This introductory atlas for secondary school students aged 11-14 is designed to help students develop map, atlas and data handling skills. The content adheres closely to the requirements of the National Curriculum and incorporates results of classroom testing. Its clear and accessible layout will motivate pupils of all abilities at Key Stage 3 and S1-S2. An easy to follow introductory 'map and atlas skills' section, useful for both teacher and pupil, is followed by clear, easy to read reference maps presented with locator maps, fact boxes and flags, descriptive text, detailed map keys and photos.

Carefully selected focus country studies include mapping on contrasting regions and special topics. The latest available country-by-country statistics are listed in a separate section and the index includes full latitude and longitude values. The extended world section in this edition covers all the global issues required by the National Curriculum e.g. climate, population, biomes, earthquakes and volcanoes. Colour coding of the titling and marginalia aids the identification of the sections within the atlas.

Designed to help children develop their vocabulary and learn to recognise whole words, this delightful book makes an ideal first ABC dictionary for young children on the threshold of learning to read. It is beautifully illustrated by award winning artist Chris Fisher (Parents Magazine Gold Award, 1998). Using a range of delightful animal characters throughout the book to depict the familiar, everyday words, artist Chris Fisher adds an abundance of humour and charm that will have readers coming back time and time again. Each head word is incorporated into a simple sentence, to show word usage, and accompanied by an illustration. Key letters are shown very big, so children can copy or trace them with their fingers, and the full alphabet runs across the top of each spread, in capitals and lower case. The book opens with an introduction for adults, explaining how to get the most out of the dictionary, and closes with a range of fun spreads that explore simple concepts such as colour, shapes and numbers.
