

**Avoid Retail For College: Warning Signs You Are Paying Too Much For College
Strategic Financial Planning for Research Libraries**

As parents of a child that is on way to college, have you ever had these feelings: Worried that you can't afford to send your child to college? Afraid that rising tuition costs will prevent your child from getting a much-needed education? Really want a debt-free future for both you and your child? If your answer is yes, read this book! It will bring you a comprehensive financial plan to cut your costs in half! After spending years solving fiscal challenges for corporate executives and small business owners, the author became a mom and discovered the insanelly high tuition expenses predicted by the College Board's cost calculator. On a mission to reduce the burden on her own family, she consulted admissions counselors, financial aid experts, scholarship gurus, and a group of very determined parents to find a new solution. In this Financial Guide For College, the author provides a project management framework for families to find and finance the college experience of their dreams. Making use of these little-known tips, ingenious resources, and some careful planning, you can turn this easy-to-follow guidebook into an incredible 25 to 50 percent off coupon for college. Inside this book, you'll discover: The 12 critical elements required for a successful college plan How both parents and students can minimize debt in the long run How you can become a better-informed consumer of higher education How imagining the college funding process like a kitchen remodel can help you come in on time and on budget Why there's no need for any family to "pay retail" for college, and much, much more! This Financial Plan For College is your all-in-one resource for stretching the value of your family's college budget. Buy the book today to start planning for your brighter future!
