

Colors And Shapes Brighter Child Flash Cards

"This hands-on activity book is an introduction to tracing skills. The act of tracing lines and shapes helps a child develop fine motor skills and hand-eye coordination. Fine motor skills are movements or activities that are produced by small muscles or muscle groups. Children in preschool spend a lot of their day developing these muscles in their hands. Developed motor skills are the key to success in kindergarten"--P. 3. The Big Skills for Little Hands series features fun activity pages that teach your child important skills necessary for kindergarten. Your child will have fun cutting, pasting, folding, drawing, tracing, and coloring his or her way to school success! --After completing this book, your child will be proud to say . . . I Can Color!
