a detailed score report that follows the topics set by the College Board®. Topic Level Quizzes: Short, 15-minute quizzes are available throughout the review and test your immediate understanding of the topics just covered. Mini-Tests: Two online mini-tests cover what you've studied in each half of the book. These tests are like the actual AP® U.S. History exam, only shorter, and will help you evaluate your overall understanding of the subject. 2 Full-Length Practice Tests - 1 in the Book and 1 Online: After you have finished reviewing the book, take our full-length practice exams to test what you've learned. These practice tests give you the most complete picture of your strengths and weaknesses. The online exam includes the added benefits of timed testing, automatic scoring, and a detailed score report. Improving Your Score with e-Flashcards: With your score reports from the quizzes and tests, you'll be able to see exactly which AP® U.S. History topics you need to review. Use this information to create your own flashcards for the areas where you are weak. And, because you will create these flashcards through the REA Study Center, you'll be able to access them from any computer or smartphone. REA's All Access test prep is a must-have for students taking the AP® U.S. History exam!

Provides a comprehensive review of key test topics, test-taking strategies, and two full-length practice tests with detailed answers explanations. 1906 bestseller, shockingly reveals intolerable labor practices and unsanitary working conditions in the Chicago stockyards as it tells the brutally grim story of a Slavic family that emigrates to America full of optimism but soon descends into numbing poverty, moral degradation, and despair. A fiercely realistic American classic that will haunt readers long after they've finished the last page.

Written by teachers, for teachers, this guide offers instructional resources for all the AP World History exam components, including: stimulus-based multiple-choice questions, short-answer questions, document analysis, document-based essay questions, and long essay questions. Teacher introductions to each section include pacing suggestions, and tried and true teaching tips. Student learning guides introduce the skill to the student step-by-step, providing ample opportunity for guided practice. Additional assessments are also included to allow for further practice and mastery. Building off the success of the first edition, this second edition is updated to reflect the latest changes to the exam, specifically the more open-ended essay prompts and the "complexity" component. This guide is an invaluable resource for experienced and new teachers alike.
